A humorous guide for men on relationships with women covers a man's life from birth through high school, college, marriage, divorce, to death.

The Game

When sixteen-year old Jacey Adison's parents tell her they must move again, she has never questioned their life style. Until now When Jacey was two, her parents fled the protection of their birthplace, the mystical dimension of Nemele. Leaving was the only solution her parents believed might allow them to keep their family together and alive. The Adisons have been running from a sect of iniquitous beings from Nemele who covet Jacey. Her parents have repressed their adversaries' relentless tracking efforts by not utilizing their own mystical powers. They have chosen to conceal themselves within the only realm they knew they'd be able to survive. They are living under their self-imposed powerless sanctions on Earth, which constitutes the nineteenth nation of Nemele. Her parents have never revealed their true identities to Jacey, consequently keeping her true lineage and unique birthright from her. Jacey's family has pretended to be non-magical humans as a ploy to prevent an ancient omnipotent entity from killing more innocent beings in its relentless quest to possess Jacey. Nemele's inhabitants have been the elemental architectural guides of a number of nations throughout the cosmos. As Elemental Governors, they've influenced the evolution of eighteen other realms throughout the galaxy. Air, earth, wind, fire and water are gifted to each member

within the Nemelite Society. It is during their Awakening, or adolescent stage of development, that their talents emerge. Every legend, myth and folklore human beings have believed in and have worshiped since the beginning of time originate within Nemele. Representatives from each of the nineteen nations form the Guild of Elders, a federation to oversee and rule Nemele. From Greek Gods to shape-shifting dragons, all exist. Born as an anomaly, Jacey possesses rare abilities that both virtuous and corrupt entities seek to use as their own. Should either side prevail, Jacey may be the saviour or downfall of every world within Nemele's domains. Blindly thrust into life and death situations, Jacey learns of her true powers within her dreaming and conscious states.
