Pleasures, and Broken Dolls Tender Mercies: "Grace. That word that finally meant something again. Mercy. Favor. Good will." Fed up with play, Grace Warner moves to an island to be with a man she met online. Within hours of her arrival, everything is ripped from her, and she quickly learns play is preferable to the realities of actual enslavement. Asher Collins has spent the past year mourning and blaming himself for the death of his slave, Darcy. When Grace catches his eye at a showing, obviously abused, he becomes obsessed with buying her and finding a way to atone for his own past sins. Guilty Pleasures: Vivian Delaney leads a life of privilege, but behind closed doors she feels isolated and trapped in a gilded cage. Unable to achieve pleasure with her husband, she finds herself in the capable hands of Anton, a massage therapist intent on awakening her to her full potential. By any means necessary. Broken Dolls: Mina Calloway always finds herself in the hands of the wrong master: Gentle at first, then brutally sadistic and abusive. She no longer believes it's possible to find a man who will be gentle with her. After seeing a therapist for months, the doctor makes her an offer she isn't yet smart enough to refuse: "Let me find you a good master." Brian Sloan is a borderline sociopath with a dark and brutal past. Only taking his sadistic urges out on the women at a submissive training house allows him to sleep through the night. When Brian sees Mina, she should be ripe for the picking, but her damage is too similar to his own. Can he fight past his demons to protect the one person he considers worth saving? Marcie has loved Ben since she was sixteen. He's never behaved as anything more than a protective big brother, a family friend. But now she's twenty-three and starting her career as a corporate investigator. She may be a blood-and-bone-deep submissive, but she won't hesitate to use her aggressive talents to prove she's meant to be his.
