Great Artists and Musicians

Encourage students in grades 4 and up to improve their research skills and test scores using Note Taking. This 48-page book helps students develop strategies for effective note-taking from textbooks, novels, research, online resources, and classroom lectures. It illustrates techniques such as Venn diagrams, webs, tables, lists, summaries, scanning, note cards, and cause and effect. The book also includes teacher ideas for note-taking activities, references, and answer keys.

World Geography Puzzles, Grades 6 - 12

Connect students in grades 5–8 with science using General Science: Daily Skill Builders. This 96-page book features two short, reproducible activities per page and includes enough lessons for an entire school year. It provides extra practice with physical, earth, space, and life science skills. Activities allow for differentiated instruction and can be used as warm-ups, homework assignments, and extra practice. The book supports National Science Education Standards.

English Skills, Grade 7

Strengthen students' knowledge of basic math operations, fractions, decimals, geometry, algebra, metrics, and more! This fun, classroom supplement presents math skills reinforcement through

crossword, word search, hidden number, and hidden message puzzles; quizzes and answer keys are also included. Mark Twain Media Publishing Company specializes in providing captivating, supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, the product line covers a range of subjects including mathematics, sciences, language arts, social studies, history, government, fine arts, and character. Mark Twain Media also provides innovative classroom solutions for bulletin boards and interactive whiteboards. Since 1977, Mark Twain Media has remained a reliable source for a wide variety of engaging classroom resources.

Interactive Notebook: Physical Science, Grades 5 - 8

Bring history to life for students in grades 5 and up using Theater Through the Ages! In this 96-page book, students research and discover the history of theater. The book covers topics such as primitive theater, Greek theater, the Middle Ages and the Renaissance, Shakespeare, musicals, Sophocles, Ibsen, and Tennessee Williams. The book presents and reinforces information through captivating reading passages and a variety of reproducible activities. It also includes historical overviews, biographical sketches, and a complete answer key.

Statistics & Probability, Grades 5 - 12

Encourage students to create their own learning

portfolios with Interactive Notebook: Earth and Space Science for grades five through eight. This interactive notebook for science students includes 29 lessons in these four units of study: -geology -oceanography -meteorology -astronomy This personalized resource helps students review and study for tests. Mark Twain Media Publishing Company specializes in providing engaging supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, this product line covers a range of subjects including mathematics, sciences, language arts, social studies, history, government, fine arts, and character.

Vocabulary Building, Grade 6

Take students in grades 5 and up on a field trip without leaving the classroom using Music of Many Cultures! In this 80-page book, students explore the musical traditions of Southeast Asia, Latin America, India, ancient Persia, and Africa. The book covers topics such as the bells of Bali, the dances of Latin America, Holi in Allahabad, Bengali poetry duels, and Jongo drums. The book presents and reinforces information through captivating reading passages and a variety of fun, reproducible activities. It also includes a complete glossary, index, and answer key.

American Popular Music, Grades 5 - 8

Diagraming Sentences will help students of all ages learn how the parts of speech fit together to make clear and complete sentences. This 48-page book

shows visual learners how to diagram sentences to help them understand why some sentences may not sound or look right. The book also includes fun practice activities, review activities, a glossary, and answer keys.

Music A.D. 450-1995

Reinforce good scientific techniques! The teacher information pages provide a quick overview of the lesson while student information pages include Knowledge Builders and Inquiry Investigations that can be completed individually or as a group. Tips for lesson preparation (materials lists, strategies, and alternative methods of instruction), a glossary, an inquiry investigation rubric, and a bibliography are included. Perfect for differentiated instruction. Supports NSE and NCTM standards, plus the Standards for Technological Literacy.

U.S. States and Territories Maps, Grades 5 - 8

Mark Twain's Statistics and Probability resource book for fifth to twelfth grades provides opportunities for students to organize and interpret data. From predicting an event to conducting surveys and analyzing test scores, this resource book for math teachers helps students understand how these concepts are applied in real-world scenarios. Mark Twain Media Publishing Company specializes in providing engaging supplemental books and decorative resources to complement middle- and

upper-grade classrooms. Designed by leading educators, this product line covers a range of subjects including mathematics, sciences, language arts, social studies, history, government, fine arts, and character.
