Always I'll Remember

The Best Revenge

There's no mistaking what a great leader does. The real challenge is to know how it's done. Understanding the nuances of putting leadership into action has long been the specialty of Michael Feiner, the former chief people officer at Pepsi-Cola and current management professor at Columbia Graduate School of Business. Now, in this hands-on, plain-speaking, practical guide, Feiner shares his hard-won expertise and gives you detailed solutions to the everyday problems of leadership. "The Feiner Points of Leadership" offers fifty insightful laws covering everything from managing tough bosses and difficult subordinates, to dealing with uncooperative colleagues, to overcoming resistance to corporate change. Based on Feiner's experiences as an aspiring executive, senior leader, and management consultant, "The Feiner Points" shows you that leadership has little to do with grand strategies or personal charisma.

The Postman Always Purls Twice

French's Acting Edition of Plays, Dramas, Extravaganzas, Farces

Adventure

Describes how libraries of all types conducted campaigns to encourage the use of library resources and services

1002 Jumbo Jazz

A Rolling Stone contributing editor and decades-long friend of John Lennon and Yoko Ono presents an intimate account of the couple's relationship that reveals the profoundly positive influence of Ono on Lennon and the ways they inspired each other creatively before the latter's death. 40,000 first printing.

The Stony Path

With his career hanging by a thread, Detective Constable Carr must decide whether or not to reveal evidence that will incriminate him yet might resolve a kidnapping and save the life of the victim

And Nanny Makes Three

A Daughter's Courage

The Peterson Magazine

Plays for Home Performance

Fourteen year-old John Taylor, reluctant athlete, waits impatiently for the end of football season as he plans to end his sports career, despite the objections of his over-bearing father. Those plans fall apart as the seasons change and he soon finds himself embroiled in a paranormal mystery from the past which threatens his sanity and may cost him his life.

Seasons in Time

Writing with a Purpose

Fun

Features step-by-step tutorials presented by digital painting master artists.

The Ladies' Home Journal

Draws on original interviews with parents and caregivers alike to explore the unique relationship that exists between a mother and a nanny and what really goes on behind the scenes of domestic arrangements to reveal what both sides think about the other, expectations, and other important aspects of the relationship that exists in many American households. 25,000 first printing.

The Price of Failure

A long-running argument over life, love, and the theater between playwright Ben Riller and his deceased father, Louie, acts as counterpoint to Ben's struggle in the midst of moral and financial ruin, personal redemption, and Broadway intrigues

The Green Book Magazine

Grow Your Grit—How You Can Develop the Critical Ingredient for Success Grit—defined as our perseverance and passion for long-term goals—is now recognized as one of the key determinants for achievement and life satisfaction. In an age that provides us with a never-ending stream of distractions and quick-and-easy solutions, how do we build this essential quality? “This book is designed to help you screen out the spam of life and cultivate authentic grit in every setting,” writes Caroline Miller. With *Getting Grit*, this bestselling author brings you an information-rich and practical guide for developing the qualities needed to persevere over obstacles—not just toughness and passion, but also humility, patience, and kindness. Join her as she shares research-based insights and practices on:

- Learning grit—how you can enhance your willpower and rewire your brain for resilience
- The key traits of gritty people—what the latest research reveals
- The three kinds of “false grit” and how to recognize them in yourself
- The courage to fail—tools for turning your setbacks into your greatest teachers
- Daring to dream big—guidance for building your capacity to take risks and aim higher
- No one succeeds

alone—tips for gathering your support team and inspiring others • The role of self-compassion, gratitude, and spirituality in building grit “I’ve come to believe that gritty behavior is a positive force that does more than help us rise to our own challenges,” writes Caroline Miller. “When we embody the best qualities of grit, we become a role model for others who want to become better people, and help them awaken greater possibilities for themselves.” Whether you’re seeking to grow beyond your limits at work, at home, on the sporting field, or in any leadership role, Getting Grit is a powerful resource to help you bring out the qualities that will help you succeed and thrive.

The Saturday Evening Post

Grand Schemes and Nitty-gritty Details

Days That I'll Remember

Jenny Cain and police detective Geof Bushfield already had pre-nuptial jitters. Then a sudden wave of domestic violence rocked placid Port Frederick - in just two weeks, the husbands of three battered wives were shot dead. Homicide was all too familiar to Geof, but this was enough to make him want to quit the force. Except that none of the wives confessed - and none of the guns were found. As Geof searched for clues, Jenny uncovered a dangerous secret - a murderous obsession that threatened to tear Port Frederick apart!

Say You'll Remember Me

"Dad. I've got very, very, very bad news. Peter was killed tonight . . ." With that middle-of-the-night phone call, life for the Mayer family plunged from "best-ever year" to months and years of dealing with the oppressive presence of Peter's unending absence. A letter from his father to the freshly deceased Peter, intended for the memorial service, became the first in a torrent of letters from his dad to Peter, though which his dad poured out agonized and angry grief. In the letters, Peter's dad laments the way events otherwise beautiful for Peter's wife, five-year-old daughter, and the rest of the family are relentlessly punctuated with the pain of the loss. "Dammit, Peter, why didn't you . . .?" Ultimately, slowly, the letters begin to reflect on the strange mystery of healing. How is it that in spite of the pain, in spite of the unending loss, comfort does come, opening the way once again for unbelievably deep joy? "It was all so rich and beautiful that with a certain private touch, and exchange of glance, your mom and I signaled an agreement . . . slipped to our cave . . . with playful freedom and deep gratitude." So for Peter's dad, the confirmation of the odd observation from Jesus: "How blessed are

those who grieve!"

Declined -- with Thanks

Getting Grit

In the seventh installment in the “entertaining” (Kirkus Reviews) Black Sheep Knitting Mystery series, the knitters see the darker side of Hollywood when Maggie’s shop is used as a set for a big budget, star-studded movie. When the cast and crew of a Hollywood movie arrive to film on location in quiet Plum Harbor, the village is aflutter at the A-list actresses. The Knitters are dazzled by the glamour and since Maggie’s shop is an important set, they are privy to the backstage excitement and inside gossip. But from the first day of filming, accidents and menacing coincidences abound. The show must go on, but no sooner have the lights, action, and stitching begun when the killer strikes again—this time, cutting one character from the script for good. The Black Sheep, an attentive audience to this tangled drama, are determined to unmask the real villain of this story before they can eliminate another member of this deadly cast.

Solo

It's 1939 and Abigail Vickers, enjoying her promising new job in an office, is overjoyed when she meets James Benson there and they both fall completely in love. But life for Abby is a constant struggle against her dominant and selfish mother, Nora, who is jealous of Abby's beauty and success. When war breaks out, all their lives change forever. In the furore of patriotism that follows, James signs up and Abby swears to wait for him, joining the land army to do her bit. But when Abby's father is involved in a dreadful accident, a terrible secret that Nora has been carrying for years is revealed, tearing the family apart. After receiving heartbreaking news of James, Abby begins to wonder if she will ever find happiness. Only time will tell if there are better days ahead

Letters to Peter

Doesn't matter who did it. Not anymore. I did the time. It's over." When Drix was convicted of a crime—one he didn't commit—he thought his life was over. But opportunity came with the Second Chance Program, the governor's newest pet project to get delinquents off the streets, rehabilitated and back into society. Drix knows this is his chance to get his life back on track, even if it means being paraded in front of reporters for a while. Elle knows she lives a life of privilege. As the governor's daughter, she can open doors with her name alone. But the expectations and pressure to be someone she isn't may be too much to handle. She wants to follow her own path, whatever that means. When Drix and Elle meet, their connection is immediate, but so are their problems. Drix is not the type of boy Elle's parents have in mind for her, and Elle is not the kind of girl who can understand Drix's messy life. But sometimes love can breach all barriers. Fighting against a society that can't imagine them together, Drix and Elle must push themselves—Drix to confront the truth of the robbery, and Elle to assert her independence—and each other to finally get what they deserve.

Let's Get to the Nitty Gritty

A terrible family secret threatens to shatter one young woman's dreams for ever In *The Stony Path*, Rita Bradshaw writes a heartrending saga of lost love, dark secrets and the rocky road to happiness. Perfect for fans of *Rosie Goodwin* and *Dilly Court*. 'Gritty and touching' - *Newcastle Evening Chronicle* Growing up on a small, struggling farm on the outskirts of Sunderland in the early 1900s, Polly Farrow has a tough life, but she has gifts money can't buy - a joyful disposition and a loving heart. And her heart belongs to her beloved cousin, Michael. Polly knows that one day they'll be man and wife. But a terrible secret is to change everything: Michael is her half-brother, the fruit of an incestuous relationship between her father and his own sister - Michael's mother. The lovers are rent apart and Polly is left to bear the responsibility of the farm alone - for her father kills himself, unable to live with his shame. Life is now a battle for survival, and Polly wonders if she will ever find happiness. But the answer to her prayers is closer than she thinks What readers are saying about *The Stony Path*: 'This book was unputdownable once I started reading it. The plot was wonderful and believable, the characters are a mixed lot in that some are feisty, some rotten and a few really, really good. It makes for a wonderful story that left me wanting more' 'Really gripping and an interesting read. I thought the characters were well developed and the story kept me on the edge of my seat!' 'Gripping from start to finish. A truly wonderful love story that has to ride the test of time, heartache and treachery'

The Feiner Points of Leadership

Horace Silver is one of the last giants remaining from the incredible flowering and creative extension of bebop music that became known as "hard bop" in the 1950s. This freewheeling autobiography of the great composer, pianist, and bandleader takes us from his childhood in Norwalk, Connecticut, through his rise to fame as a musician in New York, to his comfortable life "after the road" in California. During that time, Silver composed an impressive repertoire of tunes that have become standards and recorded a number of classic albums. Well-seasoned with anecdotes about the music, the musicians, and the milieu in which he worked and prospered, Silver's narrative—like his music—is earthy, vernacular, and intimate. His stories resonate with lessons learned from hearing and playing alongside such legends as Art Blakey, Charlie Parker, and Lester Young. His irrepressible sense of humor combined with his distinctive spirituality make his account both entertaining and inspiring. Most importantly, Silver's unique take on the music and the people who play it opens a window onto the creative process of jazz and the social and cultural worlds in which it flourishes. *Let's Get to the Nitty Gritty* also describes Silver's spiritual awakening in the late 1970s. This transformation found its expression in the electronic and vocal music of the three-part work called *The United States of Mind* and eventually led the musician to start his own record label, Silveto. Silver details the economic forces that eventually persuaded him to put Silveto to rest and to return to the studios of major jazz recording labels like Columbia, Impulse, and Verve, where he continued expanding his catalogue of new compositions and

recordings that are at least as impressive as his earlier work.

Youth's Companion

In 1979, the classic bestseller *Son Rise* was made into an award-winning NBC television special, which has been viewed by 300 million people worldwide. Now, *Son Rise: The Miracle Continues* presents not only the expanded and updated journal of Barry and Samahria Kaufman's successful effort to reach their "unreachable" child but goes beyond to include a sensitive portrayal of how that singular event has become a worldwide phenomenon. When their son Raun was a year old, he began to withdraw from human contact. Diagnosed as autistic, Raun tested with an I.Q. of under 30. Experts offered no hope and advised institutionalizing him. Barry and Samahria refused to accept this prognosis. For several years they worked with Raun in a program of their own design, based on unconditional love and acceptance. By age three and a half, Raun was functioning above his age level — a bright and curious little person. The story of the Kaufmans' experience to this point makes up Part I of *Son Rise: The Miracle Continues*. Part II continues Raun's story and describes the intervening years as the Kaufmans offered hope and healing to thousands of families with special-needs children. At age twenty, Raun attended a top university, and displayed a near-genius I.Q. Today, he shows no trace of his former condition. Part III of the book highlights the moving stories of five families who, guided by the Kaufmans and the Son-Rise Program, have created "rebirths" for their own special children.
