Clarity

What to do if it's time to take stock -- and you have no time! Have you ever fantasized about taking time for yourself just to reflect on the quality of your work life? Are you doing what you really want to be doing? Or are you spinning your wheels so fast that you're headed for burnout? And most importantly, is there a way to revitalize and refocus your career to your satisfaction? If you're like most people, that annual vacation doesn't do the trick, and weekends are just a time to collapse before it starts up again on Monday.

If you can't afford the luxury of a full-fledged sabbatical, then Clarity Quest is for you. This powerful eight-week "training" program, which culminates in a week of self-discovery, is something that will fit into the busiest of schedules. Pamela Ammondson offers simple exercises to help you: * Break away from career confusion, and let go of old fears * Renew your physical, mental, and emotional energy so that you can think clearly and creatively * Identify your core values * Gain the strength, stamina, and calm needed to make important career and life decisions * Clarify what you really want, and take control of your life with a new sense of purpose and vision For seven weeks, you'll follow the plan, do all the groundwork for your future, and watch your dreams come into focus. When you hit the eighth week, you'll take a week-long sabbatical to fine-tune those goals, recharge your batteries, and commit to making the decisions that will change your life for the better.

Clarity

The rules to the game of life continue to shift. As teens and college students question, "What will I do when I grow up?" many adults without work now ponder, "What will I do next?" with scarce employment and an uncertain economic future. Answers to those questions and certainty become abundantly clear in *Courageous Clarity*. Denise Stillman helps us live a life with clear direction, meaningful and financially rewarding work, enriching relationships and a deeper purpose. *Courageous Clarity* is a very thought-provoking, soul-searching

Download Free Clarity

guide to leading one's life to achieve all that is desired, such as developing better businesses, stronger interpersonal connections and limitless happiness. In this easy-to-digest guide, Denise Stillman shows us how to adapt the strategic planning tactics she's given her clients and students to create the life we WANT versus the one we simply RECEIVE. Courageous Clarity is a way of life and described best by these four keys: Congruence - live a life that is true to the real self Aspiration - engage the human capacity to dream Intent - begin with the end in mind Action - discipline the self to build toward dreams Denise shows us how to unlock the four keys of Courageous Clarity within us because we must lead ourselves before we can lead others.

Clarity

When you can see things others can't, where do you look for the truth? This paranormal murder mystery will have teens reading on the edge of their seats! Clarity "Clare" Fern sees things. Things no one else can see. Things like stolen kisses and long-buried secrets. All she has to do is touch a certain object, and the visions come to her. It's a gift. And a curse. When a teenage girl is found murdered, Clare's ex-boyfriend wants her to help solve the case but Clare doesn't want to get involved. Then Clare's brother becomes the prime suspect, and Clare can no longer look away. Teaming up with Gabriel, the smouldering son of the new detective, Clare must venture into the depths of fear, revenge, and lust in order to find the killer.

Leading Clarity

During the sixteenth century, many Reformers echoed Erasmus's claim that the Scriptures were clear, could be understood by even the lowliest servant, and should be translated into the vernacular and placed in the hands of all people. People did not require the magisterium of the Roman Catholic Church to correctly interpret the meaning of the Scriptures. However, within a few short years, the leaders of the Magisterial Reformers, Martin Luther and Huldrych Zwingli, had created their own Protestant versions of the magisterium. This work traces how the doctrine of the clarity of Scripture found expression in the writings of Balthasar Hubmaier, admirer of Erasmus and Luther, and associate of Zwingli. As Hubmaier engaged in theological debate with opponents, onetime friends, and other Anabaptists, he sought to clarify his understanding of this critical reformation doctrine. Chronologically tracing the development of Hubmaier's hermeneutic as he interacted with Erasmus, Luther, Zwingli, and Hans Denck provides a useful means of more accurately understanding his place in the matrix of the sixteenth-century Reformations.

Finding Clarity

This paper examines whether the clarity of central bank communication about inflation has changed with the economic environment. We use readability statistics and content analysis to study the clarity of

communication on the inflation outlook by seven central banks between 1997 and 2010. Overall, we find no strong indications that central banks were less clear in explaining their policies when faced with higher uncertainty or a less favorable inflation outlook. The global financial crisis, however, did have a negative impact on clarity of central bank communication.

Clarity

The Clarity of God's Existence examines the need for theistic proofs within historic Christianity, and the challenges to these since the Enlightenment. Historically (and scripturally), Christianity has maintained that unbelief is inexcusable. If failing to know God is a sin, the implication is that humans can and should know God. Humans should know God because his eternal power and divine nature are clearly revealed in the things that are made. And yet, Anderson argues, more time is spent on avoiding the need for clarity to establish inexcusability than on actually providing an argument or proof. Proofs that rely on Aristotle or Plato and that establish a Prime Mover or designer are thought to be sufficient. But the adequacy of these, not only to prove the God of theism, but also to prove anything at all, has been called into question by Enlightenment thinkers like David Hume. After considering the traditional proofs, and tracing the history of challenges to theistic proofs (from Hume to Kant and down to the twentieth century), Anderson argues that the standard methods of apologetics have failed to sufficiently respond.

Classical Apologetics, Evidentialism, Presuppositionalism, Reformed Epistemology, and others fail to adequately answer the challenges of the Enlightenment. If this is the case, what is the outcome for Christianity? Anderson offers an explanation as to why traditional proofs have failed, and for what is necessary to offer a proof that not only responds to Hume and Kant but also establishes the clarity of God's existence. The traditional proofs failed precisely in not aiming at the clarity of God's existence, and they failed in this because of a faulty view of the goal of Christian life. If the blessed life is to be attained in a direct vision of God in heaven, then there is little to no reason to ask for more than the bare minimum required to get into heaven (justification). Furthermore, if the highest blessing is this direct vision, then the glory of God revealed in his work is considered as less important and even set aside. By way of contrast, if God's eternal power and divine nature are clearly revealed in his works, and the blessing comes in knowing God, then it is of the utmost importance for Christianity to demonstrate the clarity of God's existence.

Clarity

Perfect Clarity is an anthology of essential writings on Mahamudra and Dzogchen for the student of Tibetan Buddhism. Mahamudra, a meditation practice focusing on the nature of mind, and Dzogchen, a body of teachings aimed at realizing the "great perfection" or natural, primordial state, are central to Vajrayana practitioners today. Translator Erik Pema Kunsang has

selected works by legendary masters both ancient and modern. From the distant, mythic past come teachings from Guru Rinpoche (also known as Padmasambhava), the tantric master who established Vajrayana Buddhism in Tibet in the ninth century, his consort Yeshe Tsogyal, and the famous yogis Milarepa (1040-1123), and Longchenpa (1308-1363). More recent teachers included in this collection are Dilgo Khyentse Rinpoche (1910-1991), and Khenpo Ganshar, the root guru of Chogyam Trungpa, and Nyoshul Khen Rinpoche. The writings are in a variety of forms reflecting the genius of each contributor: chapters of detailed meditation instructions, inspired poems, and parable-like stories.

Moments of Clarity

Turf wars, low morale, bad politics, and misguided strategies: these are issues that claim much of a leader's time. But this parade of dysfunctions and messy "people" problems actually points to an organization confused about its core business, torn between competing ideas about what it is and wants to be—an organization facing an identity crisis. Strategy and leadership expert Chatham Sullivan argues that when the purpose of a business becomes confused, it is the leaders' responsibility to restore clarity, especially in the face of tough strategic choices that have political, personal, and cultural consequences for the organization. Sullivan shows leaders how to take the decisive stand that clarifies their organization's core purpose. Featuring compelling stories of leaders who have succumbed to

and successfully resolved their organizations' identity crises, The Clarity Principle bridges the gap between leadership and strategy and demonstrates the tremendous gains to be achieved by leaders willing to make tough choices.

Balthasar Hubmaier and the Clarity of Scripture

Clarity

He will do anything to make amends But how can she forgive him when she can't even remember him? Liam did not realize how serious Winter's injuries were after her accident. He was beside himself with grief when she fell unconscious and wouldn't wake up. After a minor coma, Winter finally wakes up to a world she can partially see-- and she has no clue why. She does not remember her eye surgery, and she has no idea who Liam is. In fact, she does not remember the last three years of her life. She even insists on being called Helen. Liam feels lucky that Helen doesn't remember his recently exposed lies-- he feels like he has been given a second chance to make things right. But without her memories of the horrible things that happened to her, Helen seems like a different person and Liam finds himself struggling to connect with her. Can he cope with the guilt of the harm that he's caused her? And can he make a headstrong and carefree Helen fall in love with him all over again?

Spiritual Clarity

To fully prepare K-12 students for life and career, connect with your community! Benefit from the triple win of community-based learning—meaningful curriculum, engaged students, and stronger local partnerships for education. This helpful guide shows readers how to create a thriving program, including:

- Implementing a high-quality, sustainable initiative that bridges academic disciplines
- Forging rewarding relationships with local partners, from major employers to small businesses and community groups
- Recognizing and overcoming common barriers to program effectiveness, while making the best use of resources and time
- Applying best practices from today's community-based learning programs, illustrated by case studies and examples

The Clarity of God's Existence

The gift of a commonplace book: A seed that can bloom well beyond a lifetime. A place to collect the wisdom and stories which others in ancient and modern times have to teach us. And then, even further possibilities: to make sense out of everyday nonsense; to enthuse the heart; to enliven a passion for life; to guide the spiritual journey; to laugh; to relax from the speed and demands of our too busy world; to gently remind us of our inclusion in the family of history and society; to enjoy and relish the utter beauty of language and story; to discover new writers and thinkers even as we revisit old favorites; to find inspiration for writing, speaking, motivating, creating, and even counseling; to guide our young with gentle reminders of the purposes of life; and,

finally perhaps, to define our own voice in the living of life

The Clarity

Its a simple question: Are you happy? How would you like to undertake an incredible, inspirational journey that could change the way you look at life? Would you be interested in learning how to see life for what it really is? What if you could discover the secrets to achieve your dreams? With Absolute Clarity, you might discover some of the secrets and tools you need to unlock lifes greatest mysteriesmysteries that cant wait to be discovered. Youll be inspired to find the answers to some of lifes biggest questions. What is this thing called life about? How beautiful and amazing can life really be? How radiant can you feel? How can you influence people around you in an incredible way? How wonderful would it be to experience life at its fullest and most abundant? Most people look for a better life, yet very few find it. A great life awaits you, and the secret is simple: be open-minded. Imagine mastering that which is of utmost importance to you; having the thoughts, feelings, and qualities you need to have to create the life you want to live; and creating a more fulfilling life with an open mind and heart. When you start applying the content and ideas in this guide, youll be able to learn faster than you ever imagined, take on new ideas, and steer your life in a new direction.

Her world has always been dark, but he might be able to change everything. Fiercely independent Helen Winters was born completely blind, but she vowed never to let her disability keep her down. She did not expect a traumatic event to devastate her life and force her to drop out of college. Disillusioned by the cruelty of people, Helen retreated from society to live by herself as a reclusive writer in the woods--where no one could ever hurt her again. When a brilliant young doctor shows up on her doorstep, promising her that his new research can give her the ability to see for the first time, Helen stubbornly refuses. She has learned not to trust anyone, and to rely only on herself. But Dr. Liam Larson will not take no for an answer. He makes it his personal mission to rescue Helen from her loneliness, and bring joy into her world once more--the joy she has denied herself for so long. When Helen's demons come racing back into her life, threatening to rip her apart and destroy the strength she has carefully rebuilt, Liam is the only one who might be able to save her. Can he reach the broken girl in time, helping her to heal and see the world in a different light? Or will Helen's grief send her spiraling out of control, lost to him forever? PLEASE NOTE: This is the first book of a three-part romantic suspense series. Free, freebie, new adult series.

From Clutter to Clarity

LEARN TO CLEAR YOUR MIND AND THINK LIKE A WINNER We all have so much going on. A million different projects, to-do lists longer than your arm. We all worry about things - money, deadlines. With all

this buzzing around in our heads it's often a nightmare trying to concentrate on one thing. What if someone could show you how to empty your mind of all the noise? If you could be shown how to de-clutter your mind and concentrate on one important thing? Well Jamie Smart, state-of-mind specialist, can do just that - with Clarity he will show you how to get real clarity of thought. You'll learn how to clear your mind and become less stressed and more productive - and as a result, more confident in your abilities. Clarity will help you to:

- Greatly improve your concentration and ability to think clearly
- Reduce stress levels and increase productivity
- Grow your confidence and self-belief
- Find innovative solutions to problems and make progress on goals and dreams
- Trust your intuition and improve your decision-making
- Build stronger relationships through better communication

Praise for Clarity: "Thought-provoking, entertaining, and potentially life changing - highly recommended!" Michael Neill, Radio Show Host and Author of *The Inside-Out Revolution*: The only thing you need to know to change your life forever "A powerful, positive book that can help you to achieve more than you ever thought possible, in every area." Brian Tracy, Author of *Goals and Eat That Frog* "I highly recommend this book to anyone trying to deal with life stressors and find true wisdom and well-being." Mark Howard, Ph.D., Clinical Psychologist, ThreePrinciplesInstitute.org "Take your time reading this profound book. Jamie Smart is about to blow apart every circumstantial excuse you ever came up with. He's about to put the steering wheel back in your hands." Garret Kramer, Founder of Inner Sports and Author of *Stillpower* "The insights you'll get whilst

reading Clarity will resonant in how you manage day to day but, more importantly, provide a framework for refreshing your priorities, goals and drive.” Peter Lake, Group Business Development Director, JS Group “The world of leadership, sales and customer engagement has changed radically over the past ten years. People are more savvy, better informed and sick of the same old story. Jamie Smart cuts through the noise of the marketplace and shows you what really works. Profound, practical and instantly applicable; Clarity is essential reading if you want to make your mark in the 21st century.” Paul Charmatz, Former Managing Director, Camelot “Jamie, you really hit the bullseye with this brilliant book; it’s a must-read for everyone who wants clarity of mind.” Joe Stumpf, Founder of By Referral Only and Author of Willing Warrior “Jamie Smart takes an outdated paradigm of success and turns it on its head. Pull up a chair, get a copy of Clarity and discover how you can experience an exponential increase in clarity and quality of life.” Rich Litvin, co-author of The Prosperous Coach and Founder of The Confident Woman’s Salon “Jamie Smart is brilliant! In his book Clarity, he has unlocked an insight into the real-life matrix. Be ready to have your world turned inside-out because, as Jamie so effortlessly demonstrates, this is how it works.” Richard Enion, Dragon’s Den Winner, BassToneSlap.com and R

Clarity of Central Bank Communication About Inflation

Images of diamonds appear everywhere in American

culture. And everyone who has a diamond has a story to tell about it. Our stories about diamonds not only reveal what we do with these tiny stones, but also suggest how we create value, meaning, and identity through our interactions with material culture in general. Things become meaningful through our interactions with them, but how do people go about making meaning? What can we learn from an ethnography about the production of identity, creation of kinship, and use of diamonds in understanding selves and social relationships? By what means do people positioned within a globalized political-economy and a compelling universe of advertising interact locally with these tiny polished rocks? This book draws on 12 months of fieldwork with diamond consumers in New York City as well as an analysis of the iconic De Beers campaign that promised romance, status, and glamour to anyone who bought a diamond to show that this thematic pool is just one resource among many that diamond owners draw upon to engage with their own stones. The volume highlights the important roles that memory, context, and circumstance also play in shaping how people interpret and then use objects in making personal worlds. It shows that besides operating as subjects in an ad-burdened universe, consumers are highly creative, idiosyncratic, and theatrical agents.

Clarity Is Divine

Midlife Clarity

This inspiring and prescriptive book leads us from the emotional chaos of the reactive mind to the clarity of the responsive mind. As Founder of the Life Balance Institute, Phillip Moffitt has observed that most people lack clarity about their life's direction and the ability to cope with its inevitable challenges. Now, in *Emotional Chaos to Clarity*, he provides the antidote by showing us the path of skillful living. Grounded in Western psychology and Buddhist philosophy, each chapter introduces a mind state that prevents us from living skillfully, narrates stories from Moffitt's hundreds of students and clients, and provides step-by-step exercises for readers to find clarity in their own lives. Among the many benefits of skillful living are being able to gain wisdom from both pleasant and unpleasant experiences and having an inner life which can flourish, even if our outer life is filled with difficulty.

Clarity

For fans of *Black Mirror* and *True Detective*, a visceral, high-concept thriller about a psychologist who must protect the life of an eleven-year-old girl whose ability to remember past lives makes them both targets of a ruthless assassin. Dr. Matilda Deacon is a psychologist researching how memories are made and stored when she meets a strange eleven-year-old girl named Ashanique. The girl claims to harbor the memories of the last soldier killed in World War I and Matilda is skeptical. But when Ashanique starts talking about being chased by the Night Doctors—a term also used by an unstable patient who was later found

dead—Matilda can't deny that the girl might be telling the truth. Matilda soon learns that Ashanique and her mother have been on the run their whole lives from a monstrous assassin named Rade. Rade is seeking a certain component ingrained solely in memories, and has left a bloody trail throughout the world. Matilda realizes that Ashanique is in unimaginable danger and that her unique ability comes with a deadly price. "A taut, riveting thriller, a perfect balance of scientific speculation and storytelling" (James Rollins, New York Times bestselling author), *The Clarity* is a compelling take on the possibilities of reincarnation and life after death.

Moments of Clarity

Eager for his first encounter with North American audiences, the Dalai Lama's enthusiasm for his subject shines through in these presentations. Pithy, essential points are presented in a direct, engaging manner. Often held in smaller venues, these presentations remain some of the most memorable ever given by the Dalai Lama. They are considered so valuable that they've been retranslated back into Tibetan for Tibetan audiences.

Clarity

Veterans Benefits Administration clarity of letters to claimants needs to be improved.

Imagine what you could achieve if you could only clear your mind. The Little Book of Clarity shows you how to clear your head and get things done. Based on bestselling book, Clarity, this new edition has been distilled to the essentials, getting right to the point. With no vague theory or superfluous anecdotes, this book gets you right to work reducing stress and boosting productivity by uncovering your mind's in-built "self-clearing" capacity. As you begin to understand the concept of innate thinking, the benefits will start emerging in every corner of your life. As you think less, you'll win more — at work, at home, and at the game of life as a whole. You'll rid your mind of clutter for good as you focus on what matters, and finally free up the time you need to pursue your dreams. Life's constant bombardment of "to-do" and "urgent" pushes your own priorities clear off the radar. Before you know it, you're always busy, but not getting very much accomplished. Personal goals fall by the wayside as you struggle just to keep up with day-to-day life. This book shows you how to cut the noise and clear the fog, and start working on what matters to you. Harness the power of insight and principles Discover your true identity and innate wisdom Build better relationships and stronger connections Discard toxic goals and pursue authentic desires Clarity is the mind's natural state, a state to which it will always return if given the chance. Although it's evident in children, most adults have had this ability conditioned out of them by our "go-go-go" society, leaving them mentally muddy, stressed, and ineffectual. The Little Book of Clarity helps you erase that conditioning and gain the peace of mind to live a life you love — permanently.

Clarity

Clarity Miller always thought of her life as semi-normal. She had friends that would do anything for her, a boyfriend that was madly in love with her, and a roof over her head that she shared with her aunt. Everything seemed to be falling into place. That is, until the day she met Sam. When Sam informs her that he's her guardian angel and that she has been given the gifts of a Seer, her life starts spiraling out of control. She wants nothing to do with the spiritual realm. All she wants is to have a normal life as a teenager, but when a tragedy occurs that causes the whole town of Garlandton to fall to its knees she realizes that she has a very important decision to make. Should she embrace the life of a Seer? Only time will tell . . .

The Clarity Principle

Exploring the intricate and multi-dimensional conception of clarity and obscurity in law, this volume presents and examines the most recent research and theories. It provides practical guidance on how to avoid obscurity in legal drafting, as well as legal interpretation at both the national and international levels.

Clarity Quest

A collection of transformational teachings by the late author of Quantum Light Breath who developed the Clarity Process blending Eastern and Western belief

systems outlines a five-step process for trusting the self, forging healthier relationships, and overcoming fear. Original.

Emotional Chaos to Clarity

Her world has always been dark, but he might be able to change everything Fiercely independent Helen Winters was born completely blind, but she vowed never to let her disability keep her down. She did not expect a traumatic event to devastate her life and force her to drop out of college. Disillusioned by the cruelty of people, Helen retreated from society to live by herself as a reclusive writer in the woods--where no one could ever hurt her again. Courageous Clarity

We study whether clarity of central bank inflation reports affects return volatility in financial markets. We measure clarity of reports by the Czech National Bank, the European Central Bank, the Bank of England, and Sveriges Riksbank using the Flesch-Kincaid grade level, a standard readability measure. We find some evidence, mainly for the euro area, of a negative relationship between clarity and market volatility prior to and during the early stage of the global financial crisis. As the crisis unfolded, there is no longer robust evidence of a negative connection. We conclude that reducing noise using clear reports is possible but not without challenges, especially in times of crisis.

Perfect Clarity

Clarity 4

"People in all stages of life can be adrift, overcommitted, distracted, or just plain stuck which can keep them from reaching their full potential. Steve Cesari understands that developing CLARITY, then making proper adjustments is the first step towards leading a happier and healthier life. In his new book Cesari draws on his own personal and professional experiences to help others realize their full potential by empowering, encouraging, and developing a clear vision to achieve desired results. Each chapter is like illuminating a light bulb within the

reader allowing them to see and think clearly, in turn igniting their motivation, to take action. Take control and improve your life. In this inspiring and motivating page-turner, Steve Cesari will encourage you to evaluate your life through action items and exercises, enabling you to gain a better understanding of things in your life that might not be working, and develop the CLARITY you need to make appropriate personal and professional changes."--

Clarity

This interdisciplinary collection with contributions in English and French explores how the various disciplines of law and linguistics appreciate and work towards improving the nature of clarity and obscurity in legal language. For the first time, it brings together legal academics and practitioners, jurilinguists and linguists from the common law and civil law with the specific aim to understand the complex nature, practice and tools of clarity and obscurity in legal drafting. Topics addressed include how the Clarity framework has been put into practice through the use of plainer language, better comprehensibility, readability and access to legal or administrative texts. In an attempt to reflect the more recent development of the Clarity-Obscurity debate, the editors have also focused on the use of specific instruments to respond to the problems raised by obscurity to improve clarity. Cette collection interdisciplinaire offrant des contributions en anglais et en français, explore comment les diverses disciplines du droit et de la linguistique appréhendent et visent à perfectionner la

nature de la clarté et de l'opacité du discours juridique. Cet ouvrage rassemblant pour la première fois, des universitaires et professionnels du droit, des jurilinguistes et linguistes de la common law and et du droit civil, propose de découvrir la nature complexe, les pratiques et outils de la clarté et de l'opacité utilisés en rédaction juridique. Les questions abordées examinent la mise en pratique de la clarté juridique au travers de l'utilisation de la langue courante, une meilleure lisibilité, compréhensibilité et accès aux textes juridiques et administratifs. Dans le but de refléter l'actualité du débat Clarté-Opacité du discours juridique, les éditrices se sont également concentrées sur l'utilisation des outils et méthodes les plus récents et utilisés pour résoudre les difficultés soulevées par l'opacité des langues du droit et ainsi améliorer la transparence du discours juridique.

Legal Language and the Search for Clarity

Does the Clarity of Inflation Reports Affect Volatility in Financial Markets?

Dynamic factors are constantly measured and identified as contributing to business success. While energy swirls around both traditional and new measures of success, there is one stronghold that is consistently underrated - CLARITY. Clarity is an accelerating business tool, and when missed, often

results in a loss of time, money, and effort. The process of clarity is being shared for the first time outside the Deutser client population. It provides an amazing blueprint for creating clarity and has been shown to improve performance, profitability, and ultimately, the viability of the company. When clarity is actively pursued it gives everybody a place to unite, creating employees who are better performing, more engaged and happier and increasingly committed. Clarity is what brings the other pieces together and provides the glue that helps individuals and organizations both survive and thrive.

Clarity, Cut, and Culture

The secret to clarity (spiritual, emotional, physical, and financial) is about more than clearing out closets, drawers, and boxes of receipts. From Clutter to Clarity will help you clean house—inside and out. Questions for personal reflection or group discussion included.

Getting Clarity

When Maegan's husband is mysteriously murdered, she and his brother Jack swore to track down the one responsible. But when a mysterious vision hits Maegan and drops a hint that could give them what they want, both Maegan and Jack have to be wary of who they trust. Especially when the murderer is not keen on letting them off alive

Copyright Clarity

Perdita's still dealing with the consequences of her actions when her enemies change their targets with no warning, but it's the unexpected betrayal of those closest to her that hurts the most. When her world shifts beneath her, Perdy has to figure out how to stay standing without losing any more of herself to the werewolves. Nathan's watching everyone pull away from him, but he can't control his destiny. He's trying to protect his loved ones, but something always seems to get in the way. A public attack has everyone talking about wolves, and all eyes are on his family. His grandfather has lost his mind, and Nathan's caught in the crossfire, but all of his choices will cost him a sacrifice. One way or another. Nobody's watching Amelia... Big mistake. Obscurity and Clarity in the Law

Clarity Is Divine is a true story of survival and the resurrection of hope after a damaged emotional past collides with an indecent proposal. Too often, progress comes to a screeching halt when life doesn't go as planned. How do we recover when life events are beyond our control and one phone call creates a gulf between two worlds, before and after? Upon the realization that life would never be the same, Kelsi journeyed through the pitfalls of grief, bewilderment, and depression to a place of resurrected faith, hope, and love. Herein is the story of a young woman's journey through emotional trauma, layered betrayals, and her discovery of the grace that strengthened her

to clasp her empty hands together and ask God to reveal the purpose behind the pain and the lessons to be learned as He was returned to His rightful position on the throne of her heart. On this journey, she learned that no matter how bad it felt, how wounded it left her, or how much time she had lost, she still had a date with destiny to look forward to. In her story, find the insight, courage, and faith to be healed and restored to a divine sense of clarity.

The Clarity Series: Community-Based Learning

Gasping for air inside an ice-filled tub. Convulsing from an electric shock to the brain. Struggling against restraints that bind and gag just another day at Agnews, The Great Asylum for the Insane. But for Evelyn, the night is so much worse. Demons-wearing white coats and crisp white prowled the halls, searching for a patient who would serve as their evening's entertainment. And from the moment I'd arrived, I seemed to be their favorite play toy. A young woman committed to the asylum during the late 19th century, Evelyn knows she isn't insane, that the creatures she sees and suffers at the clawed hands of aren't hallucinations. Yet she's all alone but for their unholy company and the doctors trying to vanquish these. All alone but for the others who can see what Evelyn sees, too. And they're coming for her. In this short-story prequel to Patricia Leever's Divinity, we meet Evelyn Brighton before the tattoos-before a century of training and supernatural combat makes her an official bad-ass. Both eerie and endearing,

Clarity transports us back to Evelyn's origins, revealing the crucial turning point that delivers her from misunderstood maiden to deadly demon hunter.

Kindness, Clarity, and Insight

This jargon-free guide clarifies principles for applying copyright law to 21st-century education, discusses what is permissible in the classroom, and explores the fair use of digital materials.

Clarity

Who is the more spiritual person, the woman on a Sunday morning excursion for coffee and a newspaper who swerves to avoid hitting a dog or the man who hits the dog in his haste to get to church on time? Who knows? My point is that going to church has absolutely nothing to do with being a good person. Questions about religion have always troubled me. I decided to find some answers. This book contains my discoveries. Spiritual Clarity is easy to understand and does not attempt to influence its readers. Writing it has empowered me and led me to a conclusion that I feel good about.
