Snoopy is no ordinary beagle! Throughout the years, he has adopted many personas, each unique and full of personality. As Joe Cool, he's aloof, unflappable, above the fray, the hip dog we'd all like to be. As the World War I Flying Ace, he engages in aerial combat with the notorious Red Baron. Snoopy has adopted various guises, and pretended to be all sorts of different animals . . . and people. The Many Faces of Snoopy celebrates eight of Snoopy's most popular alter egos, along with quotes from Snoopy himself.

Learn how to sit, stay, and roll over with this fully illustrated, "delightful" guide to yoga starring man's best friend (Shutterbug magazine). Inspired by a friend's mastiff who would imitate his master's morning yoga routine, photographer Dan Borris created Yoga Dogs, a full-color collection of forty-five different dogs and puppies doing human yoga poses. Don't worry: No animals were harmed during the making of these images; their extreme flexibility is the result of clever digital trickery. The curious, humorous, and distinctly original pictures are paired with useful information about the poses, as well as some funny canine meditations. "A fresh and highly entertaining visual treat," Yoga Dogs is perfect for any yogi of the two or four-legged variety (Shutterbug magazine).

A funny thing happened on the way to the quilt show. . . . So the story invariably goes, because, where Robbi Joy Eklow (a.k.a. The Goddess of the Last Minute) goes, something funny is bound to happen--or simply to occur to her. As colorful and surprising as the quilts Robbi is famous for, the stories and reflections gathered here create an irresistible picture of an irrepressible character quilting and quipping her way through life. Filled with the kind of gems that have made her Quilting Arts Magazine column so popular, this book includes Robbi's musings on creativity and color, as well as on the trials and tribulations that every quilter faces. The Goddess of the Last Minute invites readers to take a wry look at those trials--and, with Robbi's wit and insight, turn them into the sort of crazy quilt that warms and brightens daily life. The story of how she became a Goddess, anecdotes of life on the road, encounters with fellow quilters: these and other often hilarious tales of a not-quite-charmed life make this quilter's compendium a delightful patchwork to contemplate, and to treasure.
