Preparing for Christmas

An instant New York Times bestseller Two spiritual giants. Five days. One timeless question. Nobel Peace Prize Laureates His Holiness the Dalai Lama and Archbishop Desmond Tutu have survived more than fifty years of exile and the soul-crushing violence of oppression. Despite their hardships—or, as they would say, because of them—they are two of the most joyful people on the planet. In April 2015, Archbishop Tutu traveled to the Dalai Lama's home in Dharamsala, India, to celebrate His Holiness's eightieth birthday and to create what they hoped would be a gift for others. They looked back on their long lives to answer a single burning question: How do we find joy in the face of life's inevitable suffering? They traded intimate stories, teased each other continually, and shared their spiritual practices. By the end of a week filled with laughter and punctuated with tears, these two global heroes had stared into the abyss and despair of our time and revealed how to live a life brimming with joy. This book offers us a rare opportunity to experience

their astonishing and unprecedented week together, from the first embrace to the final good-bye. We get to listen as they explore the Nature of True Joy and confront each of the Obstacles of Joy—from fear, stress, and anger to grief, illness, and death. They then offer us the Eight Pillars of Joy, which provide the foundation for lasting happiness. Throughout, they include stories, wisdom, and science. Finally, they share their daily Joy Practices that anchor their own emotional and spiritual lives. The Archbishop has never claimed sainthood, and the Dalai Lama considers himself a simple monk. In this unique collaboration, they offer us the reflection of real lives filled with pain and turmoil in the midst of which they have been able to discover a level of peace, of courage, and of joy to which we can all aspire in our own lives.

30 Days to Happiness

Most of us go through life with a vision of what the ideal relationship is supposed to be, yet too often our longing for a soul mate leads to disappointment and heartbreak. What we see, desire, or harshly judge in our mate is but a reflection of self, Vanzant explains, as in *IN THE MEANTIME* she helps us to break free of our fantasies and view a relationship as an ongoing process of discovery and growth. Whether she is offering practical advice on how to avoid making the same relationship mistakes over and over again, or helping us to view the painful end of a relationship as an opportunity to learn and change, Iyanla Vanzant, as author Patrice Gains has said, 'reminds us that every moment is an opportunity to learn and inspires and encourages us to continue our inward daily search'.

Sources of Strength

Mother Teresa is known for her radiant smile and the joy of Christ that she brought to all she met, even in the most challenging circumstances. These daily stories and meditations in her own words point to the secret of living in that joy: simplicity, humble surrender to Jesus, thankfulness, and, above all, a heart filled with God's love. These keys will unlock the gift of joy in every thirsting heart.

Get Over It!

For the first time ever, the Toltec wisdom from the Ruiz family is bound together in a book of Daily Meditations. Readers are invited on a six-month journey of daily lessons with don Miguel Ruiz Jr. that are designed to inspire, nourish, and enlighten adherents as they travel along the Toltec path. Drawing on years of apprenticeship under his father and grandmother, don Miguel Ruiz Jr. shares Toltec lessons on Love, Faith, Agreements, and most importantly: Awareness. The purpose of each meditation is to guide readers into a deeper understanding of his or her self, as well as the world in which we live. In the introduction to the book, don Miguel Ruiz Jr. reminds readers that progress on the Toltec path is not measured by the acquisition of things, status, or even ideas, but rather the complete and total realization that everything in the world is perfect, exactly the way it is at this moment. "Love is accepting ourselves just the way we are, with all of our flaws and our ever-changing belief system. You are nothing else but who you are. You are not the person you were a year ago. You are not the person you will be in a year. You aren't even the person you think you are. You simply are, and that must be enough." —don Miguel Ruiz Jr. This book will have special appeal to those already familiar with his father's books *The Four Agreements*, *The Mastery of Love*, and *The Fifth Agreement*, as well as don Miguel Ruiz Jr.'s own book, *The Five Levels of Attachment*. It also makes a wonderful gift.

Acts of Faith

"When individuals are suffering through unpleasant or undesirable situations and circumstances, they are often unaware of how they participate in creating or re-creating their experience. In severe cases, there is addiction or suffering. Frequently, my first attempt at offering suffering individuals another way of seeing their experience is met with fierce resistance, which I call "the fight to be right." Often people unwittingly fight to maintain ownership of the very limitations that cause their suffering. Unfortunately, while fighting for their limitations, most fail to realize this is not a fight they want to win. Rather than engage them in a mental or emotional sparring match, I ask one simple question: "What is your prayer?" When an individual seriously contemplates this question, stories about how pain and suffering should or can be tolerated begin to recede. The ego has very few arguments that can survive the power of an earnest and heartfelt prayer."--

Covering from 1968 to 2018, Karpf recounts his vivid memories, life-changing dreams and resonant reflections on living a life of faith in a socially and politically tumultuous period. Diary of Saint Maria Faustina Kowalska

For decades, President Jimmy Carter has been an avid student and teacher of the Bible. In recent years, the adult Sunday school classes he leads at his hometown Baptist church have become famous the world over. As *The New York Times* put it, "These weekly sessions are remarkable for the ability of regular folks to walk in, grab a seat and exchange views with the 39th President of the United States. But they are also remarkable for what Mr. Carter has to say." Now, this most admired American has selected fifty-two of his favorite Bible meditations from these Sunday gatherings to share with anyone who is searching for new faith or fuller understanding of a lifelong creed. The result is this remarkable book, *Sources of Strength: Meditations on Scripture for a Living Faith*. For Jimmy Carter, as for countless others, Holy Scripture has been a constant companion, a source of inspiration and strength in both good times and bad. A lifetime of devoted Bible reading has taught him that the truths of Scripture have the power to enrich and transform our daily lives in unexpected ways. As President Carter writes, "The Bible

offers concrete guidance for overcoming our weaknesses and striving toward the transcendent life for which we were created." Sources of Strength is Jimmy Carter's invitation to you to share in the spiritual bounty of Scripture and joyous, more fulfilling life that a living faith makes possible. Also Available As An Audio Book "I think the audio version brings a human touch..It permits me to communicate in a much more intimate fashion." --President Jimmy Carter From the Hardcover edition.

The Book of Life

There are moments when the spirit is mute and powerless to give utterance to its interior yearning. It feels the need of a vibrant word to rouse it from its numbness and voice its voiceless aspiration. Hence attempts to provide, in one form or another, daily thoughts for the day's round are coincident with the rising of the religious consciousness. The ancient Forest-Books or Upanishads of the Vedic period were but the accumulated effort of great sages to help those who surrounded them in their woodland hermitage, to meet the daily problem with triumphant heart. The mediaeval breviaries and manuals of devotion were written or compiled to the same end. The present volume is another contribution to this daily sacrament of prayer and holy thought. The idea of preparing it is not of recent conception. As far back as 1812 Swami Parama-nanda wrote me from Switzerland "Other day I was thinking a little of the next book (from your letters). Can't we call it A Book of Daily Thoughts and Prayers' ? What do you think of it ?" I had written to him that the idea had come to me to gather from his later letters and certain notes of his teaching material for a companion volume to the "Path of Devotion," made up from earlier letters. The prayers were caught with the same stealthy silent pencil at the moment of their utterance. They sound in consequence the more living note of spoken supplication. The quotations from the Scriptures are from the Swami's translations. Coming from such intimate sources, the words which follow possess special helpfulness in the intimate inward strivings of each day. They have been classified and arranged in consecutive and cumulative sequence. The thought is carried forward from day to day, so that at the end of a month a new and defined impression will be made on the character. Each day brings its salient thought to be held through the waking hours in continuous mindfulness a brief lesson amplifies this and imbeds it more deeply in the consciousness a prayer feeds and strengthens the natural upward-reaching devotional aspirations of the heart. A few lines from the Swami's sacred and illumined poems are given as a daily exercise in memorizing. Memorizing is one of the most productive of spiritual practices. It provides a rich inner library to which one can turn in the moment of emptiness or distress. A single line called up in memory will sometimes turn the thought into an entirely fresh and wholesome channel. Thus on each page will be found food for all the faculties of the aspiring spirit. The Swami's words lend themselves with peculiar aptitude to a work of this nature. His sentences have the focused, shining quality of a finely-cut gem which requires no embellishment of ornate setting. They stir the higher, holier impulses of the soul and impel to consecrated living. They carry forward by their inherent vitality and strength. The book calls for no other introduction than itself. With its tender counsel and ringing appeal it will find its way, by the force of its spiritual power, into the heart and sanctuary of every seeker whose hand it reaches. DEVAMATA.
