### Contesting the Renaissance

The magickal methods and esoteric knowledge of medieval Europe (476 to 1453 C.E.) form the ancestral backbone of modern ceremonial magick. To understand medieval magick, it's necessary to know the primary repositories of this knowledge - the grimoires of spells, incantations, and ritual instructions for working with angels and conjuring spirits. And to understand the grimoires, you must delve into the life and times of the magicians who wrote them. Scholar and magician Aaron Leitch sheds light upon the greatly misunderstood subject of the medieval mage in this comprehensive reference manual. In addition, he provides valuable comparisons among the magical practices described in the grimoires and various shamanic methods of working with the spirit world.

### Conversations with Angels

The spirits of Harriet Tubman, John Brown, and other heroes of the Underground Railroad guide readers on a magical path to healing, empowerment, and liberation. The historical role that magic and soothsaying played in the Underground Railroad has long been ignored out of fear it might diminish the legacy of Harriet Tubman and other heroes of that time. However, Harriet Tubman was a Conjure woman who relied on her dreams and visionary experiences to lead her followers to freedom. Revered as "Mama Moses," she, along with John Brown, Mary Ellen Pleasant, and others have been venerated since their deaths. They now have emerged in the 21st century as the pantheon of a new and increasingly popular African-Diaspora tradition. Written by Witchdoctor Utu, founder of the Niagara Voodoo Shrine, this is the first book devoted to the spiritual and magical tradition of the Underground Railroad. In it, the author conjures the spirits of the Underground Railroad, their continued connection to each other, and their "tracks" still leading to freedom from obstacles, bondage, and trouble and tribulations of all kinds. It is a spiritual tradition that is broadly accessible and inclusive, much like

## Access Free Conjuring Spirits Texts And Traditions Of Medieval Ritual Magic

the historical Underground Railroad itself, whose participants were black, white, and Native American, male and female, Christians, Jews, Quakers, animists, secret devotees of forbidden African religions, and free thinkers of all kinds. This revelatory book teaches readers how to invoke the blessings of Mama Moses and her followers, access their healing inspiration and magic powers, and seek their own path to freedom.

### **The Sixth and Seventh Books of Moses**

The essays in this Handbook, written by leading scholars working in the rapidly developing field of witchcraft studies, explore the historical literature regarding witch beliefs and witch trials in Europe and colonial America between the early fifteenth and early eighteenth centuries. During these years witches were thought to be evil people who used magical power to inflict physical harm or misfortune on their neighbours. Witches were also believed to have made pacts with the devil and sometimes to have worshipped him at nocturnal assemblies known as sabbaths. These beliefs provided the basis for defining witchcraft as a secular and ecclesiastical crime and prosecuting tens of thousands of women and men for this offence. The trials resulted in as many as fifty thousand executions. These essays study the rise and fall of witchcraft prosecutions in the various kingdoms and territories of Europe and in English, Spanish, and Portuguese colonies in the Americas. They also relate these prosecutions to the Catholic and Protestant reformations, the introduction of new forms of criminal procedure, medical and scientific thought, the process of state-building, profound social and economic change, early modern patterns of gender relations, and the wave of demonic possessions that occurred in Europe at the same time. The essays survey the current state of knowledge in the field, explore the academic controversies that have arisen regarding witch beliefs and witch trials, propose new ways of studying the subject, and identify areas for future research.

### **Seeing the Word**

"A collection of essays examining medieval and early modern texts aimed at performing magic or receiving illumination via the mediation of angels. Includes discussion of Jewish, Christian and Muslim texts"--Provided by publisher.

### **Rewriting Magic**

This volume presents students and scholars with a comprehensive overview of the fascinating world of the occult. It explores the history of Western occultism, from ancient and medieval sources via the Renaissance, right up to the nineteenth and twentieth centuries and contemporary occultism. Written by a distinguished team of contributors, the essays consider key figures, beliefs and practices as well as popular culture.

### **Conjuring Spirits**

THE BOOK OF TREASURE SPIRITS Conjurations of Goetic spirits, old gods, demons and fairies are all part of a rich heritage of the magical search for treasure trove.

## Access Free Conjuring Spirits Texts And Traditions Of Medieval Ritual Magic

During the Middle Ages and Renaissance the British Monarchy gave out licenses to people seeking treasure in an effort to control such practices, and this is one reason why so many grimoires are full of conjurations and charms to help the magician find treasure. Published here for the first time, from a long-ignored mid-seventeenth century manuscript in the British Library (Sloane MS 3824), is the conjuration said to have been performed at the request of King Edward IV, with other rites to reveal treasure, to have treasure brought from the sea, and to cause thieves to bring back stolen goods. Conjurations to call any type of spirit are also included, recorded by the noted alchemist and collector Elias Ashmole, as is an extract on conjuration practices from the Heptameron, transcribed into English for practical use by a working group of magicians, before its first English publication by Robert Turner in 1655. These conjurations demonstrate the influence of earlier classic grimoires and sources, with components drawn from the Goetia, the Heptameron, and Reginald Scot's Discoverie of Witchcraft. The material includes spirit contracts for Agares, Padiel and Vassago, as well as techniques like lead plates for binding, and summoning into a glass of water, which hark back to the defixiones of Hellenistic Greece and the demonic magic of the Biblical world. This material forms part of a corpus of conjurations all written in the same hand and style of evocation, linking Goetic spirits and treasure spirits with the archangels and planetary intelligences (in Sloane MS 3825), and demon kings and Enochian hierarchies (in Sloane MS 3821), making it a unique bridge of style and content between what are often falsely seen as diverse threads of Renaissance magic. About the Author David Rankine is an occult scholar and author of more than 20 books on the subject of magic, the western esoteric traditions, folklore and mythology. Since the 1970's he has been researching and exploring magical and spiritual practices throughout history; a journey which has taken him from ancient Sumeria, Babylonia and Egypt through Greece, Rome and Britain through the middle ages and renaissance and the modern Western Mystery Traditions. With Stephen Skinner he has produced works such as The Veritable Key of Solomon and the Goetia of Dr Rudd, both highly regarded groundbreaking works which make available previously unpublished source materials for the first time.

### **The Modern Witchcraft Grimoire**

Sorcery, defined here as the art of conjuring spirits, is one of the traditional, core disciplines of magickal practice. The author cuts through the Gordian knot of complexity and obfuscation to present a much more direct approach to evoking Goetic and Enochian spirits.

### **Spirit Conjuring for Witches**

In this book, William Caferro asks if the Renaissance was really a period of progress, reason, the emergence of the individual, and the beginning of modernity. An influential investigation into the nature of the European Renaissance Summarizes scholarly debates about the nature of the Renaissance Engages with specific controversies concerning gender identity, economics, the emergence of the modern state, and reason and faith Takes a balanced approach to the many different problems and perspectives that characterize Renaissance studies

## **The Occult World**

Conjure, also known as Hoodoo or Rootwork, is an old, powerful, and increasingly popular system of North American folk magic. Conjure's roots derive primarily from West and Central African spiritual traditions, but it has also been influenced by Christianity, Jewish mysticism, and Native American practices. Hoodoo Sen Moise has been studying this tradition and working with Conjure for over 35 years. Here in *Working Conjure*, he explores Conjure's history, principles, fundamentals, and ethics, while simultaneously providing a practical how-to guide to actually "working" Conjure and making Conjure work for you. This book: Explores the primary materials of Conjure Features spells, rituals, and workings for various purposes Guides readers to learn how to bring this profound school of magic to life

## **Conjuring Spirits**

The Jews of the former Soviet Union have always been the subject of intense controversy. In the past 25 years, however, they have become more puzzling. How many of them are there? How strongly so they identify themselves as Jews? How do they perceive antisemitism in their countries? Will they leave, where will they go? These are among the questions that have enlivened the discussions of Jews in republics known as the Commonwealth of Independent States. They have sparked debate because they have deep policy implications for Russia, Israel, the United States, and other countries. They are the questions which this book seeks to examine. Too little fact has informed this debate, and even less theory. Until very recently, surveys of the actual intentions, perceptions, motivations, and fears of Jews in the region were out of the question. This is now beginning to change. Here is the first book based on an on site survey of a representative sample of Jews in the Commonwealth of Independent States (CIS). In addition to providing data in the Jews of Moscow, Kiev, and Minsk- who collectively account for 28% of all Jews residing in the three Slavic republics of the CIS- the author places the survey results in their social and historical context. He explains why ethnic distinctiveness persisted and even became accentuated in the Soviet era and also describes the position of Jews in Soviet and post-Soviet society and some of the dilemmas they face. This book will be crucial reading for anyone interested not only in the general situation of the Jews of the former Soviet Union but also in their perceptions, worldviews, and plans for the future.

## **Medieval Warfare**

Hoodoo is an eclectic blend of African traditions, Native American herbalism, Judeo-Christian ritual, and magical healing. Tracing Hoodoo's magical roots back to West Africa, Stephanie Rose Bird provides a fascinating history of this nature-based healing tradition and gives practical advice for applying Hoodoo magic to everyday life.

## **Magical Manuscripts in Early Modern Europe**

"Explores two principal genres of illicit learned magic in late Medieval manuscripts: image magic, which could be interpreted and justified in scholastic terms, and

## Access Free Conjuring Spirits Texts And Traditions Of Medieval Ritual Magic

ritual magic, which could not"--Provided by publisher.

Table of contents

### **Textures of Renaissance Knowledge**

"Chireau has written a marvelous text on an important dimension of African American religious culture. Expanding beyond the usual focus of scholarship on Christianity, she describes and analyzes the world of magical-medical-religious practice, challenging hallowed distinctions among "religion" and "magic." Anyone interested in African American religion will need to reckon seriously with Chireau's text on conjure."—Albert J. Raboteau, Princeton University "Deprived of their own traditions and defined as chattel, enslaved Africans formed a new orientation in America. Conjuring—operating alongside of and within both the remnants of African culture and the acquired traditions of North America—served as a theoretical and practical mode of deciphering and divining within this, enabling them to create an alternate meaning of life in the New World. Chireau's is the first full-scale treatment of this important dimension of African American culture and religion. A wonderful book!"—Charles H. Long, Professor of History of Religions University of California, Santa Barbara and author of Significations: Signs, Symbols and Images in the Interpretation of Religion

### **The Candle and the Crossroads**

Conjuring Spirits contains both general surveys and analyses of magical texts and manuscripts by distinguished scholars in a variety of disciplines. Included are chapters by Richard Kieckhefer and Robert Mathiesen on the Sworn Book of Honorius, Michael Camille on the Ars Notoria, John B. Friedman on the Secretum Philosophorum, Nicholas Watson on the McMaster text, and Elizabeth Wade on Lullian divination. The work also includes Juris Lidaka's edition of the Liber de Angelis, and an overview of late medieval English ritual manuscripts by Frank Klaassen. This book will be invaluable for scholars and other readers interested in ritual magic in the later Middle Ages.

### **The Oxford Handbook of Witchcraft in Early Modern Europe and Colonial America**

Discover the Ways of the Spirits And Master the Art of Command and Influence  
Profound spiritual insights and powers await beyond the material world. In The Witch's Book of Spirits, Devin Hunter invites you to perform rituals and magic with spirit guides, familiars, angels, the deceased, faeries, and demons. Develop and enhance your relationships to your allies in spirit through soul flight, mediumship, and conjuration. Explore the inner workings of the Witch's Tree as well as the planes and peoples who dwell in its many layers. Expand the scope of your magic with the 33 Spirits, a system transmitted to the author by a special priesthood of spirits, his familiar, Malach, and the goddess Hecate. Working with spirits is the cornerstone of the witch's art. This book shows you how to stay in control as you

## Access Free Conjuring Spirits Texts And Traditions Of Medieval Ritual Magic

increase your witch power and deepen your connection to forces seen and unseen. Praise: "Devin covers in depth an elusive side of witchcraft that few have explored in great practical detail. Devin presents the material in a very grounded, no-nonsense approach paired with an inherent sense of responsibility. His understanding of mediumship, conjuring, flying, and working with the spirit world displays the truth that he not only talks the talk, but also walks the walk."—Laura Tempest Zakroff, author of *Sigil Witchery* "The Witch's Book of Spirits is the most complete book on working with the dead ever written for Witches, but it's more than a manual for communicating with souls of the departed. It's also a guide to the worlds which generally lay just outside of our grasp and a thorough look at the beings that live there. I'd also like to add that it's just a damn fine book about witchcraft, filled with advice and some much-needed common sense."—Jason Mankey, author of *The Witch's Book of Shadows* "Teaching an art requires a delicate brew of guidance, cautions, and encouragement; Devin Hunter's book hits the right recipe. The Witch's Book of Spirits is a book that captures the author's personal vision and process while providing systems and frameworks that can serve the reader in developing their own way with the spirits."—Ivo Dominguez, Jr., author of *Practical Astrology for Witches and Pagans* "In this book Devin gives not just the rituals necessary to conjure and communicate with spirits, but the tools for building life with them. He uses a method of teaching that alternates between supplying theory and principals that can be applied by almost anyone, with very specific rituals that he has received from the spirits himself. The result is a text that you will return to over and over again whether you are working his rites or developing your own."—Jason Miller, author of *The Sorcerer's Secrets*

### **Noise and Spirit**

### **Sticks, Stones, Roots & Bones**

A practical guide to the ancient magical tradition of Russian sorcery and Eastern Slavic magical rites • Offers step-by-step instructions for more than 300 spells, incantations, charms, amulets, and practical rituals for love, career success, protection, healing, divination, communicating with spirits and ancestors, and other challenges and situations • Reveals specific places of magical power in the natural world as well as the profound power of graveyards and churches for casting spells • Explores the folk history of this ancient magical tradition, including how the pagan gods gained new life as Eastern Orthodox saints, and shares folktales of magical beings, including sorceresses shapeshifting into animals and household objects Passed down through generations, the Slavic practice of magic, witchcraft, and sorcery is still alive and well in Russia, the Ukraine, and Belarus, as well as the Balkans and the Baltic states. There are still witches who whisper upon tied knots to curse or heal, sorceresses who shapeshift into animals or household objects, magicians who cast spells for love or good fortune, and common folk who seek their aid for daily problems big and small. Sharing the extensive knowledge she inherited from her mother and grandmother, including spells of the "Old Believers" previously unknown to outsiders, Natasha Helvin explores in detail the folk history and practice of Russian sorcery and Eastern Slavic magical rites, offering a rich compendium of more than 300 spells, incantations, charms, and practical rituals for love, relationships, career success, protection, healing, divination, averting the

## Access Free Conjuring Spirits Texts And Traditions Of Medieval Ritual Magic

evil eye, communicating with spirits and ancestors, and a host of other life challenges and daily situations, with complete step-by-step instructions to ensure your magical goals are realized. She explains how this tradition has only a thin Christian veneer over its pagan origins and how the Slavic pagan gods and goddesses acquired new lives as the saints of the Eastern Orthodox Church. She details how the magical energy for these spells and rituals is drawn from the forces of nature, revealing specific places of power in the natural world as well as the profound power of graveyards and churches for casting spells. She explores the creation of amulets and talismans, the importance of icons, and the proper recital of magical language and actions during spells, as well as how one becomes a witch or sorceress. Offering a close examination of these two-thousand-year-old occult practices, Helvin also includes Slavic folk advice, adapted for the modern era. Revealing what it means to be a Slavic witch or sorceress, and how this vocation pervades all aspects of life, she shows that each of us has magic within that we can use to take control of our own destiny.

### **Alchemical Belief**

### **Conjuring Spirits**

Discover the Power of the Grimoire! A grimoire records your personal journey through the world of magick. It's where you record your favorite spells, chronicle your magical developments, and keep your most treasured secrets. And now, Skye Alexander, spellcraft expert and author of *The Modern Guide to Witchcraft*, teaches you how to create your own. First, you'll learn the importance and history of the witch's grimoire. Then, you'll go step by step through the process of putting together your very own book. From selecting spells to blessing your grimoire, you will be able to personalize your book of shadows and tailor it to your specific powers. With your own grimoire in hand, you'll be ready to continue your journey in learning the craft.

### **Unlocked Books**

"Although the Devil still 'lives' in modern popular culture, for the past 250 years he has become marginal to the dominant concerns of Western intellectual thought. That life could not be thought or imagined without him, that he was a part of the everyday, continually present in nature and history, and active at the depths of our selves, has been all but forgotten. It is the aim of this work to bring modern readers to a deeper appreciation of how, from the early centuries of the Christian

## Access Free Conjuring Spirits Texts And Traditions Of Medieval Ritual Magic

period through to the recent beginnings of the modern world, the human story could not be told and human life could not be lived apart from the 'life' of the Devil. With that comes the deeper recognition that, for the better part of the last two thousand years, the battle between good and evil in the hearts and minds of men and women was but the reflection of a cosmic battle between God and Satan, the divine and the diabolic, that was at the heart of history itself."—from *The Devil* Lucifer, Mephistopheles, Beelzebub; Ha-Satan or the Adversary; Iblis or Shaitan: no matter what name he travels under, the Devil has throughout the ages and across civilizations been a compelling and charismatic presence. In Christianity, Judaism, and Islam, the supposed reign of God has long been challenged by the fiery malice of his opponent, as contending forces of good and evil have between them weighed human souls in the balance. In *The Devil*, Philip C. Almond explores the figure of evil incarnate from the first centuries of the Christian era. Along the way, he describes the rise of demonology as an intellectual and theological pursuit, the persecution as witches of women believed to consort with the Devil and his minions, and the decline in the belief in Hell and in angels and demons as corporeal beings as a result of the Enlightenment. Almond shows that the Prince of Darkness remains an irresistible subject in history, religion, art, literature, and culture. Almond brilliantly locates the "life" of the Devil within the broader Christian story of which it is inextricably a part; the "demonic paradox" of the Devil as both God's enforcer and his enemy is at the heart of Christianity. Woven throughout the account of the Christian history of the Devil is another complex and complicated history: that of the idea of the Devil in Western thought. Sorcery, witchcraft, possession, even melancholy, have all been laid at the Devil's doorstep. Until the Enlightenment enforced a "disenchantment" with the old archetypes, even rational figures such as Thomas Aquinas were obsessed with the nature of the Devil and the specific characteristics of the orders of demons and angels. It was a significant moment both in the history of demonology and in theology when Benedict de Spinoza (1632-1677) denied the Devil's existence; almost four hundred years later, popular fascination with the idea of the Devil has not yet dimmed.

### **The Devil**

### **Slavic Witchcraft**

The chief focus of interest of this book lies in the Faustian rituals and the conclusions they have suggested: the relationship between ritual and legend, the burning 'hen or egg' question of priority. Contents: Part 1) Pre-Christian rites and ceremonies: some ancient magical texts, poetical records of magic, Jewish elements in magic; Part 2) Medieval and modern rites and ceremonies: Solomonic cycle, disciples of 'Solomon, ' Faustian school, Faustian adepts, the Art in England, exponents of the Art; Myth of Satanism; Bibliography. Illustrated.

### **Conjuring Spirits: Texts and Traditions of Medieval Ritual Magic**

The greatest Witches of folklore practiced their craft by conjuring spirits and employing a familiar spirit. Now, centuries later, these arts—supposedly the

## Access Free Conjuring Spirits Texts And Traditions Of Medieval Ritual Magic

domain of ceremonial magicians only—can be perfected by modern Witches. In this groundbreaking book, Witch and ritual magician Frater Barrabbas shares a system of Witchcraft-based magic developed for safely performing invocations and evocations, handling fallen spirits and Goetic demons, traveling in the spirit world, creating a spirit pact, and constructing your own rituals for spirit conjuring. To help you get to know the full breadth of the spirit world, *Spirit Conjuring for Witches* includes a unique list of spirits as well as techniques for working with sigils and recommendations for classical grimoires. Exploring history, folktales, and personal experiences, this book shows how to magically develop relationships with spirits and ultimately master both the spirit and material worlds. Praise: "A clear and distinct body of tools and rituals for working with a broad range of spirits. If you are a witch looking for a more formal approach to this field, this may be the book for you."—Ivo Dominguez Jr., author of *Spirit Speaks* and *Practical Astrology for Witches and Pagans* "Frater Barrabbas has made a valuable contribution to the practice of modern witchcraft. This is a very thorough and carefully developed invitation to revive the practice of magical evocation that historically played so central a role in witchcraft and magic."—Jim Baker, author of *The Cunning Man's Handbook* "Frater Barrabbas shows how modern Witches can also reclaim their ability to conjure spirits in the age-old tradition of evoking beings of the Otherworld to attain knowledge or obtain practical results in this world. With the current revival in the publication, study and use of the classical grimoires, witches who are drawn to the practice of the magickal evocation of spirits now have a detailed guide to the inner preparations and outer practices necessary to evoke spirits safely and correctly."—Jonathan Nightshade, Gardnerian HP, Traditional Crafter and Sorcerer "I wish that there had a book like *Spirit Conjuring for Witches* back when; it would have saved me any number of missteps along the way. With more than forty years of experience under his cincture, Frater Barabbas speaks with a voice of wisdom, clarity and authority: truly one of the Thirteen Human Treasures of Paganistan."—Steven Posch, Traditional Witch and Host of Radio Paganistan "As Witches we all work with Deity and various spirits; but can you honestly say you communicate with them? This book is a valuable resource for every serious Witch's library. The author has outlined how to truly connect with that spirit realm, which allows us to build a relationship with those we work with."—Lady Adariana, Gardnerian HPS

### **The Notary Art of Solomon**

"Explores the practice of alchemy in the context of the religious and political tensions in late Elizabethan and early Stuart England, and the use of occult knowledge to demonstrate proof of theological doctrines"--Provided by publisher.

### **Invoking Angels**

One of the lengthier grimoires of the medieval period, the *Ars Notoria*, commonly referred to as the *Notary Art of Solomon*, promises the reader a series of orations, prayers, and invocations, which may be used to secure the favor of the Christian god, enhancing the memory, eloquence, and general academic capability of the one performing such rituals. Originally its own text, based on even older sources not yet fully documented, this text is commonly wrapped up into the *Lesser Keys of Solomon* along with such works as the *Ars Goetia*- some editions of the latter

## Access Free Conjuring Spirits Texts And Traditions Of Medieval Ritual Magic

omit this work. Prayers contained herein invoke not just the god of christianity, but Jesus Christ and various angelic powers as well.

### השמד אברח

In *Rewriting Magic*, Claire Fanger explores a fourteenth-century text called *The Flowers of Heavenly Teaching*. Written by a Benedictine monk named John of Morigny, the work all but disappeared from the historical record, and it is only now coming to light again in multiple versions and copies. While John's book largely comprises an extended set of prayers for gaining knowledge, *The Flowers of Heavenly Teaching* is unusual among prayer books of its time because it includes a visionary autobiography with intimate information about the book's inspiration and composition. Through the window of this record, we witness how John reconstructs and reconsecrates a condemned liturgy for knowledge acquisition: the *ars notoria* of Solomon. John's work was the subject of intense criticism and public scandal, and his book was burned as heretical in 1323. The trauma of these experiences left its imprint on the book, but in unexpected and sometimes baffling ways. Fanger decodes this imprint even as she relays the narrative of how she learned to understand it. In engaging prose, she explores the twin processes of knowledge acquisition in John's visionary autobiography and her own work of discovery as she reconstructed the background to his extraordinary book. Fanger's approach to her subject exemplifies innovative historical inquiry, research, and methodology. Part theology, part historical anthropology, part biblio-memoir, *Rewriting Magic* relates a story that will have deep implications for the study of medieval life, monasticism, prayer, magic, and religion.

### **The Witch's Book of Spirits**

Compiled from original manuscripts and fragments in the British Museum Library, Joseph Peterson's new presentation is the most complete and accurate edition of this famous magical grimoire, "The Lesser Key of Solomon the King." He goes to great length to establish the provenance of each part, and possible derivative works, including critical analyses of all major variations, utilizing fresh translations of earlier magical texts such as Johann Trithemius's *Steganographia*, *The Archidoxes of Magic* by Paracelsus, and newly discovered Hebrew manuscripts of the original *Key of Solomon*. Abundantly illustrated, Peterson includes reproductions of the original magical circles, tools, and seals of the spirits with variations of certain drawings from various sources and notae missing from earlier editions. Source list. Appendices. Index.

### **The Lesser Key of Solomon**

This volume presents editions of two fascinating anonymous and untitled manuscripts of magic produced in Elizabethan England: the *Antiphoner Notebook* and the *Boxgrove Manual*. Frank Klaassen uses these texts, which he argues are representative of the overwhelming majority of magical practitioners, to explain how magic changed during this period and why these developments were crucial to the formation of modern magic. The *Boxgrove Manual* is a work of learned ritual magic that synthesizes material from Henry Cornelius Agrippa, the *Fourth Book of*

## Access Free Conjuring Spirits Texts And Traditions Of Medieval Ritual Magic

Occult Philosophy, Heptameron, and various medieval conjuring works. The Antiphoner Notebook concerns the common magic of treasure hunting, healing, and protection, blending medieval conjuring and charm literature with materials drawn from Reginald Scot's famous anti-magic work, Discoverie of Witchcraft. Klaassen painstakingly traces how the scribes who created these two manuscripts adapted and transformed their original sources. In so doing, he demonstrates the varied and subtle ways in which the Renaissance, the Reformation, new currents in science, the birth of printing, and vernacularization changed the practice of magic. Illuminating the processes by which two sixteenth-century English scribes went about making a book of magic, this volume provides insight into the wider intellectual culture surrounding the practice of magic in the early modern period.

### **History in the Comic Mode**

An inspirational guide for holistic family wellness, Sacred Medicine Cupboard presents seasonal insights, practical knowledge, recipes, projects, and journal prompts for a sacred medicine practice—broken down into 36 chapters. Beautifully designed, with an abundance of full-color photographs, this book cultivates skills and tools for readers navigating an increasingly complicated world. Organized by topic of the week, such as Awakening, Blossom, Spicy, Glow, and Rest, Sacred Medicine Cupboard provides a treasury of tools—from medicinal teas and elixirs to sacred practices to creative projects—to nurture and rejuvenate the entire family, along with journaling spaces at the end of each section to write, reflect, and develop a way of life rooted in peace and natural health. Anni Daulter has teamed up with Jessica Booth and Jessica Smithson, who bring a wealth of knowledge and experience to the narrative. They share a commitment to encouraging mothers to practice their own skills, listen to their innate knowing, and explore redefining what health and wellbeing mean for their family. The practical tips and creative ideas presented here put readers back in touch with simple time-tested practices that bring wholeness and wellbeing out of the cupboard. Medicine, they show, can be a well-timed hug, a reassuring hand, or a thoughtfully prepared meal. Echoing the core tenets of the Sacred Living Movement, this book reveals the power and insight we possess when our body, mind, and soul communicate in harmony.

### **Making Magic in Elizabethan England**

In this groundbreaking collection, twenty-one prominent medievalists discuss continuity and change in ideas of personhood and community and argue for the viability of the comic mode in the study and recovery of history. These scholars approach their sources not from a particular ideological viewpoint but with an understanding that all topics, questions, and explanations are viable. They draw on a variety of sources in Latin, Arabic, French, German, Middle English, and more, and employ a range of theories and methodologies, always keeping in mind that environments are inseparable from the making of the people who inhabit them and that these people are in part constituted by and understood in terms of their communities. Essays feature close readings of both familiar and lesser known materials, offering provocative interpretations of John of Rupescissa's alchemy; the relationship between the living and the saintly dead in Bernard of Clairvaux's sermons; the nomenclature of heresy in the early eleventh century; the apocalyptic visions of Robert of Uzès; Machiavelli's *De principatibus*; the role of

## Access Free Conjuring Spirits Texts And Traditions Of Medieval Ritual Magic

"demotic religiosity" in economic development; and the visions of Elizabeth of Schönau. Contributors write as historians of religion, art, literature, culture, and society, approaching their subjects through the particular and the singular rather than through the thematic and the theoretical. Playing with the wild possibilities of the historical fragments at their disposal, the scholars in this collection advance a new and exciting approach to writing medieval history.

### **Ritual Magic**

Warfare in medieval times was never static or predictable - although there were ideals and conventions to follow, in the field commanders had to use their initiative and adapt to the needs of the moment. In this concise, wide-ranging study, Helen Nicholson provides the essential introductory guide to a fascinating subject. *Medieval Warfare* - surveys and summarises current debates and modern research into warfare throughout the whole of the medieval period across Europe - sets medieval warfare theory and practice firmly into context as a continuation and adaptation of practice under the Roman Empire, tracing its change and development across more than a millennium - considers military personnel, buildings and equipment, as well as the practice of warfare by land and sea

### **Black Magic**

### **Working Conjure**

### **Esotericism in African American Religious Experience**

### **Sacred Medicine Cupboard**

This book presents the story of a unique collection of 140 manuscripts of 'learned magic' that was sold for a fantastic sum within the clandestine channels of the German book trade in the early eighteenth century. The book will interpret this collection from two angles - as an artefact of the early modern book market as well as the *longue-durée* tradition of Western learned magic -, thus taking a new stance towards scribal texts that are often regarded as eccentric, peripheral, or marginal. The study is structured by the apparent exceptionality, scarcity, and illegality of the collection, and provides chapters on clandestine activities in European book markets, questions of censorship regimes and efficiency, the use of manuscripts in an age of print, and the history of learned magic in early modern Europe. As the collection has survived till this day in Leipzig University Library, the book provides a critical edition of the 1710 selling catalogue, which includes a brief content analysis of all extant manuscripts. The study will be of interest to scholars and students from a variety of fields, such as early modern book history, the history of magic, cultural history, the sociology of religion, or the study of Western esotericism.

### **History of Conjuring and Magic**

## Access Free Conjuring Spirits Texts And Traditions Of Medieval Ritual Magic

Learn the ways of magic and healing from the living, oral tradition of Appalachian Conjure in *The Candle and the Crossroads*. Orion Foxwood offers a primer on the real magic and techniques of Southern root magic, knowledge he learned first-hand growing up in rural Appalachia. Foxwood explains magical techniques including: Spirit Sight Working by the Signs (the ability to synchronize work such as farming, fertility of humans and animals, orcharding) Conjuring Faith Healing Settling the Light (candle magic) Doctoring the Root (the ability to use herbs, roots, stones, or animal parts—bones, claws, fur, etc. for magic or the clearing, cleansing, and blessing of the spirit of a person, also known as his or her root) Praying or Dreaming True (Blessings of spirit/God to a person, place, or thing as well as prophetic or predictive dreaming) Blessing or Cursing *The Candle and the Crossroads* shows how to create magic in today's world with the old ways and traditions of Appalachia.

### **The Transformations of Magic**

*Esotericism in African American Religious Experience: "There is a Mystery"*, brings together groundbreaking essays that inaugurate Africana Esoteric Studies (AES): a new trans-disciplinary enterprise that investigates esoteric lore and practices in Africa and the African Diaspora.

### **Conjuring Harriet "Mama Moses" Tubman and the Spirits of the Underground Railroad**

Based on refractions of earlier beliefs, modern angels - at once terrible and comforting, frighteningly other and reassuringly beneficent - have acquired a powerful symbolic value. This interdisciplinary study looks at how humans conversed with angels in medieval and early modern Europe, and how they explained and represented these conversations.

### **Secrets of the Magickal Grimoires**

"Presents and analyzes texts of learned magic written in medieval Central Europe (Poland, Bohemia, and Hungary), and attempts to identify their authors, readers, and collectors"--Provided by publisher.
