A Modern Approach to Verbal & Non Verbal Reasoning

A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for

freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

An Introduction to Political Theory

20000 MCQ - General Studies Previous Paper Based Question Bank for UPSC & State PSC Exams

Illustrations: Few Maps Description: This work is the first analytical and comprehensive account of the civilization of Assam from earliest to the present times. Its object is to acquaint the readers with the forces and factors moulding the society and culture of Assam through the ages. It analyses the salient features of Assamese civilization giving proper weightage to the contributions made by different tribes or ethnic groups of both the hills and the plains as well as by the followers of different faiths towards its growth and development. The work is divided into four parts. Part I gives a brief idea of the present state of Assam. It also discusses the source materials as well as the pre-history and the proto-history of the land. Part II deals with the ancient period beginning with the legendary kings till the dismemberment of the ancient kingdom of Pragjyotisha or Kamarupa in the close of the twelfth century AD. Part III treats the history of the medieval period from the rise of different tribal states on the ruins of the ancient kingdom till the fall of the Ahom monarchy in 1826. Part IV deals with the modern period covering the history of the British rule upto the attainment of the country's independence in 1947. It also contains a chapter dealing briefly with the events after independence. The authoress has made full use of all available sources, published and unpublished, preserved in different libraries within and outside the state. Attempt has been made to make the information up-to-date with proper notes and references and the treatment clear and precise. The work also contains a bibliography, glossary and index.

Care For Your Health

This new edition of An Introduction to Political Theory examines a fairly wide range of issues on political theory as identified at the beginning of the new millennium. It elaborates the nature and significance of political theory, concept of ideology, wi

APSC Assam Current Affairs Yearbook 2020

Certificate Physics And Human Geography; Indian Edition

The Book Is An In-Depth Study Of The Socio-Cultural Life Of The Mising Tribe Of Assam. It Studies The Factors Influencing Their Material Culture, Traditional Life Pattern, Art And Craft Activity Et Al. And Tries To Analyze The Impact Of Modernisation, Acculturation And Urbanization Faced By Them.

The History of Assam

History of Modern India presents an authoritative overview of the history of what was known as British India. The text is largely based on the author s research on nationalism and colonialism in India and also draws from the works of eminent historians of the period. Challenging and revising colonial and nationalist interpretations of history, this book moves away from a largely political narrative to a social, economic and religious history of modern India. It explains how conditions in India during the eighteenth century helped the British East India Company establish its rule in India. It also gives us important insights into the primary aim of colonial rule which was the economic exploitation of India through trade and investment. The topics are arranged thematically in order to showcase the various forces that went into the making of independent India. However, in the entire arrangement of themes, the chronology of the period is enmeshed innovatively with the various forces that evolved both as a cause and effect of British imperialist rule of the subcontinent. The book also provides a detailed account of the nationalist movement and introduces us to the contributions of different individuals who were behind the nationalist movement. A comprehensive textbook for students of history and interested readers, History of Modern India is essential reading for a broad based understanding of the making of modern India.

Geography Of India For Civil Ser Exam

Śaṅkaradēva, 1449-1569, Assamese Vaishnavite religious leader.

ApSC Prelims(gs)

One of India's foremost writers assesses the country's achievements and failures over the last fifty years since its independence from British rule and notes India's importance in the challenges facing America in the twenty-first century. Reprint.

“Learn about Health to Enjoy your Wealth” For people who want health and happiness in life, Care for Your Health is The Manual for their body and mind. Carefully following the instructions will bring you health and happiness in life. This book is based on the concept of “Knowledge is Power”. Once you go through it, you will be empowered with the necessary knowledge to keep yourself healthy forever. This book is an answer sheet to the questions my patients have asked me during my last 25 years of practice as a consultant surgeon. Every patient has asked me one common question, “Why do I have the disease?” I always counter question them, “Why do you not have great health?” I hope this book will answer all the questions you have regarding health, briefly. Through this Care for Your Health, you will be aware of the power within you. You will learn the correct ways of doing exercises and meditation and the importance of food and water in our body. You will learn stress management through S.T.R.E.S.S. Formula. Care for Your Health is not only a book but the beginning of a worldwide movement. Join the movement by visiting www.careforyourhealth.in.

India's Ancient Past

A commentary and study.

Cardiac Pacing and ICDs

The economy isn't just for the economists to debate on. All of us are affected by its ups and downs—global recession, rise in interest rates, or hike in food prices. But do we understand the principles at work and how and why they really affect us? Day to Day Economics is an enjoyable, accessible, and extremely user-friendly book that explains the modern day Indian economy to the layperson. In this relevant book, Professor Deodhar explains the role of the government and its involvement in different aspects of the economy; the need for the RBI and its functions; and how taxes, stock markets, and recessions work. Day to Day Economics will help you go beyond the facts and figures in the budget and connect the trends to your

daily life. As with all IIMA Business Books, it comes illustrated with numerous Indian examples and case studies making this the ultimate rookie's guide to the Indian economy.

A Comprehensive History of Assam

Right from its first issue, Indian and World Geography has shown a steady increase in its popularity and readership in India as well as in adjacent countries. Geography as a subject continues to have significant importance in the Civil Services Preliminary as well as the Mains examinations. The second and now the third edition of this book have been revised and updated in the light of the course structure and pattern introduced in 2011. The book is widely used also by aspirants of the State Services Competitive Exams as well as by those appearing for UGC's NET. The Ebook of Indian and World Geography 4e is designed to be a useful resource for the UPSC and State PSC aspirants. Made into a four color Epub version of the 4th Edition of the book, this book also offers interactive images that help quicker and accurate visualization on maps and diagrams. Now click on the legends to highlight a certain marking on the maps and diagrams so that reading them becomes easy. This ebook can be accessed anywhere anytime in the student's mobile phone, tab or other portable devices whether Android or Windows. Unable to devote enough time at home or in the library and want to be able to study on the go? This ebook is the perfect solution available to you 24*7 in your pockets.

7 Years UPSC IAS/ IPS Mains Essay Year-wise Solved Papers (2013 - 2019)

This is a comprehensive, intelligible and interesting portrait of Ancient Indian History and Civilization from a national historical point of view. The work is divided into three broad divisions of the natural course of cultural development in Ancient India: (1) From the prehistoric age to 600 B.C., (2) From 600 B.C. to 300 A.D., (3) From 300 A.D. to 1200 A.D. The work describes the political, economic, religious and cultural conditions of the country, the expansionist activities, the colonisation schemes of her rulers in the Far East. Political theories and administrative organizations are also discussed but more stress has been laid on the religious, literary and cultural aspects of Ancient India. The book is of a more advanced type. It would meet the needs not only of general readers but also of earnest students who require a thorough grasp of the essential facts and features before taking up specialized study in any branch of the subject. It would also fulfil requirements of the candidates for competitive examinations in which Ancient Indian History and culture is a prescribed subject.

10000+ Objective MCQs with Explanatory Notes for General Studies UPSC/ State PCS/ SSC/ Banking/ Railways/ Defence 2nd Edition

This book presents a complete and accessible description of the history of early India. It starts by discussing the origins and growth of civilizations, empires, and religions. It also deals with the geographical, ecological, and linguistic backgrounds, and looks at specific cultures of the Neolithic, Chalcolithic, and Vedic periods, as well as at the Harappan civilization. In addition, the rise of Jainism and Buddhism, Magadha and the beginning of territorial states, and the period of Mauryas, Central Asian countries, Satvahanas, Guptas, and Harshavardhana are also analysed. Next, it stresses varna system, urbanization, commerce and trade, developments in science and philosophy, and cultural legacy. Finally, the process of transition from ancient to medieval India and the origin of the Aryan culture has also been examined.

Sankaradeva

World Geography provides a coherent and organized geography of the world as we now know it - where we are. It studies how people are distributed over the earth, how they make their living from it, and how they transform it. Various geographical regions of the world have been discussed in eighteen chapters with individual nations within each of these regions. Written in a logical, cogent and convincing style, the principles of brevity and clarity have been followed all through the book. Combining informative text with a wealth of latest data, maps and illustrations, this attempt offers a comprehensive coverage of almost all the countries of the world in a single volume. It is hoped that this compact, yet wide-ranging, account will be of immense help to the students and teachers alike.

World Geography

In the present edition, authors have made sincere efforts to make the book up-to-date. A notable feature is the inclusion of two chapters on Power System. It is hoped that this edition will serve the readers in a more useful way.
