What Do Ducks Dream ?

From chasing cats and motorcycles to being scratched on his favorite "tickle spot," David Shannon's newest sweet and silly character will inspire young readers to laugh out loud at his mischievous antics. Fans of Shannon's previous books will love reading all about this naughty but lovable dog!

Wheels of Change

The Recess Queen

The amazing tricks two American soldiers perform on a borrowed bicycle are a fitting finale for the school sports day festivities in a small village in occupied Japan.

Bear Counts

Is something bugging you? Bestselling award-winner David Shannon shows the funny side of waging war against--oh no!--head lice. This book is guaranteed to make you laugh--and itch! From the opening picture of a happy, oversized louse appearing with his suitcases, you know these bugs are determined to stay, and Mom is about to go nuts! Nobody talks about them, but they are everywhere. (Some estimate 20 million children a year host them.) Oh the shame and humiliation of having bugs in your hair! But if you go to school, or have play dates, chances are good you might meet them someday. Maybe you already have! Lucky for you, the unwelcome bugs in this story are so funny you will be laughing aloud--even when Mom attacks them with battle-tested anti-lice weapons. Shannon peppers his hilarious scenes with fun, "nitpicking" facts about these "lousy" critters and pokes fun at common denial: "It's probably ash from that volcano in Pogo Pogo." Soon the party's over--Bye bye, Little Nasties! Once again Shannon has created a fresh, highly entertaining read-aloud classic that begs to be read again and again.

Giggle, Giggle, Quack

One day down on the farm, Duck got a wild idea. "I bet I could ride a bike," he thought. He waddled over to where the boy parked his bike, climbed on and began to ride. At first he rode slowly and he wobbled a lot, but it was fun! Duck rode past Cow and waved to her. "Hello, Cow!" said Duck. "Moo," said Cow. But what she thought was, "A duck on a bike? That's the silliest thing I've ever seen!" And so Duck rides past sheep, horse, and all the other barnyard animals. Suddenly, a group of kids ride by on their bikes and run into the farmhouse, leaving the bikes outside. Now ALL the animals can ride bikes, just like Duck!

Meet Sangamon Taylor, a New Age Sam Spade who sports a wet suit instead of a trench coat and prefers Jolt from the can to Scotch on the rocks. He knows about chemical sludge the way he knows about evil—all too intimately. And the toxic trail he follows leads to some high and foul places. Before long Taylor’s house is bombed, his every move followed, he’s adopted by reservation Indians, moves onto the FBI’s most wanted list, makes up with his girlfriend, and plays a starring role in the near-assassination of a presidential candidate. Closing the case with the aid of his burnout roommate, his tofu-eating comrades, three major networks, and a range of unconventional weaponry, Sangamon Taylor pulls off the most startling caper in Boston Harbor since the Tea Party. “[Stephenson] captures the nuance and the rhythm of the new world so perfectly that one almost thinks that it is already here.” —The Washington Post
