A guide for all to the Catholic Church, or The inquiry of a retired citizen into the Roman Catholic religion, ed. by H. Formby

"I've fought every kind of barbarian, but the Britons are by far the worst" Marcus is excited about travelling to Britannia, the island at the edge of the world. But the Britons are savages who tattoo themselves and take the heads of their enemies in battle. They won't bow down to the rule of Rome. As Marcus travels to meet his father he meets a barbarian chief instead and his destiny is changed forever, along with that of Britannia

The Histories

A madman who murders his way into power lusts for ever-greater glory and domination. A capital city awash with corruption, sensuality, and political intrigue is at the flash point. And caught between the crushing currents of history are a new but growing religious group known as the followers of The Way. Award-winning historian and best-selling author Paul L. Maier has created a compelling style of documentary fiction, using only known historical events and persons to bring to life first-century Rome in all its excess, treachery, and insanity. This is the Rome that the apostle Paul visits, where he's placed on trial, and which is forever changed by his testimony and witness. Maier takes readers into the courtroom of imperial justice and into the homes of the people struggling with the new faith they've encountered to answers questions such as: How did Christianity first reach Rome? Why did Paul have to wait two years for trial and was he condemned or set free? Why does the New Testament account in Acts end so abruptly? Who set fire to

Rome and why did Nero persecute Christians so horribly? Following the the family of Flavius Sabinus, mayor of Rome under Nero Maier captures all the drama and tension of the political conflicts that precede and follow the Great Fire of Rome, and the epic political and religious clashes of the world's capital. This is the sensational story of pagans at their worst—and Christians at their best. Readers won't want to put it down.

Encyclopedia of the Roman World

Perilus is a Roman boy who is crazy about chariot racing. He loves to practise in his own homemade chariot (pulled by the family goat) and dreams of riding in the Circus Maximus himself one day. But when Perilus's hero, the brilliant charioteer Scorcha , goes missing on the day of the big race, Perilus finds his wish coming true sooner than he'd imagined!

The History of the Decline and Fall of the Roman Empire, Vol. 8 of 12 (Classic Reprint)

This book aims to set before students beginning the study of Ancient History a sufficient amount of source material to illustrate the important facts mentioned in every good textbook. Many tales have been included which condensed histories may well slight but which afford refreshing illustrations of the ancient life of the ancient viewpoint. It unfolds a panorama of ancient life - etched, drawn, painted, caricatured, by contemporaries. No great phase of that life is neglected. At the time of original publication in 1912, William Stearns Davis was Professor of Ancient History, University of Minnesota.

GUIDED TOUR OF CAMPUS HUMOR

Revolt Against the Romans

Offers activities to students that describe the major themes in world history between 300 and 1000 C.E., including the growth and spread of world religions, the rise of Islamic civilization, and the expansion of trade and technology throughout the world.

Public Opinion

The Roman Empire is widely admired as a model of civilisation. In this compelling new study Neil Faulkner argues that in fact, it was nothing more than a ruthless system of robbery and violence. War was used to enrich the state, the imperial ruling classes and favoured client groups. In the process millions of people were killed or enslaved. Within the empire the landowning elite creamed off the wealth of the countryside to pay taxes to the state and fund the towns and villas where they lived. The masses of people - slaves, serfs and poor peasants - were victims of a grand exploitation that made the empire possible. This system, riddled with tension and latent conflict, contained the seeds of its own eventual collapse.

The History of the Decline and Fall of the Roman Empire

The idea that Christianity started as a clandestine movement among the poor is a

widely accepted notion. Yet it is one of many myths that must be discarded if we are to understand just how a tiny messianic movement on the edge of the Roman Empire became the dominant faith of Western civilization. In a fast-paced, highly readable book that addresses beliefs as well as historical facts, Rodney Stark brings a sociologist's perspective to bear on the puzzle behind the success of early Christianity. He comes equipped not only with the logic and methods of social science but also with insights gathered firsthand into why people convert and how new religious groups recruit members. He digs deep into the historical evidence on many issues--such as the social background of converts, the mission to the Jews, the status of women in the church, the role of martyrdom--to provide a vivid and unconventional account of early Christianity. The author plots the most plausible curve of Christian growth from the year 40 to 300. By the time of Constantine, Christianity had become a considerable force, with growth patterns very similar to those of modern-day successful religious movements. An unusual number of Christian converts, for example, came from the educated, cosmopolitan classes. Because it offered a new perspective on familiar concepts and was not linked to ethnicity, Christianity had a large following among persons seeking to assimilate into the dominant culture, mainly Hellenized Jews. The oversupply of women in Christian communities--due partly to the respect and protection they received--led to intermarriages with pagans, hence more conversions, and to a high fertility rate. Stark points out, too, the role played by selflessness and faith. Amidst the epidemics, fires, and other disasters that beleaguered Greco-Roman cities, Christian communities were a stronghold of mutual aid, which resulted in a survival rate far greater than that of the pagans. In the meantime, voluntary martyrdom, especially a generation after the death of Christ, reinforced the commitment of the Christian rank and file. What Stark ultimately offers is a multifaceted portrait of early Christianity, one that appeals to practical reasoning, historical curiosity, and personal reflection.

From Jesus to Christ

Offers a selection of writings from the Roman orator and statesman.

The Rise of Christianity

'no one else in our times has attempted to write a universal history' Polybius' ambitious goal was to describe how Rome conquered the Mediterranean world in less than fifty-three years. This great study of imperialism takes the reader back to Rome's first encounter with Carthage in 264 and forward to her destruction of that renowned city in 146. Polybius, himself a leading Greek politician of the time, emphasizes the importance of practical experience for the writing of political history as well as the critical assessment of all the evidence. He attributes Rome's success to the greatness of its constitution and the character of its people, but also allows Fortune a role in designing the shape of world events. This new translation by Robin Waterfield, the first for over thirty years, includes the first five books in their entirety, and all of the fragmentary Books 6 and 12, containing Polybius' account of the Roman constitution and his outspoken views on how (and how not) to write history. Brian McGing's accompanying introduction and notes illuminate this remarkable political history. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the

globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Early History of Rome

Romans on the Rampage

The Rise of Rome

Literary Guide

Traces the rise of Rome as an unlikely evolution from a market village to the world's most powerful empire, offering insight into its political clashes, military strategies, leading figures, and internal corruptions.

World's Story 2 (Student)

Livy (c. 59 BC-AD 17) dedicated most of his life to writing some 142 volumes of history, the first five of which comprise *The Early History of Rome*. With stylistic brilliance, he chronicles nearly 400 years of history, from the founding of Rome (traditionally dated to 753 BC) to the Gallic invasion in 386 BC - an era which witnessed the reign of seven kings, the establishment of the Republic, civil strife and brutal conflict. Bringing compelling characters to life, and re-presenting familiar tales - including the tragedy of Coriolanus and the story of Romulus and Remus - *The Early History* is a truly epic work, and a passionate warning that Rome should learn from its history.

A Chronological Synopsis of the Four Gospels Translated [from the German] by E. Venables

Romulus and Remus, the rape of Lucretia, Horatius at the bridge, the saga of Coriolanus, Cincinnatus called from his farm to save the state -- these and many more are stories which, immortalized by Livy in his history of early Rome, have become part of our cultural heritage. This new annotated translation includes maps and an index and is based on R. M Ogilvie's Oxford Classical text, the best to date. - ;`the fates ordained the founding of this great city and the beginning of the world's mightiest empire, second only to the power of the gods' Romulus and Remus, the rape of Lucretia, Horatius at the bridge, the saga of Coriolanus, Cincinnatus called from his farm to save the state - these and many more are stories which, immortalised by Livy in his history of early Rome, have become part of our cultural heritage. The historian's huge work, written between 20 BC and AD 17, ran to 12 books, beginning with Rome's founding in 753 BC and coming down to Livy's own lifetime (9 BC). Books 1-5 cover the period from Rome's beginnings to her first great foreign conquest, the capture of the Etruscan city of Veii and, a few

years later, to her first major defeat, the sack of the city by the Gauls in 390 BC. -

The History Of The Decline And Fall Of The Roman Empire;

Focus on World History

"Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, *Times Literary Supplement* In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, *Journal of the American Academy of Religion* "This is a first-rate work of a first-rate historian."—James D. Tabor, *Journal of Religion* "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, *Christian Science Monitor*

On Being Guided by a Rule

E. H. Gombrich's *Little History of the World*, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the *Little History* brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

Julius Caesar

How to Think Like a Roman Emperor

The World's Best One Hundred Detective Stories (In Ten Values): Volume Seven

Discusses the Roman Republic, its people, its rulers, its landmarks, and its eventual collapse.

The Rise of Rome : Books One to Five

This engaging textbook teaches students about the Middle Ages, from the fall of Rome to the Renaissance. Follow this story-based approach to world history as you meet numerous historical figures (including St. Patrick, Genghis Khan, Richard the Lionheart, Joan of Arc, and Martin Luther), visit medieval sites around the world, and trace the rise and fall of numerous empires and kingdoms. Volume 2 in this series for your junior high students includes: A conversational narrative that brings medieval history to life
Gorgeous photographs, artwork, and maps that help students visualize people, places, and events
Educational features that dig deeper into the history of the Christian Church
Throughout the course, students will see God's guiding hand through history. They will study the major events of the Middle Ages and delve into how society and culture developed and changed. Students will also study medieval civilizations spanning the whole globe, including the Byzantines, Anglo-Saxons, Muslims, Chinese, Japanese, Mongols, Mughals, Vikings, Normans, Russians, Songhai, and Aztecs!

History of the Roman Empire

The Roman Republic

Roman Fever and Other Stories

The Flames of Rome

The School World

The Holy Roman Empire in Prophecy

The Layman's Guide to Revelation is a compilation of renowned expositors with different interpretive views of eschatology. The book guides its readers into an in depth study of the Revelation using the critical analysis of commentators of the past to help the reader better understand the present times and God's plan for the future. The guide defines key words in the Greek translation, and explains the symbolic use of numbers, colors and the foreshadowing of crucial aspects of Israel's history which will aid in deciphering the visions given to the apostle. The guide further explains the types and use of the Old Testament prophets. By understanding the Old Testament Scriptures the student will better appreciate the background of the language and the Hebraic symbolism used in Revelation. The guide also sheds light on the use of foreshadowing of past empires used in the Old

Testament that will further aid in the interpretation of the future and the end-times that we are assuredly apart. The guide takes the reader verse by verse; chapter by chapter through the commentators interpretive views so they can study at their own pace and arrive at their own conclusions. The book also includes a commentary by the author that offers his own insights into Revelation that will surely be of use to those who look to God's word to better understand the times we live.

Readings in Ancient History: Rome and the West

These short works display Wharton's talent as a satirist "skilled at dissecting the elements of emotional subtleties, moral ambiguities, and the implications of social constrictions" (Cythina Griffin Wolfe, from the Introduction).

Eyewitness Travel Family Guide Rome

A Layman's Guide to Revelation

Student's Guide to Roman Law (Justinian and Gaius)

"This book is a wonderful introduction to one of history's greatest figures: Marcus Aurelius. His life and this book are a clear guide for those facing adversity, seeking tranquility and pursuing excellence." —Ryan Holiday, bestselling author of *The Obstacle is the Way* and *The Daily Stoic* The life-changing principles of Stoicism taught through the story of its most famous proponent. Roman emperor Marcus Aurelius was the last famous Stoic philosopher of the ancient world. The *Meditations*, his personal journal, survives to this day as one of the most loved self-help and spiritual classics of all time. In *How to Think Like a Roman Emperor*, cognitive psychotherapist Donald Robertson weaves the life and philosophy of Marcus Aurelius together seamlessly to provide a compelling modern-day guide to the Stoic wisdom followed by countless individuals throughout the centuries as a path to achieving greater fulfillment and emotional resilience. *How to Think Like a Roman Emperor* takes readers on a transformative journey along with Marcus, following his progress from a young noble at the court of Hadrian—taken under the wing of some of the finest philosophers of his day—through to his reign as emperor of Rome at the height of its power. Robertson shows how Marcus used philosophical doctrines and therapeutic practices to build emotional resilience and endure tremendous adversity, and guides readers through applying the same methods to their own lives. Combining remarkable stories from Marcus's life with insights from modern psychology and the enduring wisdom of his philosophy, *How to Think Like a Roman Emperor* puts a human face on Stoicism and offers a timeless and essential guide to handling the ethical and psychological challenges we face today.

The Apocalypse with a Commentary and an Introd. on the Reality of Prediction, the History of Christendom, the Scheme of Interpretation, and the Antichrist of St. Paul and St. John

Readers learn about all aspects of Roman life, from days out at the games, the baths or the races, to daily life in a country villa. Internet-links offer a selection of recommended websites, containing additional information for school projects and homework.

A Little History of the World

DK Eyewitness Travel Family Guide Rome offers you the best things to see and do on a family vacation to Rome and the country of Italy. Each spread bursts with family-focused travel tips and ideas for activities that will engage children, from exploring the Colosseum to touring the Roman Forum to discovering the catacombs. What's inside: + Each major sight is treated as a "hub" destination, around which to plan a day. Plus, DK's custom illustrations and reconstructions of city sights give real cultural insight. + "Let off steam" suggestions and eating options around each attraction enable the entire family to recharge. + Maps outline the nearest parks, playgrounds, and public restrooms. + "Take shelter" sections suggest indoor activities for rainy days. + Language section lists essential words and phrases. + Dedicated "Kids' Corner" features include cartoons, quizzes, puzzles, games, and riddles to inform and entertain young travelers. + Listings provide family-friendly hotels and dining options. Written by travel experts and parents who understand the need to keep children entertained while enjoying family time together, DK Eyewitness Travel Family Guide Rome offers child-friendly sleeping and eating options, detailed maps of main sightseeing areas, travel information, budget guidance, age-range suitability, and activities for Rome.
