### **The Ape**

In this graphic novel, presented in English for the first time, the Italian "Crumb"

portrays a lost generation of late 1970s/early 1980s teenagers coping with family problems, school, sex, and drugs. A true visionary, with a fluid line and an uncanny sense of color and composition, Paziienza's innovative graphic style served up stories that were iconoclastic, outrageous, humorous, and deeply personal, often based on himself and his microcosm of friends and collaborators. Paziienza was a revolutionary cartoonist who ushered an underground sensibility to Italian and European comics, breaking from the more staid tradition of genteel adult (and children's) graphic albums.

### **Manara Valgimigli**

Auguste Rodin (1840-1917), whose status as the greatest sculptor of the late nineteenth century is undisputed, belongs among the few artists whose fame is based equally upon public and critical acclaim. Rodin's espousal of the erotic, his depiction of it in a bewildering variety of manifestations, is the leitmotiv that unites his vast oeuvre of sculptures and drawings. Women's sexuality appears in Rodin's work as both threat and challenge, but also as the source of all creative inspiration and passion. Selected sculptures have been rephotographed specially for this book. Superbly reproduced, and supplemented by color illustrations of some of the artist's late drawings they constitute a fascinating visual essay on the theme of the erotic in Rodin's work. Exploring the ramifications of eros in Rodin's sculpture and drawing, wide-ranging essays address such topics as the nature of the fragment

and its role in Rodin's work, the artist's relationship to the model, his religiosity, and his influence both on his contemporaries and on artists throughout the twentieth century.

In Kairos, French graphic novelist Ulysse Malassagne turns the typical damsel-in-distress narrative on its head. With stunning art, epic battle scenes, and unexpected plot twists, Kairos forces you to question where to draw the line between hero and antihero. Nills and Anaelle are looking forward to their first night in their rustic cabin in the woods. But the couple's idyllic vacation is suddenly thrown into turmoil when a strange flash of light bursts from the fireplace. A portal appears, and out of it spill dragon-like creatures that are armed to the teeth. They grab Anaelle and flee back through the portal, leaving a distraught Nills with a sudden decision: stay behind, or leap through after her? He leaps. And that's when things get really weird.

### **Gals on the Run**

Ghost Rider made his first appearance in Tim Holt issue #11, published by Magazine Enterprises, in May, 1949. The character combined a mixture of two distinct genres: horror and western. Ghost Rider was created by artist Dick Ayers and writer Ray Krank for the title's editor, Vincent Sullivan. In the original story, Ghost Rider is the Calico Kid and his horse is called Ebony. The only person who knows his true identity is Sing Song his Chinese sidekick. His persona changed in the second outing, this time he was Rex Fury, a Federal Marshal and his horse was now renamed Spectre. The Ghost Rider's fate was sealed with introduction of the Comics Code Authority in 1954. The CCA was formed by the comic book industry amid concern about 'inappropriate material' in many comic books, this included horror and Ghost Rider was shelved.
