New England Myths and Legends explores unusual phenomena, strange events, and mysteries in Maine, New Hampshire, Vermont, Connecticut, Massachusetts, and Rhode Island. From vampires to an angel, a ghost rapper to a phantom ship, New England Myths and Legends pulls back the curtain on some of the region's most fascinating and compelling stories.

## **New York Historical Society Quarterly**

Mysteries and Legends of New England explores unusual phenomena, strange events, and mysteries in the region's history—evenly divided between the New England States (Maine, New Hampshire, Vermont, Connecticut, Massachusetts, and Rhode Island).

## **Writings on American History**

Nathaniel Lyon (1818–1861) was the first Union general to die in the Civil War. Killed at the Battle of Wilson’s Creek, Missouri, he became the North’s first war hero, famed as the man who saved Missouri for the Union. In *Damned Yankee*, chosen by Choice as an Outstanding Academic Book in 1991, Christopher Phillips portrays Lyon not as the savior of a border state threatened by secessionist extremists but as an unbalanced, monomaniacal Unionist zealot who purposely—and perhaps unnecessarily—brought war to a fragile state whose populace had voted overwhelmingly to stay out of the conflict. Phillips meticulously examines Lyon’s role in the Camp Jackson affair, his quest to oust the pro-southern governor of Missouri, and his campaign to eliminate the secessionist element in the state. He contends that Lyon’s actions in Missouri in 1861 were congruent with his dogmatic personality and troubled past. *Damned Yankee* is a complex, often shocking, portrait of one of the most controversial figures of the Civil War and a sobering study of how the faults of men may greatly affect history.

## Read Free Folklore And Firesides In Pomfret Hampton And Vicinity Early Homesteads Of Pomfret And Hampton And Folklore And Firesides Of Hampton And Vicinity

This handbook aims to be a guide to the best private schools of the country. It has been undertaken with the parent especially in mind, but it is hoped that it may be of value to school and college authorities and all others interested in the subject. It is believed that this Handbook is the first volume which attempts a critical and discriminating treatment of the private schools of the country. It is an endeavor to classify the schools on their merits -- at least a step, it is hoped, toward eventual standardization. - Editor's foreword.

#### **Guide to Reprints**

The established reference work Guide to Reprints has been radically reworked for this edition. Bibliographical data was substantially increased where information was obtainable. In addition, the user-friendliness of Guide to Reprints was raised to the high level of other K.G. Saur directories through author-title cross-references, a subject volume, a person index and a publisher index. In this edition, the directory lists more than 60,000 titles from more than 350 publishers.

Devil's Hopyard, and flying demon skeletons on Charles Island—these bizarre haunts are uniquely Connecticut. In the ghostly lore of the state, the ambient ramblings of the Leatherman still ring out in the caves of Harwinton's forests and the former residents of the Hale Homestead continue to roam the attic at night. Join authors and Paranormal United Research Founders, Thomas D'Agostino and his wife Arlene Nicholson, as they recount bone chilling mysteries from Putnam, Canton, New London and many more shadowy corners of the Nutmeg state. Includes photos! Praise for *A Guide to Haunted New England* "Fun, charming . . . includes not only locales with reported ghosts, but also sites with macabre (though not haunted) histories."—True Crime Librarian "Anyone interested in exploring the haunted, macabre and abandoned throughout New England knows they can count on D'Agostino to find out more about the site's history, past sightings and how to find them."—Mobile RVing
