"To this day we have not the slightest idea what it was Jesus twice scribbled in the sand. By and large the commentaries have asked the wrong question through the ages. They labor over the content, over what he might have written. They ask what, without ever realizing the real question is why? It was not the content that mattered but why he did it. Unexpected. Irritating. Creative." Singer, songwriter and diligent student of Scripture, Michael Card is well known for the depth of his lyrics and the artistry of his music. But far more significant than the songs he has penned is the source of his inspiration--the creativity embodied in Jesus Christ, the incarnate Word of God. In his book *Scribbling in the Sand* Card explores the biblical foundations of true Christian creativity. Whether we think of ourselves as creative
