Strong Silent Type

Michael Eric Dyson took America by storm with this provocative expose of the class and generational divide that is tearing black America apart. Nothing exposed the class and generational divide in black America more starkly than Bill Cosby's now-infamous assault on the black poor when he received an NAACP award in the spring of 2004. The comedian-cum-social critic lamented the lack of parenting,

poor academic performance, sexual promiscuity, and criminal behavior among what he called the “knuckleheads” of the African-American community. Even more surprising than his comments, however, was the fact that his audience laughed and applauded. Best-selling writer, preacher, and scholar Michael Eric Dyson uses the Cosby brouhaha as a window on a growing cultural divide within the African-American community. According to Dyson, the “Afristocracy”—lawyers, physicians, intellectuals, bankers, civil rights leaders, entertainers, and other professionals—looks with disdain upon the black poor who make up the “Ghettocracy”—single mothers on welfare, the married, single, and working poor, the incarcerated, and a battalion of impoverished children. Dyson explains why the black middle class has joined mainstream America to blame the poor for their troubles, rather than tackling the systemic injustices that shape their lives. He exposes the flawed logic of Cosby's diatribe and offers a principled defense of the wrongly maligned black citizens at the bottom of the social totem pole. Displaying the critical prowess that has made him the nation's preeminent spokesman for the hip-hop generation, Dyson challenges us all—black and white—to confront the social problems that the civil rights movement failed to solve.

Sweet Anger

"By day, Larue Donavan is a down-to-earth bookstore owner. But by night, she's a world-renowned psychic investigator dedicated to helping lost spirits find peace.

Dead people won't leave her alone and Abraham Lincoln think she's in charge of her lovelife. Larue can handle ghosts and undead presidents. It's the living that drive her crazy. When Callahan Weiss moves to town, the handsome newcomer opens a coffee shop rights next door. She's smitten from the start, but she's not the only one--the boutique owner across the street has her eye on Callahan too, and uses witchcraft to fight dirty. When Callahan gets hit by a love spell, Larue will need more than a little help from her ghoul-friends to save the day"--Page [4] of cover.

Most of us know bits and pieces of our history but would like to be more sure of how it all fits together. The trick is to find a history that is so absorbing you will want to read it from beginning to end. With this book, Desmond Morton, one of Canada's most noted and highly respected historians, shows how the choices we can make at the dawn of the 21st century have been shaped by history. Morton is keenly aware of the links connecting our present, our past, and our future, and in one compact and engrossing volume he pulls off the remarkable feat of bringing it all together – from the First Nations before the arrival of the Europeans to the failure of the Charlottetown accord and Jean Chretien's third term as prime minister. His acute observations on the Diefenbaker era, the effects of the post-war influx of immigrants, the flag debate, the baby boom, the Trudeau years and the constitutional crisis, the Quebec referendum, and the rise of the Canadian Alliance all provide an invaluable background to understanding the way Canada works today.

Caravaggio

The #1 international bestseller about love, war and betrayal from the author of *The Alchemist's Daughter* In 1854, adventurous Rosa Barr travels to the Crimean battlefield with Florence Nightingale's nursing corps. For Mariella Lingwood, Rosa's cousin, the war is contained within the letters she receives from her fiancé, Henry, a celebrated surgeon who also has volunteered to work in the shadow of the guns. When Henry falls ill, Mariella impulsively takes an epic journey to the ravaged landscape of the Crimea and the tragic city of Sebastopol. What she finds there, as her world begins to crumble, is that she has much to learn about secrecy, faithfulness, and love

Double Play

Happily ever after doesn't always start with "first comes love." Gabriel Maguire thought he'd buried his past until the night he met Holly, only to lose the woman he cared about, again. Holly Jacobs has always put the cart before the horse. A prodigy who shot to stardom in textile design, she never knew a normal life-and there's nothing she longs for more than to be normal. Pregnant before she even knows the name of her baby's father, Holly has put the cart miles ahead of the horse this time. But when she and Gabe meet for the second time, they decide to have their baby together. Holly finally begins to accept her unique way of doing everything backward, but Gabe's very normality drives her up the walls. Then his tragic past rears up; pain and loss threaten to destroy forever the fragile bond that

has blossomed between him and Holly. Sometimes the only way to get where you need to be is to put the cart before the horse.

The Twelve Wild Swans

We revisit Lipset's law, which posits a positive and significant relationship between income and democracy. Using dynamic and heterogeneous panel data estimation techniques, we find a significant and negative relationship between income and democracy: higher/lower incomes per capita hinder/trigger democratization. Decomposing overall income per capita into its resource and non-resource components, we find that the coefficient on the latter is positive and significant while that on the former is significant but negative, indicating that the role of resource income is central to the result.

Into the Storm

Seraphina's keeping a secret from her Wandering team: she's perfecting her fighting skills. But telling Sam and Bishop the truth would only alert them to her plan: to go back in time, save her mom, and finish what she started. With the help of Turner, Bishop's handsome twin, she progresses toward her goal but plummets deeper into dangerous territory where the lines of friendship and romance are

blurred. One passionate kiss changes everything, leading Sera to unravel a shocking web of family secrets, heartbreaking ulterior motives, and sinister agendas. Love and lies collide in a haunting climax, where the truest souls may not survive.

Out for Blood

The New York Times bestselling author of *Beautiful Lies* and *Fragile* returns to *The Hollows*, delivering a thriller that explores matters of faith, memory, and sacrifice. After giving up his post at the Hollows Police Department, Jones Cooper is at loose ends. He is having trouble facing a horrible event from his past and finding a second act. He's in therapy. Then, on a brisk October morning, he has a visitor. Eloise Montgomery, the psychic who plays a key role in *Fragile*, comes to him with predictions about his future, some of them dire. Michael Holt, a young man who grew up in *The Hollows*, has returned looking for answers about his mother, who went missing many years earlier. He has hired local PI Ray Muldune and psychic Eloise Montgomery to help him solve the mystery that has haunted him. What he finds might be his undoing. Fifteen-year-old Willow Graves is exiled to *The Hollows* from Manhattan when six months earlier she moved to the quiet town with her novelist mother after a bitter divorce. Willow is acting out, spending time with kids that bring out the worst in her. And when things get hard, she has a tendency to run away—a predilection that might lead her to dark places. Set in *The Hollows*,

the backdrop for *Fragile*, this is the riveting story of lives set on a collision course with devastating consequences. The result is Lisa Unger's most compelling fiction to date.

For decades they have remained close, sharing treasured recipes, honored customs, and the challenges of women shaped by ancient ways yet living modern lives. They are the Hindi-Bindi Club, a nickname given by their American daughters to the mothers who left India to start anew—daughters now grown and facing struggles of their own. For Kiran, Preity, and Rani, adulthood bears the indelible stamp of their upbringing, from the ways they tweak their mothers' cooking to suit their Western lifestyles to the ways they reject their mothers' most fervent beliefs. Now, bearing the disappointments and successes of their chosen paths, these daughters are drawn inexorably home. Kiran, divorced, will seek a new beginning—this time requesting the aid of an ancient tradition she once dismissed. Preity will confront an old heartbreak—and a hidden shame. And Rani will face her demons as an artist and a wife. All will question whether they have the courage of the Hindi-Bindi Club, to hold on to their dreams—or to create new ones. An elegant tapestry of East and West, peppered with food and ceremony, wisdom and sensuality, this luminous novel breathes new life into timeless themes. From the Trade Paperback edition.

From author-illustrator Jarvis comes a buoyant underwater tale about a little blue fish who learns that being dazzling isn't what makes you special. Coral Reef City is home to the most brilliant tropical fish in the ocean. Sparkling and multicolored, they swim around and around, showing off. And then there's Terry. Small, blue, and ordinary, Terry spends his days playing hiding games with his friends and wishing the tropical fish would play with him, too. So with the help of his friends, Terry fashions a flashy, dazzling costume and transforms into Tropical Terry. But life as the center of attention isn't quite everything Terry dreamed it would be -- especially once Eddie the Eel shows up, hungry for dinner. In a bright, cheerful

story, Jarvis uses his vibrant art and heartwarming wit to prove that sometimes the things you thought made you unremarkable are actually the most special qualities of all.

Is Bill Cosby Right?

Weird Detectives: Recent Investigations

"The thrilling--and so wonderfully French--story of a gruesome 1889 murder of a lascivious court official by a ruthless con man and his pliant mistress, an international manhunt, a sensational trial, and an inquiry into the limits of hypnotic power. In France at the end of the nineteenth century a great debate raged over the question of whether someone could be hypnotically compelled to commit a crime in violation of his or her moral convictions. When Alexandre-Toussaint Gouffe entered a Parisian building at 3 rue Tronson Ducoudray for what he thought would be a delightful assignation with the comely young Gabrielle Bompard, only to be

murdered--hanged!--by her and her ruthless companion Michel Eyraud, stuffed in a trunk, and dumped on a riverbank near Lyon, that question became the burning center of an inquiry into the guilt or innocence of a woman the French tabloids dubbed "The Little Demon."--

The Honorable Imposter (House of Winslow Book #1)

Tough, taciturn...And a fool for letting her go... Wyoming rancher Quinn McKay was biding his time until his levelheaded wife came to her senses and called a halt to this trial separation—never believing their marital rough patch would drag on for a coon's age. Libby McKay knew when she married the gruff, laid-back cowboy that he wasn't prone to blathering on about his feelings. But three months have passed and her stubborn-as-a-mule husband is still living by himself in the horse trailer. It seems he'd rather hold onto his pride than hold onto her. When Quinn realizes Libby is determined to move on if he doesn't change, he offers her one weekend of uninterrupted sexual decadence to rekindle their love life and to hash out their differences. Reigniting the passion is easy. The hard part comes after the sheets have cooled and they find out if what remains is strong enough to survive past mistakes... **Although this book is part of the Rough Riders series, it can be read as a STANDALONE!

Me and My Ghoulfriends

Bright white teeth. Straight leg bones. Awkwardly contorted arm bones. On a hot summer day in 2005, Dr. Douglas Owsley of the Smithsonian Institution peered into an excavated grave, carefully examining the fragile skeleton that had been buried there for four hundred years. "He was about fifteen years old when he died. And he was European," Owsley concluded. But how did he know? Just as forensic scientists use their knowledge of human remains to help solve crimes, they use similar skills to solve the mysteries of the long-ago past. Join author Sally M. Walker as she works alongside the scientists investigating colonial-era graves near Jamestown, Virginia, as well as other sites in Maryland. As you follow their investigations, she'll introduce you to what scientists believe are the lives of a teenage boy, a ship's captain, an indentured servant, a colonial official and his family, and an enslaved African girl. All are reaching beyond the grave to tell us their stories, which are written in bone.

Colters' Promise

Simla 1922. The summer capital of the British Raj is fizzing with the energy of the jazz age. Commander Joe Sandilands is looking forward to spending a month here in the cool of the Himalayan hills as the guest of Sir George Jardine, the Governor of Bengal. When Joe's travelling companion, a Russian opera singer, is shot dead at his side in the back of the Governor's car on the road up to Simla, he finds himself plunged into a murder investigation. Confronted by the mystery of an identical unsolved killing a year before, Joe realizes that Sir George's hospitality comes at a price. Behind the sparkling façade of social life in Simla he finds a trail of murder, vice and blackmail. Someone in this close-knit community has a secret and the nearer Joe comes to uncovering it, the nearer he comes to his own death.
