### **Praying The Names of God**

God has a divine plan to release his people from the curse of desolation and barrenness. Satan also has a strategy, however, which is to lock us to our past. He uses a threefold cord of the demonic spirits of Jezebel, Athaliah, and Delilah--strongholds that seek to destroy not only us but also generations to follow--to block us from victorious Christian living. But by exposing the plans of the enemy, God's people can be released from barrenness and launched into expansion, growth, and multiplication. Sandie Freed takes readers through a close study of each of these demonic forces in order to prepare them to break the threefold demonic cord. Conducting a biblical exploration of the everyday tactics of each spirit,

## **Praise, Precept, and Prayer; a Book of Family Worship**

.This Book Contains 500 Powerful prayers against the powers of darkness, Evil forces, Powers of the Witches and all rulers of darkness of this world. According to Ephesians 6:12 which states "For we wrestle not against flesh and blood, but against principalities, against powers of darkness, against spiritual wickedness in high places." When considering Prayers against the powers of darkness we need to understand that we are in a war. Battles make up smaller components of the bigger picture. By definition, battles involve combat between two persons, between factions, between armies and they consist of any type of "extended contest, struggle, or controversy" As Christians, we are in a spiritual battle of some sort on a daily basis. In warfare, battles are fought on different fronts, for different reasons, and with varying degrees of intensity. The same is true in spiritual warfare. Our spiritual battles and warfare are real, though we cannot physically see the attacker. But, we can educate ourselves on how the battles are fought and how they impact our lives on a daily basis. We have to ask ourselves, "Why do we even want to fight?" It will do us no good to educate ourselves on the battle if we see no reason for the fight. War is very controversial today in the physical realm. Those attitudes, beliefs and convictions will transfer over to the spiritual realm. However, in the spiritual realm, there is a battle going on regardless of our opinion. We are either victors or victims. Jesus has come and conquered. The war is already won in the heavens.

Jesus told us in Matthew 28:18 that, "All authority has been given to me in heaven and on earth." We now have the privilege of having an eternal relationship with God. Many of us enter into that covenant of salvation by grace. But the Matthew 28:18 verse is not only about our salvation; it is also about our every day victory, which adds up to victorious living in Christ. Every day victory is achieved by knowing, believing and understanding the battles that we are enduring daily, regardless if we are passive or active in the battles. Do you want all that God has for you on this earth right now, or do you want to wait until you get to heaven to receive the victory and blessings? In this Book you will understand the Battle of Spiritual Warfare together with over 500 prayers that will enable you to fight the powers of darkness and be victorious. The prayers ensure that you will recover all your possessions and your God given potentials in you. You will also get back all that the Devil has taken away from you. I thank God through Jesus Christ, who has called and chosen me to do His special work. The book is devoted to our Master, Jesus Christ, who was there for me during the writing of this book till the end of it. To God alone be all the glory and honour, for it belongs to Him. The purpose of this book is to help people to recognise God as the Almighty God and the one who wants to reconcile men back to Him like it was originally intended to be from the beginning, and if it does not, then it will lose its significance. To Jehovah the Most High God, who is able to do exceedingly, far above what we think and can imagine be majesty for ever and ever. To the people who read this book, my prayer is that the eyes of your understanding may be enlightened for Jesus made this book especially for you so that you may not perish but repent. To Christians all over the world, to those who are ready for the coming of Jesus, rejoice and make sure that

Think you have nothing to do with Jezebel? After reading this book, you will think again. "Overthrowing Jezebel" walks you through the personal testimony of Koby Carter and how the Lord Jesus delivered her from the spirits of witchcraft and Jezebel. Through this book Koby declares, The witch-hunt is over! In overthrowing Jezebel the 21st Century church has neglected the human soul behind the stigma of the Jezebel spirit. "Overthrowing Jezebel" ministers deliverance and healing in a manner which will annihilate the spirits of Jezebel and witchcraft, but conserve the human soul involved. Koby's no-holds-barred style of ministering is depicted within the pages of this book. Every reader will be challenged to examine themselves and confront these spirits if present. The anointing for deliverance and healing flows throughout the pages in a way that motivates

I pour out from the very depths of my spirit as I invite you into my prayer closet, my personal journal, my time of worship; every avenue in which the Lord poured this book into me, I now open it up to you." Once you read "Overthrowing Jezebel" you will never be the same!

Jezebel's Apprentice is a true story, written to show Christians how the devil plans to steal your future. It is a book written to expose the tricks of the devil against Christians and his plans to rob you of your desires and the secret petitions of your heart. If your call from the Lord and the desires of your heart are eluding you and fading away, then this book is for you. There is a dying world of Christians that have become discouraged and have given up on ever amounting to anything in the Kingdom of God. Read how the Lord took the "least of the least" and led her from one level to the next on the "warrior's path." Like you, she was simply the Lord's child following His footsteps as He taught her to slay the dragons. At first it was in baby steps, chasing the little ones and gradually the path grew steeper and the dragons grew bigger; but her Father always helped to gain the victory for His glory. You too can find yourself on "the other side of victory." Anita Collins of Freedom

"Gustav Oehler's Theology of the Old Testament is helpful to ministers and biblical students due to its subject, its wide range of thought, the thoroughness with which the topics are examined and discussed, and the positive results to which the author arrives. Oehler focuses on the supernatural character and gradual progress of revelation in the Old Testament. He is able to embrace the whole field of Israel's history in its connection with the founding of a kingdom of God among men and weaves the whole into a thorough unity of which the final expression is Christ. The paramount character of the Theology of the Old Testament is the clear exhibition of God's revelation of Himself and the divine manner in which men were educated for the coming of Christ and the truths which He came to teach. In the careful tracing of these thoughts, as revealed in facts and by words in the Old Testament, Oehler has presented the theology of the Old Testament in a form which at one and the same time meets the demands of theological science and the practical wants of the Christian believer. He has produced a work which stands, as Dr. Schaff has said, "at the head of this department of biblical study"--Logos Bible Software.
