Based on over three decades of counseling, as well as scientific and biblical research, Dr. Emerson Eggerichs and his wife, Sarah, have already taken the Love & Respect message across America and are changing the way couples talk to, think about, and treat each other. What do you want for your marriage? Want some peace? Want to feel close? Want to feel valued? Want to experience marriage the way God intended? Then why not try some Love and Respect. When either of these needs isn't met, things get crazy. Love & Respect reveals why spouses react negatively to each other, and how they can deal with such conflict quickly, easily, and biblically. What readers say about Love & Respect "I've been married 35 years and have not heard this taught." "This is the key that I have been missing." "You connected all the dots for me." A Premarital Guide for Couples and Their Counselors

During the past fifty years, Western culture has experienced a significant shift in its overall stance regarding multiethnic marriage. As a result, more North Americans than ever marry spouses whose ethnicity (or culture) differs from theirs. This trend also is observable in Christian circles. Unfortunately, few resources exist to help multiethnic couples maneuver through the potential minefield of cultural collision. The purpose of this volume is to provide such a resource. Equally Yoked examines the subject of multiethnic marriage from a biblical perspective, before considering a history of the practice in North America over the last four centuries. Additionally, this book surveys the challenges that multiethnic Christian couples

frequently encounter, and offers premarital counseling propositions that will prove valuable to both counselors and couples who originate from diverse backgrounds.

Why Are Foxes on the Cover of this Premarital Guide? Because every marriage has "foxes" lurking inside it! We all have idols and selfish appetites-and, like the foxes in Solomon's vineyard, they can cause untold destruction and heartache. In fact, how seriously a couple takes their own foxes will influence whether their marriage blooms and glorifies God, or is a shallow and pale imitation of the real thing. In this workbook for both individuals and groups, biblical counselor John Henderson stimulates meaningful conversation and prayer between engaged couples. The book's interactive format provides couples with a foundation for understanding what marriage is really about, becoming a godly husband or wife, and understanding conflict and resolving it biblically. Sit down together, ask a married couple to come alongside you, and get
