### The PACEsetter

A peasant girl who dreams of becoming a sorceress, a boy who imagines himself a knight - trailed by a ruthless mercenary armed with an ancient sword.All Lynette wanted was to leave her boring village life - to attend the Fae Academy and become a Druid priestess like her teacher before her. Her clumsy attempts at magic are a reminder of how much she has yet to learn. But if they would only accept her, if the Fae Kingdom - closed to human visitors for centuries now - would only just open its doors, she is certain she could become a master of the magical arts.Yet her journey puts her on a collision course with a reawakened evil - offering a king's ransom for the recovery of a long-lost relic. Treasure hunters of every variety - werewolves, mercenaries, common thieves and undead alike - are soon locked in pursuit of its promised riches. Together with Baxter, a young squire who fled his own kingdom, and Eirlon, a gnome who trades in rare antiquities, Lynette is drawn unwillingly into the hunt for the elusive relic.Hounded by goblins, ogres - and darker things - Baxter carries his own burdens: secrets that have made him the enemy of the crown. And then there is Garth, the mysterious mercenary who both frightens and intrigues Lynette: the weapons-master armed with an ancient blade - snatched from the hand of a long-vanished fae prince.Willingly or not, Lynette, Baxter and Eirlon must together solve the riddles behind the relic - and stay one step ahead of the ruthless killers that pursue them.The complete Book One of the Stormfall Chronicles, Storm's Herald is an Epic Fantasy series suitable for all ages.

### The Perfect Storm

Most employers know that rewarding their best workers is good business. However, the "return" on such investment is

difficult to measure, and wise employers think long and hard about two of their largest expense items - employee benefits and executive compensation. Today in the United States, under the glare of issues raised by the current financial crisis, company-sponsored benefits programs have become mere shadows of what they once were, and executive compensation has come under intense scrutiny to the point where the Treasury Department monitors it at companies receiving federal assistance. In recognition of the growing importance of employee benefits and executive compensation issues, the Center for Labor and Employment Law at New York University School of Law dedicated New York University's 59th Annual Conference on Labor to an in-depth examination of these topics. This volume of the proceedings of the 2006 conference contains papers presented at that meeting, all here updated to reflect recent developments. It also includes contributions from other practitioners and academics with extensive knowledge and experience in this specialized field of labor and employment law.

## **Employee Benefits and Executive Compensation**

Declared a triumph by the New York Times Book Review, Linda Greenlaw's first book, *The Hungry Ocean*, appeared on nearly every major bestseller list in the country. Now, taking a break from the swordfishing career that earned her a major role in *The Perfect Storm*, Greenlaw returns to *Isle au Haut*, a tiny Maine island with a population of 70 year-round residents, 30 of whom are Greenlaw's relatives. With a Clancy-esque talent for fascinating technical detail and a Keillor-esque eye for the drama of small-town life, Greenlaw offers her take on everything from rediscovering home, love, and family to island characters and the best way to cook and serve a lobster. But Greenlaw also explores the islands darker side, including a tragic boating accident and a century-old conflict with a neighboring community. Throughout, Greenlaw maintains the straight-shooting, funny, and slightly scrappy style that has won her so many fans, and proves once again that fishermen are still the best storytellers around.

## **The Lobster Chronicles**

Winner of the NBCC Award for General Nonfiction Named on Amazon's Best Books of the Year 2015--Michael Botticelli, U.S. Drug Czar (Politico) Favorite Book of the Year--Angus Deaton, Nobel Prize Economics (Bloomberg/WSJ) Best Books of 2015--Matt Bevin, Governor of Kentucky (WSJ) Books of the Year--Slate.com's 10 Best Books of 2015--Entertainment Weekly's 10 Best Books of 2015 --Buzzfeed's 19 Best Nonfiction Books of 2015--The Daily Beast's Best Big Idea Books of 2015--Seattle Times' Best Books of 2015--Boston Globe's Best Books of 2015--St. Louis Post-Dispatch's Best Books of 2015--The Guardian's The Best Book We Read All Year--Audible's Best Books of 2015--Texas Observer's Five Books We Loved in 2015--Chicago Public Library's Best Nonfiction Books of 2015 From a small town in Mexico to the boardrooms of Big Pharma to main streets nationwide, an explosive and shocking account of addiction in the heartland of America. In

1929, in the blue-collar city of Portsmouth, Ohio, a company built a swimming pool the size of a football field; named Dreamland, it became the vital center of the community. Now, addiction has devastated Portsmouth, as it has hundreds of small rural towns and suburbs across America--addiction like no other the country has ever faced. How that happened is the riveting story of Dreamland. With a great reporter's narrative skill and the storytelling ability of a novelist, acclaimed journalist Sam Quinones weaves together two classic tales of capitalism run amok whose unintentional collision has been catastrophic. The unfettered prescribing of pain medications during the 1990s reached its peak in Purdue Pharma's campaign to market OxyContin, its new, expensive--extremely addictive--miracle painkiller. Meanwhile, a massive influx of black tar heroin--cheap, potent, and originating from one small county on Mexico's west coast, independent of any drug cartel--assaulted small town and mid-sized cities across the country, driven by a brilliant, almost unbeatable marketing and distribution system. Together these phenomena continue to lay waste to communities from Tennessee to Oregon, Indiana to New Mexico. Introducing a memorable cast of characters--pharma pioneers, young Mexican entrepreneurs, narcotics investigators, survivors, and parents--Quinones shows how these tales fit together. Dreamland is a revelatory account of the corrosive threat facing America and its heartland.

## **Perfect Ruin**

## **The Hungry Ocean**

From the New York Times bestselling author of the Temeraire novels comes the first graphic novel in a thrilling new saga about the next generation of high-flying costumed crusaders HEROISM 101 As universities go, Liberty Vocational is the private college of choice for budding superheroes learning to master their extraordinary powers for the good of humankind. But for sixteen-year-old Leah Taymore, just making her way through classes without incident is shaping up to be a superhuman task. Star struck by legendary ex-hero turned student advisor Calvin Washington, petrified by ultrastrict dean Dr. Santos, and tongue-tied over her supercool (and handsome) classmate Paul Lyman, timid Leah fears that even her ability to manipulate atoms won't be enough to survive the rigors of L.V.—and become a full-fledged defender of all that is right. But the real test of her mettle is yet to come, in the form of infamous supervillain Bane, who has infiltrated Liberty with a sinister plan to bring down the best and brightest heroes of tomorrow before they even take flight.

## **The Light Beyond the Storm Chronicles-Book I**

\*Includes pictures \*Includes accounts of the storm written by survivors \*Includes a bibliography for further reading "The technical name for the new storm was a 'midlatitude cyclone.' The people in its path, however, would later call it the No

Name Hurricane, since it had all the force of a hurricane, but was never officially designated as one. And because the brunt of the storm would strike the eastern seaboard around October 31, it would also acquire another name: the Halloween Gale." - Sebastian Junger, author of *The Perfect Storm* People in the Northeastern United States have been dealing with winter storms for centuries, and people in the South and on the East Coast have dealt with hurricanes and tropical storms for just as long, but it's rare for the weather systems that produce such storms to actually collide with each other and produce a more powerful storm. In fact, it's unusual enough that when it happened in late October 1991, one weatherman dubbed it the "Perfect Storm." Indeed, the Perfect Storm of 1991 was unique in many respects. By feeding off of Hurricane Grace and another storm to the south, the Nor'easter that was hitting the Northeast and Canada became an incredibly powerful storm that struck the North Atlantic before swinging back south and again developing into a tropical storm. In the process, it produced waves in excess of 100 feet tall near Nova Scotia and caused substantial flooding across the East Coast. It was also responsible for a handful of deaths throughout the region. The storm may have been one of those that residents in the area would remember and talk about in comparison to subsequent storms, but the Perfect Storm is well-known across the country thanks to Sebastian Junger's book, *The Perfect Storm*. In 2000, the movie *The Perfect Storm* dramatized Junger's book and the true story of the sinking of the *Andrea Gail*, a fishing ship based out of Gloucester, Massachusetts that got caught up in the storm and sank with all hands on board. Although there were other dramatic events that took place in relation to the storm, including the rescue of the crew of a downed helicopter in the midst of the storm, the tragedy of the *Andrea Gail* continues to provide the most human face to the infamous storm. *The Perfect Storm of 1991: The Story of the Nor'easter that Sank the Andrea Gail* chronicles the storm from its formation to the devastating effects it had across the Atlantic. Along with pictures and a bibliography, you will learn about the Perfect Storm like never before, in no time at all.

## **Chronicles of the Hudson**

The term fisherwoman does not exactly roll trippingly off the tongue, and Linda Greenlaw, the world's only female swordfish boat captain, isn't flattered when people insist on calling her one. "I am a woman. I am a fisherman. . . . I am not a fisherwoman, fisherlady, or fishergirl. If anything else, I am a thirty-seven-year-old tomboy. It's a word I have never outgrown." Greenlaw also happens to be one of the most successful fishermen in the Grand Banks commercial fleet, though until the publication of Sebastian Junger's *The Perfect Storm*, "nobody cared." Greenlaw's boat, the *Hannah Boden*, was the sister ship to the doomed *Andrea Gail*, which disappeared in the mother of all storms in 1991 and became the focus of Junger's book. *The Hungry Ocean*, Greenlaw's account of a monthlong swordfishing trip over 1,000 nautical miles out to sea, tells the story of what happens when things go right--proving, in the process, that every successful voyage is a study in narrowly averted disaster. There is the weather, the constant danger of mechanical failure, the perils of controlling five sleep-, women-, and booze-deprived young fishermen in close quarters, not to mention the threat of a bad fishing run: "If

we don't catch fish, we don't get paid, period. In short, there is no labor union." Greenlaw's straightforward, uncluttered prose underscores the qualities that make her a good captain, regardless of gender: fairness, physical and mental endurance, obsessive attention to detail. But, ultimately, Greenlaw proves that the love of fishing--in all of its grueling, isolating, suspenseful glory--is a matter of the heart and blood, not the mind. "I knew that the ocean had stories to tell me, all I needed to do was listen." --Svenja Soldovieri

## **The Chronicles of Castle Cloyne**

### **Sudden Sea**

Presents a vivid account of a history-making storm that hit the New England coast in October 1991 and the lives it changed, weaving together the history of the fishing industry, the science of storms, and personal accounts. Tour.

### **Stormchaser**

There's more to Los Angeles than lights, camera, action! From the city's early, devilish days populated by missionaries, robber barons, oil wells and orange groves, Chronicles of Old Los Angeles explains how the Wild West became the Left Coast. Learn how Alta California became the 31st state, and how ethnic waves built Los Angeles—from Native Americans to Spaniards, Latinos and Asians, followed by gangsters, surfers, architects and the Hollywood pioneers who brought fame to the City of the Angels. Then, discover the city yourself with six guided walking/driving tours of LA's historic neighborhoods, profusely illustrated with color photographs and period maps.

### **Calm Before The Storm**

A CURSE. Lilae escaped slavery, only to find herself still bound to both of her capturers. With their hold on her, she risks slipping into a void that can destroy her and her bond with the man she has grown to care for. A PLAGUE. While Liam's home is ravaged by a devastating illness, he struggles with the urge to return and help them, or move forward in saving the world. THE LAST DRAGON. The boy king, Wilem finds himself uprooted from the first place he's felt safe since his kingdom was destroyed. An epic journey across the realm pits him, their fairy guides, and his best friend against ruthless Shadow Elves. His only weapon: a dragon. While an instant connection sparks between Lilae and Liam, their fragile alliance is threatened by the brewing war on Ellowen as a fallen god sets into motion a series of attacks and summons an ally more powerful than any of the gods of their world. Lilae and Liam were born to be strong. But, even the power of their love may not be enough to save them in this epic adventure novel.

## **Chronicles of Oldfields**

A beautiful young elven sorceress flees for her life in a dark world where magic is forbidden and elves live as slaves. Watching her are the Order of Witch-Hunters; the corrupt organisation that rule by fear and ignorance and a mysterious wealthy nobleman, lord of an idyllic valley who is not all he seems. As the slavers roll across the lands stealing elves from what remains of their ancestral home the Witch-Hunters turn a blind eye to the tragedy and a story of power, love and a terrible revenge unfolds. \*18+\* age limit- this contains adult themes.

## **The Cuchara Chronicles**

This is the true story of a thirty-something single man in New York. A man who is employed, decent, and horny. A man hilariously combing his way through women in search of one who will make him stop searching. . . For the last four years, "This Dating Life" columnist Ron Geraci has chronicled his romantic (mis)adventures in the pages of Men's Health, offering readers a no-holds-barred look into one man's bare-naked dating life. His mission was simple: he dated whomever he could find in order to fill that month's dispatch and revealed everything--the good and bad, funny and catastrophic, triumphant and painful. The Bachelor Chronicles is Geraci's hilariously frank confession of his wild ride from struggling writer in the frenzied world of magazine journalism to his rise as the "male Carrie Bradshaw" with the scars to prove it. From the women he maniacally dated (lots) to the ones he enraged (even more) and enthralled (okay, you win some), Geraci's story careens through an insane New York City landscape that includes countless prospects, one lesbian, two therapists, a high-priced matchmaker, possible liposuction, incredible and not-so-incredible-but-at-least-frequent sex, dating addiction, destroyed relationships as an occupational hazard, blossoming alcoholism, porn, waking up in apartments where no sane man should find himself, perverse mating schemes, noble motivations, desperate loneliness, and the near-constant yearning for a stable life with one woman. Part cautionary tale, part dating survival guide, The Bachelor Chronicles is an emotionally naked, frequently hilarious peek into the male mind and modern romance by a guy honest enough to tell it like it is.

## **The Perfect Storm**

## **Chronicles of Old Los Angeles**

In the midst of the Blizzard of 1978, the tanker Global Hope floundered on the shoals in Salem Sound off the Massachusetts coast. The Coast Guard heard the Mayday calls and immediately dispatched a patrol boat. Within an hour, the Coast Guard boat was in as much trouble as the tanker, having lost its radar, depth finder, and engine power in horrendous seas. Pilot

boat Captain Frank Quirk was monitoring the Coast Guard's efforts by radio, and when he heard that the patrol boat was in jeopardy, he decided to act. Gathering his crew of four, he readied his forty-nine-foot steel boat, the Can Do, and entered the maelstrom of the blizzard. Using dozens of interview and audiotapes that recorded every word exchanged between Quirk and the Coast Guard, Tougias has written a devastating, true account of bravery and death at sea, in *Ten Hours Until Dawn*.

## **Writing a Book That Makes a Difference**

Immersive reporting and dramatic storytelling set you right in the middle of the horrific superstorm of April 2011, a weather event that killed 348 people.

## **Chronicles of Cape Commanders**

The Blake Boys Book Six Sometimes you have to tear everything down and start over... Private security specialist Samantha Jane Carson gets the surprise of her life when she arrives at Blake Enterprises for the annual security audit. Instead of her usual contact, she's greeted by the company president himself, the sexy and elusive J.J. Blake. It's her job to know everything about the Blake family, and J.J.'s recent divorce is the talk of the town. Women are lined up to become the next Mrs. Blake, and who wouldn't want to be? J.J.'s gorgeous, rich, and has stormy green eyes that hold women captive. J.J. Blake is making some major changes in his life. Freshly divorced from ex-wife Eden, he's building a new house, coming to terms with the injury that ended his NFL career, and is ready to start fresh—without romance complicating things. His friends and family encourage him to get back into the dating pool, but he'd rather not be sucked into those rough waters again. Work is the obvious diversion, and he opts to handle the security audit himself for some good old-fashioned guy/tech work. But when Sam Carson walks into his office, J.J.'s brought up short. The "Sam" he was expecting turns out to be Samantha—beautiful, smart, and a tough-as-nails ex-cop in a polished, professional package. And she's just the kind of woman who could drag him under... Keywords: interracial romance, multicultural, private security, country, ranch, football, bwmm

## **Storm (Stone Braide Chronicles Book #3)**

Now That Glade, Selah's Protecting Force, Is Gone, the Hunt Is On to Capture Her Selah has survived the forces of both man and nature to reunite her family. But her happiness is short-lived as they are forced into a barren world of volcanic ash that conceals the storm boiling beneath. The clock is ticking and Selah's abilities are growing--along with the list of those out for her blood. Selah feels unworthy of her status as a novarium and is tortured by the knowledge of lives lost to protect her.

Her physical and mental abilities will tempt her to be reckless, but she must learn to wield such power responsibly. Time is running out as more lives are tragically cut short and the search for the Third Protocol takes Selah into lands that have fallen into legend. Can Selah follow the trail of ancient artifacts and finish the quest? Or have she and her companions pinned their hopes on nothing more than a fanciful story? Calhoun's characters race headlong into an explosive combination of futuristic technology, age-old greed, and the sacrifices for love that drive them to impossible choices.

## **Minnesota Law Review**

## **American Cinematographer**

Are we living under a two-tiered system of justice? Why do the wealthy and powerful escape prosecution for their crimes? Why is there so much pain and suffering in the world? Is anything being done about it? Using a combination of wit, wisdom, and gravity, an unknown intelligence insider--identified simply as "Q"--has been communicating with anonymous citizens (anons) through internet message forums since 2017. These online exchanges bear no resemblance to your typical social media conversations; there are sobering missions at stake. Q says corruption is worse than we know. It has invaded the corporate world, the media, academia, Hollywood, the church, and other parts of society. It is the cause of war, poverty, and countless problems that rob us of our potential. In this first book of the Q Chronicles series, Dave Hayes takes readers back to the intriguing first weeks of Q's mission. He explains how to understand the language of Q. He shows how Q--by asking questions using the Socratic method--prompts in-depth research of little-noticed reports, government documents, air flights, maps, media stories, and current events. With Q's help, anons were forewarned about how Jeffrey Epstein really made his money. They got inside information about President Trump's meetings with Kim Jong-un, clues to follow regarding the controversial Iran deal, and hints that the NXVIM "self-help" organization was not as advertised. It's no wonder Q has fascinated millions. The research segment of Q's mission is meant to bring about the "Great Awakening"-- a coming era when we will unplug from the media programming machine that has been indoctrinating the world. We will learn the truth, and there will be proof to confirm our nagging suspicions. As you can imagine, there are opposing forces that would love to stop Q from revealing anything more, but Q always seems to be a few steps ahead of them. A storm is approaching that will sweep criminal power brokers into the dustbin of history. The system that enables corruption is being dismantled and replaced. So get your popcorn ready. The show is about to begin, and you have a front-row seat.

## **Boating**

Over and over again, she tried to make her relationship work. René wanted the best for her and her young daughter, a

baby girl. Disappointments continued to come until she stopped trying to fix what was broken and gave her problems over to God. That was when her breakthrough came, and life turned from heartbreak to happiness.

## **Chronicles of Oklahoma**

The massive destruction wreaked by the Hurricane of 1938 dwarfed that of the Chicago Fire, the San Francisco Earthquake, and the Mississippi floods of 1927, making the storm the worst natural disaster in U.S. history. Now, R.A. Scotti tells the story.

## **The Bachelor Chronicles**

## **What Stands in a Storm**

From the New York Times bestselling author of The Chemical Garden trilogy: On the floating city of Internment, you can be anything you dream. Unless you approach the edge. Children's Literature says "shades of Aldous Huxley's Brave New World and George Orwell's 1984 inspire DeStefano's sci-fi/murder mystery page-turner." Morgan Stockhour knows getting too close to the edge of Internment, the floating city and her home, can lead to madness. Even though her older brother, Lex, was a Jumper, Morgan vows never to end up like him. There's too much for her on Internment: her parents, best friend Pen, and her betrothed, Basil. Her life is ordinary and safe, even if she sometimes does wonder about the ground and why it's forbidden. Then a murder, the first in a generation, rocks the city. With whispers swirling and fear on the wind, Morgan can no longer stop herself from investigating, especially once she meets Judas. Betrothed to the victim, Judas is being blamed for the murder, but Morgan is convinced of his innocence. Secrets lay at the heart of Internment, but nothing can prepare Morgan for what she will find—or whom she will lose.

## **The Perfect Storm of 1991**

The Anti-Bubbles is a contrarian framework that challenges the status quo and complacency of Global Markets towards the false belief/misconception that central banks and governments are infallible and in full control. A forward-looking analysis of the opportunities, risks, and unintended consequences associated with testing the limits of monetary policy, testing the limits of credit markets, and testing the limits of fiat currencies. This book presents both sides of the story, including Larry Summer's "prudent imprudence for fiscal expansion", George Soros' "reflexivity theory applied to monetary policy", Mohamed El-Erian's "T-junction and diplomatic neutrality", along the "Lehman Squared" and "Gold's Perfect Storm"

investment theses, and coins innovative ideas such as “anti-bubbles”, “the acronyms”, or “monetary supercycle”, which join a series of innovative concepts such as “The Flattening of the Energy World”, “The Energy Broadband”, or “The Battle for Supply”, from Diego’s first book.

## **The Anti-Bubbles**

"Big Happiness is extremely important to our community. Mark Panek's biography of Percy Kipapa speaks to the consequences of the destruction of Hawai'i's rural neighborhoods, unchecked development, the ice epidemic, the failures of government, sumo, intricate family and neighbor relationships, and more. What is most impressive is Panek's ability to weave all of these complex topics together in a seamless narrative that connects all the dots. Part mystery, part investigative journalism, part poignant Island portrait, this work contains an emotional element that binds the reader to the subjects in a dignified yet touching way, showing compassion and even affection for people while revealing their flaws and shortcomings. This book will resonate with an Island audience and with anyone interested in Hawai'i." --Victoria Kneubuhl, Hawai'i writer and playwright "This book tells of personal triumphs and failures, and also the triumphs and failures of families, communities, organizations, agencies, governments, and churches dealing with the multiple consequences of 'progress' in contemporary Hawai'i. There have been heroes and villains at all levels--frequently, the same individuals and agencies are both at the same time. The story of Percy Kipapa is especially poignant because professional sumo gave him a unique opportunity to transcend Hawai'i's culture of colonialism, racism, poverty, and drug addiction, which in the end all brought him down anyway. Mark Panek has done a masterful job of weaving these strands together."--Reverend Bob Nakata, former Hawai'i state senator "Spanning the history of Waikane and the brutality of Japan's national sport, Big Happiness is a remarkably ambitious piece that links one man's murder to the ice epidemic, land development, and political corruption in Hawai'i. Mark Panek's meticulously researched, skillfully written, heartbreaking story, filled with voices that ring true, is an indictment of an entire system that crushed a gentle giant. While other Hawai'i writers dwell in 'take me back to da kine' nostalgia, Panek tells it like it really is." --Chris McKinney, author of The Tattoo and Mililani Mauka

## **State Government News**

### **Night of the Storm**

A fatal collision of three lives in the most intriguing and original crime story since In Cold Blood. In the spring of 1963, the quiet suburb of Belmont, Massachusetts, is rocked by a shocking sex murder that exactly fits the pattern of the Boston Strangler. Sensing a break in the case that has paralyzed the city of Boston, the police track down a black man, Roy Smith,

who cleaned the victim's house that day and left a receipt with his name on the kitchen counter. Smith is hastily convicted of the Belmont murder, but the terror of the Strangler continues. On the day of the murder, Albert DeSalvo—the man who would eventually confess in lurid detail to the Strangler's crimes—is also in Belmont, working as a carpenter at the Jungers' home. In this spare, powerful narrative, Sebastian Junger chronicles three lives that collide—and ultimately are destroyed—in the vortex of one of the first and most controversial serial murder cases in America.

## **The Phoenix Chronicles Anatomy of a Storm**

Gerard provides direction to writers by analyzing a variety of books that have made a difference and distilling the ingredients that make them memorable--such as choosing powerful themes and using storytelling strategies that move people to tears and laughter.

## **A Death in Belmont**

## **Ten Hours Until Dawn**

The Cuchara Chronicles is a work of fiction set in and around the very real mountain village of Cuchara, Colorado. Cuchara is nestled in the magnificent Sangre de Cristo mountains on Highway 12 (the Highway of Legends) between LaVeta and Trinidad. It is the story of a journey; a journey that requires the main characters, Lane Curry and his son Steve, to face the family past before they can find their future. That past is ripe with tragedy and mystery. Lane lost his wife in a tragic accident. Both Steve and Lane are struggling in their separate ways to deal with the loss of the woman who was the center of their lives. Neither of them is able to share his feelings, hence they both suffer in silence. It takes a life-and-death search and rescue mission deep in the high country to shatter the silence but the price proves to be very high. Lane's world is turned upside down when he meets Mary, a divorced artist who is also running from her past. They struggle with their emotions as their mutual attraction grows. When Lane discovers that his grandfather, Sven Curry, mysteriously disappeared almost 100 years ago and possibly suffered a violent death, he embarks on a mission of discovery. The mystery becomes deeper and darker when Lane uncovers a long-lost letter written to Sven just before his disappearance. A simple inquiry about the letter triggers a chain of events that threatens to tear the Curry's future apart. With the help of a private investigator Lane teeters on the precipice of breaking the law as they uncover the family's secret. Steve's imagination is fired by the stories about Sven's disappearance and the talk of lost gold. He and his big dog, Sampson, hike to Chaparral Falls, Sven's last reported location. There Steve and Sampson encounter a snarling horrific nightmare. They may have found the key to Sven's mystery but will it be worth the price?

## Storm's Herald

A Chronicles of St Mary's short story that is sure to entertain. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. You don't have to travel through time to experience catastrophe on an epic scale, as the disaster-magnets from St Mary's are about to find out For Max, what starts off as a perfectly normal week is about to degenerate into a quagmire of egotistical film producers, monumental pub crawls, unsigned contracts, exploding rocks, Professor Rapson and his megaphone, the world's biggest bacon butty - and Angus - the third component of the most notorious love triangle since Menelaus, Paris and Whatshername - the one with the face they launched ships off. A Perfect Storm of calamity, devastation and misfortune only ever encountered at St Mary's. Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything Jodi Taylor and her protagonist Madeleine "Max" Maxwell have seduced me' 'A great mix of British proper-ness and humour with a large dollop of historical fun' 'Addictive. I wish St Mary's was real and I was a part of it' 'Jodi Taylor has an imagination that gets me completely hooked' 'A tour de force'
