Dirty Dates

When twenty-two-year-old Lysa travels to the Outer Rim Colony on Callisto to be a miner's wife, she isn't in it for love or even for the fairly generous pay. She

undertakes the voyage because the government refuses to let women into technological fields, and the mining colony is her only chance at learning in secret. But upon reaching the colony, it isn't long before Lysa wonders if she is in way over her head. Blake, the man she is to marry, brings her almost immediately to the colony doctor for an incredibly thorough, humiliating medical examination. Even more disturbing is the fact that apparently her marriage contract gives Blake the right to discipline her when he feels it necessary, including by means of a bare-bottom spanking. After Lysa confesses to Blake the real reason she came to the colony, he reluctantly agrees to help her as long as she promises not to neglect her wifely duties. To her surprise, despite her new husband's less-than-enlightened views on how a misbehaving wife should be dealt with, Lysa soon find herself both enjoying his company and craving his skilled, dominant lovemaking. But when the head of the colony learns that Lysa is illegally studying to be an engineer and that Blake is helping her, will they be forced apart forever? Publisher's Note: Bound by Her Promise is an erotic novel that includes spankings, sexual scenes, medical play, anal play, elements of BDSM, and more. If such material offends you, please don't buy this book.

Cuffed, Tied, and Satisfied

A tale of a submissive, horny student meeting her match in her alpha male professor unfolds in three incredibly raunchy stories. Sweet little Bianca isn't so sweet, because she's constantly teasing Professor Winfield, knowing that he is an authority figure and a married man. Throughout their cat and mouse game of seduction and punishment, they explore each other's bodies with passion. You'll read deliciously graphic depictions of naughty Bianca being rammed in the classroom while bent over Professor Winfield's desk, dominated in his office and stripped naked, spanked, handcuffed, dripped with candle wax and plowed in a library study room. Throughout these stories, you'll take in steamy depictions of sweet skin against skin, dominant oral sex, lots and lots of Bianca's sexy ebony booty bent over in doggy style, spanking with multiple objects and loads of BDSM play. EXCERPT: Bianca knew the drill by now. She rested her face gently on the flat surface of the desk, closed her eyes in sweet erotic bliss and awaited her punishment. I swung the belt down hard, cracking the leather against her soft, beautiful skin. The pop made her wince and her ass cheek jiggled for a moment. "Ooooooh," she said, as if confused on whether that was pleasure or pain. It was both. My baby had a naughty side in her that only I could bring back. And when she found this zone, pleasure and pain were

one and the same. I slapped the belt briskly against her naked ass three more times, making sure she felt it. She leaned her head all the way back, her long braids hanging beautifully across her naked back and all the way to her bottom. Bianca closed her eyes, bracing herself for another spanking. I stood behind her for a few moments, making her wonder whether or not the punishment was over. She played mind games with me during the week, teasing me in class by giving me a flash under her skirt, showing me she wasn't wearing any panties, and of course, calling my house while I'm in bed with my wife, breathing heavily and announcing that she was touching herself and thinking about me. Now was my time to taunt and tease her, and I was going to revel in it.

The Badge Bunnies Series - Volume 1

Juffer demonstrates how women's consumption of erotica and porn for their own pleasure can be empowering while simultaneously reinforcing conservative ideals. She shows, for instance, how the Victoria's Secret catalog functions as a kind of pornography whose popularity is enhanced by both its reliance on Victorian themes of secrecy and privacy and by its appeals to the pleasures of modern career women. In her pursuit to understand what women like and how they get it, Juffer delves into adult cable channels, erotic literary anthologies, sex therapy guides, cyberporn, masturbation, and sex toys, showing the degrees to which these materials have been domesticated for home consumption.

educator Dr. Susan Block offers a brilliant new view of human sexuality, war, peace and community, inspired by a role model who isn't even human: our closest genetic cousin, the bonobo. With a provocative, humorous and engaging style that makes science fun and ecology erotic, *The Bonobo Way* boldly asks: What do these great apes know about sex--and the rest of life--that we don't? Here are some things we know about bonobos: They have lots of sex. They never kill each other. They empower the females. They stay younger longer. They live in peace through pleasure. And we thought humans were the smartest apes! For decades, experts have used the "killer ape" paradigm to explain why humans murder, make war, bomb and behead each other, and supposedly always will. Sure, our common chimp cousins kill, but do they tell the whole tale? Luckily, no. *The Bonobo Way* shows the other side of the story, presenting the bonobos as a new great ape paradigm for humanity that could change the world or at least improve your love life. "This book is really good something I rarely say these days! *The Bonobo Way* is whimsical yet serious, easy to read yet thoroughly researched, challenging yet ultimately deeply comforting. Dr. Susan Block is living proof that bonobos aren't just sexy and fun--some of them are damned smart, too." Christopher Ryan, Ph.D. author of *Sex at Dawn* From the lush depths of the rainforest to the satin sheets of your bedroom, Dr. Block takes you on a fascinating journey, weaving stories, studies, theories and fantasies into possibilities and a practical path of action, presenting a very different kind of "12-Step Program" to release your "inner bonobo," help save the real bonobos from extinction and

energize all facets of your life. Whether you don't know bonobos from bananas, or you think you know all about these amazing creatures, *The Bonobo Way* will show you the way to a happier, healthier, sexier life, and a more peaceful, sustainable culture.

Hottest Forbidden Taboo Erotic Sexy Stories Anthology Bundle Collection

My name is Lucius, I am an 18 years-old male living on the Great Continent, in Gynarchia. My story is not some impressive heroic tale like the odyssey of Mistress Flor and submissive Icarus. It is simply my life, the life of a male, born roughly two centuries after the Isabellan Crisis. This year, I am graduating from high-school. There is this young Lady in my school that I really like, Miss Jenna. I would really like to ask her out and take her to the school dance. Miss Jenna is from the Long Continent and moved here last year with her family. I would really like her to become my girlfriend and Mistress. But first, I need to ask Mother for permission. The thing is, I am not sure that Mother will accept. The Long Continent is known to be

a lot more liberal than ours, and mine is a very Conservative family. In fact, I am a Prude, just like my daddy and both my grandfathers before me. If you are unaware, Prudes are male which have not ever felt any kind of sexual pleasure. Prudishness is very valued in my family. Will Mother believe that Miss Jenna, with her culture from the Long Continent, will pervert my values and beliefs? I hope not, because I would really like this stunning young Lady to become my Dominatrix. Will Mother give me permission to date Miss Jenna? And will Miss Jenna say yes? Read my story and find out how things will work out!

Extract: "Mistress Jenna's hand stopped. I knew what to say next." "Thank you for spanking me Mistress. Could you please continue?" "Of course!" "Mistress Jenna moved to the front of the tree where I was handcuffed and retrieved the flogger." "Remember, don't drop any of the other implements, subby." "No Mistress" I confirmed. I only knew too well what would happen if I did. "His little butt is getting quite red! I love it!" commented Mistress Jenna's friend, Miss Scarlet, sitting behind me and enjoying the spectacle of my spanking. "Isn't it? I love that his butt gets red really fast! It marks incredibly easily. But Lucius can take a lot more punishment! Can't you Lucius?" "Yes Mistress, as much as you mandate!" "Good boy!" she said, satisfied by my answer. "Oohhhhh and so submissive too!" joked Miss Scarlet with a bit of a condescending tone in her voice, as if she was talking about a small animal doing something cute. "Yeah, Lucius is a good, obedient boy, isn't he?" "He certainly is. I must admit I envy you, Jenna. You've found the perfect, docile little gentleman! And a cute little butt too!" "That I love! A

bit firm, just slightly chubby, round it's a delight to spank!" "And a delight to watch!" commented the tall redhead. Though this speech was embarrassing me, I knew it was giving my poor bottom a respite before the next step in my maintenance spanking. Their words, in a pure Gynarchian fashion, were half-way between praises and humiliation. As any good Gynarchian male, I had learned to internalize the mixed feeling of being slightly humiliated at the same time as I was receiving compliments. I was glad to be called "submissive", "obedient", "docile" I was a sucker for such adjectives."

Book II in the Spanked Wives series. I didn't know what was worse anymore — when he opened that door, or when he closed it. How many times had I wondered? How many minutes had I counted until they'd fallen away in the blackness, as unmoored, lost, and hopeless as I felt? But there wasn't time for that. The only thing that mattered was figuring him

out. What was he really after? What did he truly want? For the thousandth time, I cursed my stupidity, my hubris, my idiotic conviction that I could pull this off. It was a cruel irony of fate that a single, impulsive, split second decision could profoundly influence the rest of a person's life. However long that might be. I missed clothes — real clothes — not the all-access outfits he made me wear now. No, what I was allowed was little more than decoration, embellishment of the physical attributes of his new found toy. How much more of this could I take? How much more did he intend to put me through? What was the end game, when he finally got what he demanded? I already suspected, deep down, that there could only be one end to this, a single conclusion to what this had become. My strength was ebbing away. I couldn't deny it any longer. What was the worse though was the temptation, the increasingly appealing prospect of simply surrendering. And giving him what he wanted
