BPP Learning Media is the sole Platinum Approved provider of ACCA content. Our examiner-reviewed Study Texts and Practice & Revision Kits, and our interactive study tools will provide you with the up-to-date material you need for exam success.

Cima Exam Kit

"Accounting Standards contain important definitions, principles and accounting treatments which must be learned. All of these are covered in this book. By ensuring that students have good understanding of what the topic is about, this essential learning stops being a chore. This book is different from those that teach exam and memory techniques in that it takes such techniques and applies them to a real topic." --Back cover

ACCA STRATEGIC BUSINESS REPORTING

Forensic and Investigative Accounting (9th Edition)

BPP Learning Media is an ACCA approved content provider. Our suite of study tools will provide you with all the accurate and up-to-date material you need for exam

success.

CIMA F2 Advanced Financial Reporting

A study text designed for part one of the ACCA professional examinations in accountancy. The 'ACCA Study Text' books combine a focus on the exam, clear format and useful learning tools and take full account of topics in the ACCA's syllabus.

Foundations in Accountancy (FIA) awards are entry-level, core-skill focused qualifications from ACCA. They provide flexible options for students and employers, and as official ACCA Approved Learning Provider - Content, BPP Learning Media's study materials are tailored to the exams students will take.

FIA Foundations in Management Accounting FMA (ACCA F2)

Forensic accounting is a growing area of practice in which the knowledge, skills and abilities of advanced accounting are combined with investigative expertise and applied to legal problems. Forensic accountants are often asked to provide litigation support where they are called on to give expert testimony about financial data and accounting activities. In other more proactive engagements, they probe situations using special investigative accounting skills and techniques. Some even see forensic accounting as practiced by skilled accounting specialists becoming part and parcel of most financial audits--an extra quality control step in the auditing process that will help reduce financial statement fraud. CCH's Forensic and Investigative Accounting (9th Edition) is a complete and readily teachable text on today's most timely accounting topics. Written by three top accounting and forensic teachers, this text covers all the important underpinnings, as well as the

substance of forensic accounting. It covers both litigation support and investigative accounting, examining the practical aspects of these two areas, as well as many of the newer technological areas.

ACCA - F4 Corporate & Business Law (Russia) (for the December 2017 and June 2018 exams)

This book covers the principles, concepts, techniques and practical tools of financial accounting in supporting overall business decisions. Using a comprehensive theoretical framework, this book is enhanced by practical examples, exercises, chapter summaries and complex cases in each of the eleven chapters. With the International Financial Reporting Standards (IFRS) and their specific Conceptual Framework as the baseline approach, this book also highlights Romanian regulation and practice specifically. Despite the globalisation efforts, this book demonstrates that there are still discrepancies and cultural challenges and will be of interest to students and academics of financial accounting.

P1 MANAGEMENT ACCOUNTING - Study Text

BPP Learning Media is an ACCA Approved Content Provider. Our partnership with ACCA means that our Study Texts, Practice & Revision Kits and iPass (for CBE
