New York Times bestselling author of *The Prodigal Prophet* Timothy Keller explores how people are changed by meeting Jesus personally—and how we can be changed encountering him today. The people who met Jesus Christ in person faced the same big life questions we face today. Like most of us, the answers handed down to them didn't seem to work in the real world. But when they met Jesus, things immediately started to change for them. It seems he not only had the answers—he was the answer. In *Encounters with Jesus*, Timothy Keller shows how the central events and meetings in Jesus' life can change our own lives forever. "Keller's work belongs on the bookshelf of every serious Bible student." —Examiner "Keller has mined the gold from these texts of Scripture, and any Christian is bound to have their minds expanded and hearts stirred." —Grace for Sinners

Gary Thomas is a popular writer of Christian spirituality with a well-developed platform. Building on his bestselling books *Sacred Pathways* and *Sacred Marriage*; his newest book, *Pure Pleasure*; and his Gold Medallion-winning *Authentic Faith*, Thomas takes readers to new levels of inspiration and insight in *Simply Sacred*—a devotional made up of selections from his best writings about spirituality and spiritual formation. According to Thomas, “Those who have advanced in the Christian life have learned to develop an almost mystical memory that keeps them attuned to the fact that God is always with them always watching, always caring, always hearing.” Abounding with spiritual insights and practical truth, this book provides readers with the freedom to approach life in Christ with new wonder and joy each and every day.

Tyndale Bible Dictionary

THE GLORY OF CHRIST

This book is a commentary on the Acts of the Apostles for the nonspecialist, based on lecture notes accumulated over many years of Professor Mel Storm's introductory course on Acts. Originally written to supplement students' reading of the story of the church in Acts, *Living Lord, Empowering Spirit, Testifying People* provides readers with important historical information and theological insights. The book opens with an introduction to Acts that gives special attention to the question of the authorship and date of the book, as well as to the theological

Get Free Jesus Ascended The Meaning Of Christs Continuing Incarnation

themes that shape the narrative. Storm offers large sections of in-depth commentary instead of verse-by-verse analysis and concludes each chapter with important vocabulary and insightful questions that can be used as a springboard for class discussion, small writing assignments, or personal reflection in both academic circles and church settings. *Living Lord, Empowering Spirit, Testifying People* guides students to understand Acts as a theologically shaped narrative that conveys important themes for disciples of Jesus.

The Westminster Handbook to Karl Barth

Presents philosophies for preaching as drawn from Church dogmas, and stresses the three main principles of sound preaching -- dogma, scripture, and an understanding of the Church's contemporary situation.

John

Recent theology offers few attempts to come to grips with the meaning and implications of the ascension of Jesus. Professor Farrow begins with a discussion of the biblical treatment of the ascension and Eucharistic celebration, from which emerges the unique ecclesial worldview. There are chapters on the treatment of these ideas by Irenaeus, Origen and Augustine, and on developments up to the Reformation. He explores the link between ideas of the ascension, cosmology and ecclesiology. Farrow goes on to examine the difficulties faced by the doctrine of ascension in the

Get Free Jesus Ascended The Meaning Of Christs Continuing Incarnation

modern scientific world. In a final chapter he calls for an ecclesiology, which does not marginalise the human Jesus

St Mark's Gospel

The Kingdom of the Occult

Preaching has fallen on hard times with many questioning its relevance and even its validity as a New Testament practice. This symposium of specially commissioned essays draws together an international team of thirteen scholars and pastors to address the importance of textual preaching in the history and life of the early church, the historic church, and the contemporary church. Contributions include essays on Old Testament preaching, preaching in Hebrews, gender-sensitive preaching, preaching in the theology of Jonathan Edwards, Charles Spurgeon, Dietrich Bonhoeffer, and in Eastern Orthodoxy. It also includes essays on a range of homiletical challenges that textual preaching raises for the contemporary preacher, including genre, preaching without notes, inhabiting the text, and preaching without platitudes. A final reflection by Dave Hansen on the state of textual preaching rounds out the collection. The preaching of the gospel stands at the heart of Christian praxis. These essays make a vital contribution to the recovery of the importance of preaching, focused on the text of Scripture. Written with an eye to the pastor and practitioner as well as those in the pews and in the classroom, this is a book

Get Free Jesus Ascended The Meaning Of Christs Continuing Incarnation

that should appeal to a wide range of readers.

Lessons on the Church Catechism

Christ Set Forth in His Death, Resurrection, Ascension, Sitting at God's Right Hand, and Intercession

Symbolic interactionism is a social-scientific perspective that seeks to describe how human beings create meaning with one another in their daily lives. Since the world is populated by symbols that characterize all interactions among living beings, this book explores the importance of symbols and symbolic interaction while moving beyond the social sciences to theological studies. By examining the way symbolic interaction is portrayed among characters in the Gospel according to John in the "water narratives," this book argues that the Bible is a symbol that is itself full of symbols whose meanings are worthy of our study. Hence, the interaction of characters in the Gospel of John and the whole Bible, along with the symbols they use in their interactions, demonstrates that symbolism is directly linked to human life because symbols are major means of communication, and without symbols, human beings are in chaos.

Featuring over 1000 articles and over 200 pictures covering everything from the Aaronic priesthood to the Wilderness of Zin, it is the most comprehensive, up-to-date, single-volume Bible dictionary available. Teachers, pastors, and anyone wanting to learn more about the Bible will rely on the Tyndale Reference Library for solid, evangelical scholarship packed into concise, user-friendly reference works.

The Church School Journal

Welcome to the weird and wonderful world of the Bible. When we read Scripture we often imagine that the world inhabited by the Bible's characters was much the same as our own. We would be wrong. The biblical world is an ancient world with a flat earth that stands at the center of the cosmos, and with a vast ocean in the sky, chaos dragons, mystical mountains, demonic deserts, an underground zone for the dead, stars that are sentient beings, and, if you travel upwards and through the doors in the solid dome of the sky, God's heaven--the heart of the universe. This book takes readers on a guided tour of the biblical cosmos with the goal of opening up the Bible in its ancient world. It then goes further and seeks to show how this very ancient biblical way of seeing the world is still revelatory and can speak God's word afresh into our own modern worlds.

Christ on earth: from the supper at Bethany, to His ascension into glory

In this commentary Kanagaraj examines how John

Get Free Jesus Ascended The Meaning Of Christs Continuing Incarnation

projects the church as God's "new covenant community," which, is characterized by two virtues: love and obedience. Impossible to exhibit under the old covenant based on Moses' Law, these qualities became possible by the initiative grace and faithfulness of God revealed in Jesus and demonstrated by the power of the Spirit. God's new community is an inclusive and progressive community because its witness to Jesus in a world that hates and persecutes it has the power to bring in all people so that they may become one flock under one shepherd. Kanagaraj argues that the idea of founding and nurturing a new community was in God's heart even before the time of creation and not just at the time of incarnation.

History of the Christian Church from the Ascension of Jesus Christ to the Conversion of Constantine

The Ascension is essential to the gospel The good news of Jesus includes his life, death, resurrection, and future return--but what about his ascension? Though often neglected or misunderstood, the ascension is integral to the gospel. In The Ascension of Christ, Patrick Schreiner argues that Jesus' work would be incomplete without his ascent to God's right hand. Not only a key moment in the gospel story, Jesus' ascension was necessary for his present ministry in and through the church. Schreiner argues that Jesus' residence in heaven marks a turning point in his three-fold offices of prophet, priest, and king. As prophet, Jesus builds the church and its witness. As

Get Free Jesus Ascended The Meaning Of Christs Continuing Incarnation

priest, he intercedes before the Father. As king, he rules over all. A full appreciation of the ascension is essential for understanding the Bible, Christian doctrine, and Christ's ongoing work in the world.

The Meaning Behind the Manner

“Thirty years after Neil Postman’s *Amusing Ourselves to Death*, this book takes the impact-analysis of modern media to a new level.” John Piper, Founder and Teacher, desiringGod.org What images should I feed my eyes? We often leave this question unanswered—because we don’t ask it. Maybe we don’t want to ask it. But viral videos, digital images, and other spectacles surround us in every direction—competing for our time, our attention, our lust, and our money. So we let our lazy eyes feed on whatever comes our way. As a result, we never stop to consider the consequences of our visual diet on our habits, desires, and longings. Journalist Tony Reinke asked these hard questions himself—critiquing his own habits—and now invites us along to see what he discovered as he investigated the possibilities and the pitfalls of our image-centered world. In the end, he shares the beauty of a Greater Spectacle—capable of centering our souls, filling our hearts, and stabilizing our gaze in this age of the digital spectacle.

The Sunday School Journal

The book presents the Ascension as public truth, examining questions such as when did Jesus ascend - and how, where did he go, with what kind of body and

Get Free Jesus Ascended The Meaning Of Christs Continuing Incarnation

into what kind of space? It discusses the nature of Jesus' victory, how it has been challenged, how it has been understood at different times in history, and how it relates to his second coming. The author examines the relevance of the doctrine for personal spiritual life: our union with Christ, Jesus praying for us, worship, and our own prayers. He goes on to consider living in God's kingdom, the tension between waiting for the kingdom and working for it now, suffering, humanisation, and the church and the world today. The book approaches the Ascension thematically, making it a useful teaching tool. Its themes arise from the categories in which the Church Fathers employed the doctrine. Gerrit Dawson shows the Ascension to be a vital key to understanding in a fresh way the person and work of Christ, union with Christ, the mission of the church in the world, Christian identity and spiritual theology. A unique feature of the book is the way Dawson combines a full presentation of Nicene trinitarian Christology with its application to the practicalities of Christian life today. Praise for Jesus Ascended: 'Gerrit Dawson harkens back to an older vision of ministry, that of the pastor-theologian. This vision is remarkably illustrated in this beautifully written book that can properly lay claim to being practical theology. Very highly recommended for both pastors and theologians who want to have a faith grounded in the continuing reality of the incarnation in the ascension of Jesus.' Andrew Purves, Princeton Theological Seminary 'This is a truly outstanding book for students, pastors and thinking Christians alike. I could not recommend it more enthusiastically!' Alan Torrance, St Andrew's University, UK 'A yawning gulf often appears between

Get Free Jesus Ascended The Meaning Of Christs Continuing Incarnation

the interests of preacher and scholar, of pastor and theologian. Serious attempts to bridge that gulf are too few. This book is one of them. It brings to life the voice of the Fathers on the subject of the ascension of Jesus, and calls the church back to the roots of its faith.' Douglas Farrow, McGill University, Canada

The Epworth Era

Acts 1:9-11 is considered as the irrefutable proof of a yet future coming of Jesus, in a human body of flesh. But, is that claim true? Is there another, proper understanding of the text? In this well documented, clearly written book, Dan Dery looks "below the surface" and digs deeper into the theological significance, the covenant context, of Jesus' Ascension. Focusing on the covenantal language and the sacerdotal nature of the Ascension. The reader will be amazed at how superficial the traditional interpretation of this amazing text truly is, and will see, perhaps for the first time, the true meaning of the marvelous Ascension of the Great High Priest into the Most Holy Place. A truly amazing book!

The Guardian

The Spiritual Gifts

Ascension Now examines the New Testament references to the ascension and exaltation of Jesus and looks at the theological and liturgical implications. This includes not only the description of the "event" in the Gospel of Luke and the Acts of the Apostles but also the departure scene that concludes the Gospel of Matthew and the references to Christ as King, as Intercessor, and as "exalted in glory" elsewhere in the New Testament. It also notes the implications for Christians who pray and preach and foreshadows some developments in worship and practical living in the light of the ascension experience. The doctrine of the ascension of Christ is important to theological debates and to the liturgical developments of the Christian Churches. Unless we connect the Christ of history with the Christ of worship, we will fail to hold together the two essential poles of the Christian faith. Christ must be both in time and beyond time. He must have been in history and been more than just a historical figure. He must be both fully human and fully God. Only then can Christ be the object of our faith and our worship. The ascension of Jesus can be seen as the journey of the humanity of Christ into the heart of the Divine God

Get Free Jesus Ascended The Meaning Of Christs Continuing Incarnation

and of our journey in worship into the divine dimension of heaven. In *Ascension Now*, Bishop Atkins shows that in our worship we are never earthbound; we lift our hearts and minds up to where Christ is seated, symbolically reigning over the world. There he holds them tenderly in love as, through his redemptive power, we are transformed and renewed to fulfill the purposes of its Creator God. Chapters are "Introduction: The Importance of the Doctrine of the Ascension for Today's Church," "Prelude: New Ways of Seeing the Ascension," "The Biblical Evidence for the Doctrine of the Ascension," "The Theological Implications of the Doctrine of the Ascension," "The Liturgical Implications of the Doctrine of the Ascension," "The Implications of the Ascension for Our Personal Prayers," "The Implications of the Doctrine of the Ascension for Preaching," "The Implications of the Doctrine of the Ascension for Future Liturgical Practice," "Conclusion: Personal Implications of the Doctrine of the Ascension," and "Appendix: The Geography of the Ascension."

The Anointed Son

The Kingdom of the Occult delivers the timely followup to Dr. Martin's best-selling *The Kingdom of the Cults*. This book takes Dr. Walter Martin's comprehensive knowledge and his dynamic teaching style and forges a strong weapon against the world of the Occult—a weapon of the same scope and power as his phenomenal thirty-five year bestseller, *The Kingdom of the Cults* (over 875,000 sold). Chapters include: Witchcraft and Wicca, Satanism, Pagan

Jesus Ascended. What Does That Mean?

The New Testament of Our Lord and Saviour Jesus Christ: The Epistles and Revelation

The descent of Jesus Christ to the dead has been a fundamental tenet of the Christian faith, as indicated by its inclusion in both the Apostles' and Athanasian Creeds. But it has also been the subject of suspicion and scrutiny, especially from evangelicals. Led by the mystery and wonder of Holy Saturday, Matthew Emerson offers an exploration of the biblical, historical, theological, and practical implications of the descent.

Catechism

Jesus Ascended. What Does That Mean?

Spirit Christology complements Logos Christology in the same way in which Christ and the Spirit are mutually constitutive. Or at least this should be the

Get Free Jesus Ascended The Meaning Of Christs Continuing Incarnation

case. The history of Christian thought shows that Logos Christology has dominated, resulting in both an eclipse of Trinitarian doctrine and a diminution of pneumatology. Recently there have been calls to reclaim a theology of the Third Article in order to present a Trinitarian theology that is faithful to Scripture, the Great Tradition, and one that is existentially viable. While studies examine various aspects of Spirit Christology there has yet to appear a work that introduces the doctrine, examines the various mutually exclusive proposals, and offers a constructive trinitarian proposal. The present work does just this, introducing the constituent features of a Spirit Christology that is Trinitarian, orthodox, and contemporary. The current work proposes a model of Spirit Christology that complements rather than replaces Logos Christology and does so in a robustly Trinitarian framework. Within contemporary theology a pneumatically oriented approach to Christology is being advanced across denominational and traditional lines. Those wanting to navigate their way through the many competing proposals for a Third Article theology will find a comprehensive map here.

Symbolic Interactionism in the Gospel according to John

This is a textbook for theology of evangelism courses and for the biblical theological foundation for evangelism courses in colleges and seminaries.

Looking Unto Jesus

Get Free Jesus Ascended The Meaning Of Christs Continuing Incarnation

Discover the Power of the Ascension. Something happened. Jesus rose. But Christ didn't just rise from the dead. He ascended to Heaven. We hear the stories about Peter and John and all the heroes of the New Testament, and they're unstoppable Christians--fearless and bold. And sometimes we wrongly assume that they just got that way. That Christ died for their sins, and bam! They're instantly changed! On the contrary, the disciples were actually quite cowardly in their actions after the Resurrection. It wasn't until after the Ascension that they were on fire for Christ. So, what happened during the forty days? Something happened. There's more written about Christ's ministry before his death than the events that happened after his Resurrection, but when we look at Ascension, we begin to see that there's power in small details. We begin to see that something happened after the Resurrection--something happened to transform the lives of believers and make them more than followers. Looking at what happened after the Resurrection, and further at the Ascension of Christ, we start to see what happened to transform the followers--and in seeing this we might just be transformed ourselves. Something did indeed happen during the forty days. Jesus was not done teaching.
