This devotional book is about their stories. The 90 devotions feature the qualities of Bible characters that made them heroic. From Moses to Esther to Jesus, kids will learn more about how these Bible people

pleased God. They will know that qualities like courage, worshiping God, and being a true friend are heroic actions. The devotional features line drawings of the Bible characters to further help youth identify with and learn about the people in the Bible.

Do you ever feel your prayers are anemic? Hollow? Then this six-session video Bible study (DVD sold separately) is for you! Bestselling author Anne Graham Lotz

looks at the life of Daniel and unpacks the prayer he prayed in Daniel 9. Unlike the everyday now-I-lay-me-down-to-sleep kind of prayer, this was a prayer birthed under heartache, grief, desperation. It was a plea for Heaven to move and change his nation. For an entire generation, Daniel's people had been held in captivity and separated from their homeland—and thus separated from God. But when Daniel read a prophecy in which God said He would restore His people to Jerusalem after seventy years, he claimed that promise and cried out to the Lord to bring it to pass. Daniel's example of praying God's Word back to Him is what Anne calls "reversed thunder." In this study, Anne explains how we, too, can reverse the thunder until Heaven is moved and our own worlds change. Following the pattern of Daniel's original prayer, she helps us develop a more meaningful and powerful prayer life. As we learn how to storm the gates of Heaven and refuse to let go, we will see real change in the lives of not only those we are praying for, but also our own. Our prayers will become more effective as our faith is deepened and our personal relationship with God is strengthened. This guide includes weekly Bible study readings, video teaching notes, group discussion questions, group activities, and space for writing your own prayers. It is ideal for use in small groups and Sunday school classes and includes a simplified Bible study track for more limited meeting time (such as a workplace lunchtime setting). Sessions include: Preparing for Prayer Prompting in Prayer Pleading in Prayer Prevailing in Prayer The Battle in Prayer This study guide is designed for use with The Daniel Prayer Video Study (sold separately). A Facilitator's Guide is included on the DVD only, with Additional Resources.

### **Korean Stories For Language Learners**

God has always been interested in turning unlikely people into his most fervent followers. Prostitutes and pagans, tax collectors and tricksters. The more unlikely, the more it seemed to please God and to demonstrate his power, might, and mercy. America in the 1960s and 1970s was full of unlikely people--men and women who had rejected the stuffy religion of their parents' generation, who didn't follow the rules, didn't fit in. The perfect setting for the greatest spiritual awakening of the 20th century. With passion and purpose, Greg Laurie and Ellen Vaughn tell the amazing true story of the Jesus Movement, an extraordinary time of mass revival, renewal, and reconciliation. Setting fascinating personal stories within the context of one of the most tumultuous times in modern history, the authors draw important parallels with our own time of spiritual apathy or outright hostility, offering hope for the next generation of unlikely believers--and for the next great American revival. Those who lived through the Jesus Revolution will find

here an inspiring reminder of the times and people that shaped their lives and faith. Younger readers will discover a forgotten part of recent American history and, along with it, a reason to believe that God is not finished with their generation.

### **Expository Parenting**

There is much to be said for men and women who courageously evangelize on college campuses, in prisons, and near shopping centers. After all, the Bible indicates that disciples are primarily made by going out to meet lost people where they are. But make no mistake about it: if you're a parent, The Great Commission has come to you—in a bassinet, a booster seat, or a bunk-bed. While other parenting philosophies rely on "what seems to work" (i.e. pragmatism), "what we've always done" (i.e. traditionalism), or "what's right for us" (i.e. relativism), a better perspective is founded upon a biblical approach: teaching the full counsel of God and allowing Scripture to do its work in a child's heart. How do we accomplish this? We must examine the Bible's instructions for pastors, and then apply those principles in the home. In other words, just as the preacher must be committed to expository preaching, so too must the parent be committed to expository parenting.
