## Neferet's Curse

Thirteen-year-old Kyra has grown up in an isolated community without questioning the fact that her father has three wives and she has twenty brothers and sisters. That is, without questioning them much - if you don't count her secret visits to the Mobile Library on Wheels to read forbidden books, or her meetings with Joshua, the boy she hopes to choose for herself instead of having a man chosen for her. But when the Prophet decrees that she must marry her sixty-year-old uncle - who already has six wives - Kyra must make a desperate choice in the face of violence and her own fears of losing her family forever.

## Betrayed

"Tras recuperar su puesto de alta sacerdotisa de la Casa de la Noche de Tulsa, Neferet ha jurado vengarse de Zoey. Su dominio sobre Kalona es solo una de las armas que piensa usar contra ella. Pero Zoey ha encontrado un santuario en la isla de Skye y la reina Sgiach la está preparando para gobernar ese territorio. Ser reina sería genial, ¿para qué regresar entonces a Tulsa? Después de perder a su consorte humano, Heath, nunca volverá a ser la misma persona-- y su relación con su superardiente guerrero, Stark, tampoco"--Publisher's website.

## **The Key to Fear**

Betrayed, the second installment in the bestselling House of Night series from P. C. Cast and Kristin Cast, is dark and sexy, and as thrilling as it is utterly shocking. Fledgling vampyre Zoey Redbird has managed to settle in at the House of Night. She's come to terms with the vast powers the vampyre goddess, Nyx, has given her, and is getting a handle on being the new Leader of the Dark Daughters. Best of all, Zoey finally feels like she belongs--like she really fits in. She actually has a boyfriend or two. Then the unthinkable happens: Human teenagers are being killed, and all the evidence points to the House of Night. While danger stalks the humans from Zoey's old life, she begins to realize that the very powers that make her so unique might also threaten those she loves. Then, when she needs her new friends the most, death strikes the House of Night, and Zoey must find the courage to face a betrayal that could break her heart, her soul, and jeopardize the very

fabric of her world.

## **Hunted**

Dark forces are at work at the House of Night and fledgling vampyre Zoey Redbird's adventures at the school take a mysterious turn. Those who appear to be friends are turning out to be enemies. And oddly enough, sworn enemies are also turning into friends. So begins the gripping third installment of this "highly addictive series" (Romantic Times), in which Zoey's mettle will be tested like never before. Her best friend, Stevie Rae, is undead and struggling to maintain a grip on her humanity. Zoey doesn't have a clue how to help her, but she does know that anything she and Stevie Rae discover must be kept secret from everyone else at the House of Night, where trust has become a rare commodity. Speaking of rare: Zoey finds herself in the very unexpected and rare position of having three boyfriends. Mix a little bloodlust into the equation and the situation has the potential to spell social disaster. Just when it seems things couldn't get any tougher, vampyres start turning up dead. Really dead. It looks like the People of Faith, and Zoey's horrid step-father in particular, are tired of living side-by-side with vampyres. But, as Zoey and her friends so often find out, how things appear rarely reflects the truth Chosen is the third in the House of Night series by P. C. Cast and Kristin Cast.

## **House of Night Series Books 1-4**

The door closed with a sickening thud of finality, shutting my friends out and leaving me alone with my enemy, a fallen angel, and the monstrous bird creature his ancient lust had created. Then I did something I'd only done twice before in my entire life. I fainted.' It's all happening, though Zoey Redbird wishes it wasn't. She has her friends back, which is great. But a dark angel has taken over the House of Night, supported by High Priestess Neferet. Not so great. This leaves Zoey hiding out with the (supposedly friendly) red fledglings in Tulsa's prohibition-era tunnels. The not greatness continues. Zoey has some boy-thoughts to distract her, with a chance to make-up with super-hot-ex Eric. But thoughts of the archer that died, semi-permanently, in her arms also keep distracting her. Then he shows up as Neferet's newest minion. Well, hell. Zoey and friends need a plan to put things right, soon, if she's to keep both head and heart intact. - Not suitable for younger readers -

Does he betray his father or his heart?

As she operates in secret to gain access to Old Magick, the new High Priestess, Anastasia Lankford, works toward peace

But just as Other Kevin's broken heart will take time to heal, peace in that world will also take time and work—and not all of the Other World vampyres want peace. Meanwhile, Zoey is desperate to help rid the Other World of Neferet once and for all, and not knowing what's going on over there is eating away at her. But, as the Nerd Herd warns, it's far too dangerous to call on Old Magick time and again. It's too bad that something always seems to go wrong whenever the stakes are high. What happens when worlds clash and powers that should be left alone are awakened? So you'd think after banishing an immortal being and a fallen High Priestess, saving Stark's life, biting Heath, getting a headache from Erik, and almost dying, Zoey Redbird would catch a break. Sadly, a break is not in the House of Night school forecast for the High Priestess in training and her gang. Juggling three guys is anything but a stress reliever, especially when one of them is a sexy Warrior who is so into protecting Zoey that he can sense her emotions. Speaking of stress, the dark force lurking in the tunnels under the Tulsa Depot is spreading, and Zoey is beginning to believe Stevie Rae could be responsible for a lot more

than a group of misfit red fledglings. Aphrodite's visions warn Zoey to stay away from Kalona and his dark allure, but they also show that it is Zoey who has the power to stop the evil immortal. Soon it becomes obvious that Zoey has no choice: if she doesn't go to Kalona he will exact a fiery vengeance on those closest to her. Will Zoey have the courage to chance losing her life, her heart, and her soul? Find out in the next spectacular installment in the House of Night Series, *Tempted*.

Lo ammetto: da quando Heath è morto, mi sento come svuotata. Stavamo insieme da sempre, da prima che io ricevessi il Marchio e diventassi la famosa Zoey Redbird, la novizia vampira più dotata della Storia. È per questo che volevo accettare la proposta di Sgiach - la regina dei Guerrieri - di restare per sempre sull'isola di Skye. Credevo infatti che solo in quel posto sperduto sarei riuscita a dimenticare il dolore. Poi, però, Stevie Rae mi ha contattato per riferirmi una notizia sconvolgente: uno dei nostri migliori amici è morto. Sebbene non possa dimostrarlo, lei è certa che sia stato ucciso da Neferet. Purtroppo nessuno le crede: in effetti, chi sospetterebbe della Somma Sacerdotessa della Casa della Notte di Tulsa? Tuttavia io so di cosa è capace quella vampira: è talmente malvagia da essersi perfino alleata col Male personificato! Devo farmi forza. Ho già perso le due persone che più mi stavano a cuore, non posso permettere che accada di nuovo. Tornerò a casa e combatterò. Perché, altrimenti, tutti i vampiri cadranno vittima di Neferet e il mondo sprofonderà nel caos
