### **You Come When I Call You**

Remember the faery stories you were told as a child? Tales of tiny, magical, winged beings and elves, wicked witches and goblins. Demons . . . What if one day you found out they were true? What if, when you became an adult, you discovered they were all based on fact? What if you met the fantasy and it was all so very real? That's what happened to Thom Kindred. The wonders were revealed to him. But so were the horrors, for not far behind the Good, there always lurks the Bad. And the Bad had designs on Thom. The Bad would show him real evil. He would see the hellhaggas and the demons. He would be touched by perverted passion. And corruption. And he would encounter his own worst nightmare. The Bad would seek to destroy him. And only the magic of the little beings would be able to help him. Once, James Herbert's masterful novel of erotic love and darkest horror, will take you to a realm where fantasy and reality collide, where faerytales really can come true.

### **Zombie Fallout 5 Alive In A Dead World**

#### **Labyrinth13**

From birth to death, The War is all the citizens of Dystance know. As children it is drilled into their heads that war is the purpose behind all existence. Winter doesn't agree. She's stumbled across remnants of life the way it was before The War began and now she longs to be as free as her ancestors. With help from her best friend Cedar and the boy she is forbidden to love, Tallow. She believes she can do it. Winter can see a life beyond the Pickets, beyond the constant hunger and the threat of death, beyond the war machine. Can one teenage girl and her dream of a better life really change the whole world?

#### **American Zombie Gothic**

"It's been over a hundred years since man was finally able to stop the zombie

invasion. Mankind has begun to rebuild. Another threat, one more insidious, now threatens the populace. One man must once again rise to the challenge. Michael Talbot finds himself reluctantly thrust into the forefront of a war he wants nothing to do with." --Back cover.

## **Lycan Fallout 4: Immortality's Touchstone**

Late Fall 2010 Reuters Estimates say that nearly three thousand people nationwide, and fifteen thousand people worldwide have died of the H1N1 virus or Swine flu and nearly eighty thousand cases have been confirmed in hospitals and clinics across the United States and the world, the World Health Organization reported.

## **The Hollow Kingdom**

When U.S. Border Patrol Agent Christian Rivera discovers the body of an undocumented alien in the middle of the vast Sonoran Desert with three enigmatic words carved into her flesh, presumably by her own hand, it triggers a frantic search for the remainder of her party, a group of twenty-five men and women who have inexplicably vanished into the desert. Aided by two of the agency's best trackers, Rivera follows the woman's trail into the brutal heart of one of the hottest and most unforgiving landscapes on the planet, where nothing can survive for long. As more bodies turn up, Rivera and the others begin to realize they may be up against an enemy far deadlier than the desert, an unseen adversary that will stop at nothing to take from them what it needs to survive. A mythical evil that may not be myth at all, but horrifically real, could very well be stalking them, and their only hope of surviving the same fate that befell the missing party lies in deciphering the clues to their disappearance before it's too late. If it isn't already From Michael McBride, bestselling author of "Burial Ground" and "Snowblind," comes "Sunblind," a thrilling new novel of terror and action that will take you on an unforgettable journey from the desperate streets of Mexico, through the deadliest corridor in the world, to a place where mankind was never meant to tread.

## **A Little Book of Altar Magic**

## **Zombie Fallout**

She is coming for you.

## **Shadow Witch: Horror of the Dark Forest**

Labyrinth13 is packed with tales of unsolved murders, bizarre coincidences and strange occult experiments, including: a look at the possible solution to a Da Vinci Code-type occult cryptogram over 100 year old; odd paranormal events, including phantom black dogs, American vampires, a house that dripped blood, and a haunted island; weird hippie cults, LSD murders, mind control, and infamous crimes, including investigations into the Zodiac, Manson, and Son of Sam murders This book also contains detailed endnotes, fully cited resources, and highly

readable appendixes -- including interviews with key figures in some of the most unusual events in paranormal and true crime history.

## **Lycan Fallout: Rise Of The Werewolf: A Michael Talbot Adventure**

Can Mike battle back from the final outcome? Now that the world needs him the most. New and old threats emerge to claim a war-ravaged world on the verge of collapse. Lana, Bailey and Azile the Red Witch have assembled all that remains of man in one final battle that could determine the fate of mankind forever. And it just might not be enough.

## **Demon Fallout**

The planet has succumbed to a monstrous virus. Those who die from the infection return as savage predators hell-bent on spreading the virus to the rest of the human population. The UK and Ireland are the last hold-outs, but when the infrastructure supporting their self-imposed quarantine collapses, it's everyone for themselves. Mike Fletcher and his sister Emma live in Leeds. With the city's streets overrun by the dead, their only option is to flee. They take their younger siblings and set off to find their last remaining relative in the far north-west of Scotland. As they travel north they encounter other survivors - but who can they trust? Their terrifying journey will require them to confront horrors both human and inhuman, in the outside world and within themselves. Will they ever find a safe haven?

## **Sunblind**

In nineteenth-century England, a powerful sorcerer and King of the Goblins chooses Kate, the elder of two orphan girls recently arrived at their ancestral home, Hallow Hill, to be his bride and queen.

## **Zombie Fallout 12: Dog Dayz**

In the vein of Kelley Armstrong and Patricia Briggs, Amanda Carlson's debut is a new urban fantasy that rewrites the werewolf myth It's not easy being a girl. It's even harder when you're the only girl in a family of werewolves. But it's next to impossible when your very existence spells out the doom of your race Meet Jessica McClain -- she just became part of the pack.

## **Once**

The Talbot clan has settled in to life at Etna Station. Mike has earned the rank of Lieutenant, but there's no time to rest. Colonel Bennington has ordered Mike and his squad of misfits on a secretive mission to New York City where they are tasked to complete a complicated rescue that rapidly becomes nearly impossible to accomplish. Cut off from all support, they face what may be the single most dangerous threat to all mankind as a super predator emerges from the rubble of the once vibrant city, now a broken shadow of its former self. As their mission becomes more covert and questionable than they had originally been told, Mike,

BT, Gambo and their team are forced to choose between the security of their families and what's best for Humanity. Will they succeed in what must be done? Or will they fall along the way as their ever-adapting, quickly evolving zombie enemies press the attack?

## **Safe Haven**

Mike and his family escaped a vast zombie horde to find themselves imprisoned by a clandestine group that seeks global domination by the most nefarious means possible. Help is coming, in the form of a 500 year old Pop-Tart loving vampire named Tommy. Will he be enough to get the Talbots to freedom or will he succumb to monsters new and old? On top of all this Mike discovers that he is in the crosshairs of an ancient enemy and it is only a matter of time until the final showdown.

## **Lilith's Dream**

The object of any altar is for it to symbolize what you want to attract in your life. This book gives a brief history of altars and how, unknowingly, people are constantly building altars around them.

## **Lycan Fallout**

First in the cult classic trilogy: "A fantastic zombie novel . . . There are many layers to this zombie apocalypse, and this book just gets things rolling" (Booklist). Welcome to New York City, Population Zero? The power grid has collapsed. There is no running water, no light, no heat. The massive neon signs of Times Square are dark now, and the subway trains crouch silent in their tunnels, waiting for commuters who will never return. An epidemic of staggering lethality has passed over the city and left nothing living in its wake. And yet the city is not deserted. The dead have returned to life, and they're hungry. The millions of people who once worked and lived in New York have been turned into cannibalistic monsters whose only function is to consume. No living person would dare enter the city--it would be suicide. Dekalb doesn't have a choice. He must protect his daughter's future, and that means retrieving vital medical supplies from the UN building in Midtown. A cadre of teenage girl soldiers have been recruited to help him find what he needs, and get back alive. They're well armed. They're devoted to their mission and willing to sacrifice anything to pull it off. But the odds against them are staggering. Especially when it turns out that not all zombies are created equal. Deep inside the city a medical student named Gary comes back from the dead different--his mind is intact. He can still think and feel. He's hungry, just like the rest, but unlike them he can plan, plot, and scheme. He can even lead the others, bending them to his will. Soon he has a small army at his command, a growing mob of rotting corpses all devoted to one cause: to find meat for their master. When Dekalb and Gary cross paths sparks will fly, destinies will clash--and the future of humanity will be decided, one head shot at a time.

## **Alone No More**

Glen Duncan delivers a powerful, sexy new version of the werewolf legend, a riveting and monstrous thriller--with a profoundly human heart. Jake Marlowe is the last werewolf. Now just over 200 years old, Jake has an insatiable appreciation for good scotch, books, and the pleasures of the flesh, with a voracious libido and a hunger for meat that drives him crazy each full moon. Although he is physically healthy, Jake has slipped into a deep existential crisis, considering taking his own life and ending a legend that has lived for thousands of years. But there are two dangerous groups--one new, one ancient--with reasons of their own for wanting Jake very much alive.

## **Demon Fallout: The Return**

The world of man was brought to its knees with the zombie apocalypse. A hundred and fifty years have passed since man has clawed and climbed his way from the brink of extinction. Civilization has rebooted, man has begun to rebuild, to create communities and society. It is on this fragile new shaky ground that a threat worse than the scourge of the dead has sprung. One man finds himself once again thrust into the forefront of a war he wants nothing to do with and seemingly cannot win. Follow along as Michael Talbot attempts to thwart the rise of the werewolf.

## **Zombie Fallout 4 The End Has Come and Gone**

An ancient vampire, beautiful beyond words, a vulnerable young man drawn to her by a power beyond his understanding, two desperate parents searching across the world for the son they love -- these are the riveting, unexpected elements of Whitley Strieber's extraordinary new novel. Lilith, the ages-old mother of the dying race of vampires, has been forced to come out of her cave deep in the Egyptian desert in search of food -- human blood. But she knows nothing about the modern world. She can't drive a car, rent a room, turn on a TV. She struggles to New York, penniless, vulnerable, and starving, protected only by her beauty and her power to capture men with desire especially certain very special men. The instant she sees young Ian Ward, she knows that he is part vampire himself. She knows that Ian, if he ever tastes human blood, will belong to her forever. And she needs him desperately, to help her survive and live in this harsh new world of jets and credit cards and guns. She sets out on a campaign of seduction -- as sensuous as it is terrifying -- to touch human blood to Ian's lips, which will then become for him a drug a thousand times more addictive than heroin. Ian's father, Paul Ward, part vampire turned expert and obsessive hunter of vampires, knows that if the blood transforms Ian, Paul will have to kill his own son. The titanic conflict between father and son and seductress, hunter and hunted and huntress, comes to its surprise conclusion in the secret chambers beneath the great pyramids, where the hidden truths of all human history are stored. From its beginning in the dark back alleys of Cairo to its totally unexpected ending, Lilith's Dream draws the reader down seductive new paths of discovery, into places where no novel has ever before. With Lilith's Dream Whitley Strieber has created a vampire so original and a story so new that he has virtually invented a new genre.

## **Zombie Fallout 7**

Eliza turned to Tomas "This is the endhe is no longer alive in a dead world."

## **Red Team**

## **Man of Steel**

Realizing you have a surviving neighbor after the world is overtaken by the undead isn't always a good thing. Unless that neighbor is the grumpy, armed and retired Green Beret Gilbert Donohue. In that case, finding out you've got a neighbor is a lot like hitting the proverbial jackpot. Adrian's piecemeal life on campus since "That Day" has been a struggle. Retrieving supplies from local neighborhoods filled with the walking dead has been dangerous for him, but he's stayed alive by being a little smarter than the other survivors, and a lot faster than the roaming, hungry zombies that have overtaken his home town, and the world. In Alone No More, the second installment in the smash hit series Adrian's Undead Diary, Adrian's life is poised to become even more complicated and dangerous when some familiar faces find their way to ALPA with some less than friendly folks on their tail. For the

first time the breadth of Adrian's Apocalypse widens to reveal the death of one of the oldest cities of mankind in one of the most popular of all the AUD short stories: Jerusalem. Sometimes in the cold of winter, the only thing that can keep you warm is freshly spilled blood. Alone No More is the second entry in the AUD series, and covers Adrian's journal entries from December 3rd 2010 through December 27th 2010. Intermingled with his personal diary entries Alone No More also contains five short stories. One Mistake: The Last Stand of Hall B, Putting a Name to a Face, Exodus, Jerusalem, and The Chief.

## **Zombie Fallout 10: Those Left Behind**

Zombie stories are peculiarly American, as the creature was born in the New World and functions as a reminder of the atrocities of colonialism and slavery. The voodoo-based zombie films of the 1930s and '40s reveal deep-seated racist attitudes and imperialist paranoia, but the contagious, cannibalistic zombie horde invasion narrative established by George A. Romero has even greater singularity. This book provides a cultural and critical analysis of the cinematic zombie tradition, starting with its origins in Haitian folklore and tracking the development of the subgenre into the twenty-first century. Closely examining such influential works as Victor Halperin's *White Zombie*, Jacques Tourneur's *I Walked with a Zombie*, Lucio Fulci's *Zombi 2*, Dan O'Bannon's *The Return of the Living Dead*, Danny Boyle's *28 Days Later*, and, of course, Romero's entire "Dead" series, it establishes the place of zombies in the Gothic tradition. Instructors considering this book for use in a course may request an examination copy here.

## **Indian Hill 7: Defeat's Victory**

Ariana has been stuck inside a cage as long as she can remember. From one master to the next, she hasn't known kindness since her parents were alive, and even then, she never belonged to herself. When a handsome werewolf saves her from the fighting pits, Ariana's life is turned upside down. Thrown into a brand new world, Ariana discovers she's not only a wolf, but the Silver Shifter, a being born every hundred years, and she's supposed to be the last. But her hot new alpha is hiding more than he's telling, including the alphas of the other New York packs. Wolves. Dragons. Bears. Panthers. Each pack is holding back a secret from her, like why Ariana feels an unnatural pull to each. This is a reverse harem paranormal romance that features one kick-butt woman and her four shifter mates. It contains violence, medium burn romance, sexually explicit content, magic, vampires, and a lot of action. For ages 18]. Scroll up to claim your copy today! The Series: Her Wolf (March 12th) Her Dragon (April 9th) Her Bear (May 7th) Her Panther (June 4th)

## **Castle of Shadow**

The rescue of hostages stirred up a hornet's nest. Not one to take a defeat, the cartel plans for retaliation. News of an impending attack drifts through the intelligence channels and Red Team is called on to respond. On the other side of the world, the mysterious group taking out special operations teams strikes again. The symbols carved into foreheads they leave behind the only clue of their

existence. Deep in the forests, hunters of a different nature prowl the nights. Under the light of the full moon, they run silently through the woods, the blur of ghostly gray shapes but a whisper in the gloom. Death comes calling with the first glimpse of golden eyes and low growls.
