## **Study Guide for Brigham/Ehrhardt's Financial Management: Theory & Practice, 14th**

Brigham/Houston: A Classic, redefined because a classic never goes out of style. The market leader, Brigham/Houston, continues to grow in reputation and amount of users as the most effective approach for teaching the first undergraduate corporate finance course. The seamless, integrated ancillary package, still painstakingly prepared by the authors, is a hallmark of the Brigham/Houston package which reduces course preparation time for instructors and makes the subject more accessible for learners. New for this edition is the addition of iLrn Finance, an online student assessment and tutorial resource to help improve student performance. Additionally, access to Thomson ONE - Business School Edition, an online financial database that students can use to complete projects or select end of chapter exercises, is included with each new text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

## **Fundamentals of Financial Management**

The only text to strike a balance between solid financial theory and practical applications, Brigham/Ehrhardt's FINANCIAL MANAGEMENT: THEORY AND PRACTICE, 15e gives you a thorough understanding of the essential concepts you need to develop and implement effective financial strategies. The book begins with a presentation of corporate finance fundamentals before progressing to discussions of specific techniques used to maximize the value of a firm. It also explores the recent financial and economic crises and the role of finance in the business world. With its relevant and engaging presentation, numerous examples, and emphasis on Excel usage, this text serves as a complete reference tool for you in your academic or business career. Important Notice: Media content referenced within the product description or the product

text may not be available in the ebook version.

## **Fundamentals of Financial Management: Concise**

Continuing the four goals from the first edition, i.e. helping students to make good financial decisions, providing a solid text for the introductory MBA course, motivating students by demonstrating finance is relevant and interesting, and presenting the material clearly, this Tenth Edition promises to be the best yet. Written by a highly-acclaimed, best selling, author team, this text remains the only MBA-level text to present a balance of financial theory and applications.

## **Instructor's Manual for Canadian Financial Management : Theory & Practice**

4LTR Press solutions give students the option to choose the format that best suits their learning preferences. This option is perfect for those students who focus on the textbook as their main course resource. ## **The Guide to Understanding Financial Statements**

### **CFIN4**

This text is a theoretical and practical analysis International Financial Management. It builds upon the key ideas that are taught throughout the traditional finance curriculum, explaining how financial concepts such as capital budgeting are applied in a global setting.

## **Organizational Behavior: Science, The Real World, and You**

Help your students learn not only the concepts and theories that enhance the management of human behavior at work but also how to practice these skills with Nelson/Quick's ORGANIZATIONAL BEHAVIOR. The latest edition of this book clearly demonstrates how organizational behavior theories and research apply to companies today with engaging cases, meaningful exercises, and examples that include six new focus companies students will instantly recognize. The authors

present foundational organizational behavior topics, such as motivation, leadership, teamwork, and communication. Students also examine emerging issues reshaping the field today, such as the theme of change. They study how change affects attitudes and behaviors in an organization as well as what new opportunities and experiences change presents. Students further explore growing themes of globalization, diversity, and ethics. The authors anchor the book's multifaceted approach in both classic research and leading-edge scholarship. Timely examples from all types of organizations throughout this edition reflect today's most current trends, including six new focus companies--NetFlix, Ford, Groupon, and more. Self-assessments and other interactive learning opportunities allow your students to grow and develop, both as individuals and as important contributors to an organization, as they progress throughout your course. ### **Study Guide for Brigham/Houston's Fundamentals of Financial Management, Concise Edition, 7th**

Ever since the First Edition, Economics: Principles and Policy was predicated on the view that practical issues and developments in the economy should influence the content of an introductory economics course. This book contains its share of theoretical material. But the theory is not merely an exercise in making students miserable; it is driven by issues that are real and current. And every discussion of theory is related to applications, so as to offer students a continuing sense of the relevance of the material to reality. - Publisher.

## **Fundamentals of Financial Management + Lms Integrated for Mindtap Finance, 1 Term - 6 Months Access Card**

### **Fundamentals of Financial Management**
