Cambridge Certificate in Advanced English 4 Teacher's Book

Algebraic topology is a basic part of modern mathematics, and some knowledge of this area is indispensable for any advanced work relating to geometry, including topology itself, differential geometry, algebraic geometry, and Lie groups. This book provides a detailed treatment of algebraic topology both for teachers of the subject and for advanced graduate students in mathematics either specializing in this area or continuing on to other fields. J. Peter May's approach reflects the enormous internal developments within algebraic topology over the past several decades, most of which are largely unknown to mathematicians in other fields. But he also retains the classical presentations of various topics where appropriate. Most chapters end with problems that further explore and refine the concepts presented. The final four chapters provide sketches of substantial areas of algebraic topology that are normally omitted from introductory texts, and the book concludes with a list of suggested readings for those interested in delving further into the field.

Objective Advanced Student's Book Pack (Student's Book with Answers with CD-

ROM and Class Audio CDs (2)

A focused, 50-60 hour course for the revised Cambridge English: Advanced (CAE) exam from 2015. The Student's Book without answers provides C1-level students with thorough preparation and practice needed for exam success. All four of the revised exam papers are covered. 'Quick steps' and Writing and Speaking guides explain what to expect in the exam, and provide strategies on approaching each paper, model answers, useful expressions and further practice. The accompanying CD-ROM provides interactive language and skills practice. There are two complete practice tests for teachers to access online. Audio required for the Student's Book listening exercises is available on Class Audio CDs or in the Student's Book Pack, both available separately.

First Certificate Skills

Suitable for CAE examination, this title features 2 fully-guided tests with useful tips; 6 tests; information on the exam; guide on how to use the book; section on the Speaking Paper in full colour that includes additional helpful phrases and expressions; and, Separate Writing Bank with fully written out model compositions.

Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of Student's Book, Level 2. The Student's Book is the main component of Grammar and Beyond. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students apply the grammar in an extended writing task.

Grammar and Beyond Level 2 Student's

Complete Guide to the TOEFL(R) Test

This book offers a whole school approach to the teaching of grammar and punctuation that is fully matched to the demands of the English grammar and punctuation test and the new curriculum. With the shift towards elegant, well-constructed sentences, it offers the busy teacher three simple steps to motivate and engage children, through:

- explicit teaching and modelling;
- over forty practical games and activities;
- application and improvement within editing and proof reading.

This book draws on recent research but also is based on many years of classroom practice and a number of case studies. Practical examples

develop teachers' understanding of grammatical terms and progression and show how it is possible to have a significant impact on vocabulary, sentence structure and children's writing in general. A balance is found where skills are explicitly taught but within the context of an exciting and interesting curriculum.

Practice Tests Plus CAE New Edition Students Book Without Key/CD-ROM Pack

Cambridge Advanced Practice Test 1 with Key

The books consist of a collection of six complete practice tests each for the Cambridge ESOL Certificate in Advanced English (CAE) examination. The tests have been designed to reflect the exam type tasks according to the most recent CAE specifications, which were introduced in December 1999. Therefore, they provide excellent preparation for the Cambridge CAE examination as well as any other examinations at the same level.

A Creative Approach to Teaching Grammar

Exam Essentials is our major British English exam preparation series combining exam preparation, practice, and tips for the revised Cambridge English exams. This effective combination of testing and

teaching has proved a popular formula with teachers and students. The first two practice tests in each book are 'walk-through' tests. Students are carefully guided through the tests and shown how they work and what they have to do to succeed in each part of the exam. Additional step-by-step support for the Writing paper is offered in all the tests. All of the tests are written by experts in the field, which means that students preparing for the exams experience material that is appropriate for and at a level at least as high as the actual exams. Candidates internationally find the Speaking test very challenging. To help them deal with this, each Practice Test book comes with a DVD-ROM which includes a bespoke video showing a complete Speaking test interview as well as an examiner talking about this part of the exam and giving students expert guidance on how to approach it. The DVD-ROM also features worksheets to use with the interview and all the Listening test files.

Cambridge English, First

Contains four complete past papers from Cambridge ESOL for the Cambridge Certificate in Advanced English examination. These papers provide candidates with an excellent opportunity to familiarise themselves with the content and format of the CAE examination and to practise examination techniques using genuine papers from Cambridge ESOL. Attractive colour visual material for Paper 5 is included with each test, enabling students to prepare thoroughly for the paired interview (Paper 5). The Teacher's Book contains transcripts of the recorded
