Sofia the First: Blue Ribbon Bunny

A “deliciously frothy fairy tale” from the award-winning author of *The Book of Boy* and the *Dairy Queen* series (Horn Book Magazine, starred review). Catherine Gilbert Murdock’s talents for storytelling and creating strong female characters take a fresh turn in this spirited and sophisticated fairy tale. Benevolence is not your typical princess. With her parents lost to assassins, Princess Ben ends up under the thumb of the conniving Queen Sophia. Starved and miserable, locked in the castle’s highest tower, Ben stumbles upon a mysterious enchanted room. So begins her secret education in the magical arts: mastering an obstinate flying broomstick, furtively emptying the castle pantries, setting her hair on fire . . . But Ben’s private adventures are soon overwhelmed by a mortal threat to her kingdom. Can Ben save the country and herself from foul tyranny? “Murdock spins a rip-roaring yarn that borrows fairy-tale conventions (particularly from “Sleeping Beauty”) and reverses them to suit her strong, resourceful heroine. The wild adventure, intricately imagined setting, memorable characters, and romance will charm readers, especially fans of Gail Carson Levine’s *Fairest*.”—Booklist (starred review) “Murdock’s first venture into fantasy offers a fairy tale with several twists and surprises, and readers will be drawn into the world and moods that she creates.”—School Library Journal “Readers will love every minute they spend with [Princess Ben].”—Teensreadtoo.com This ebook includes a sample chapter of *Wisdom’s Kiss*.

The Word Collector

The Missing Necklace

Sofia Petrovna is Lydia Chukovskaya's fictional account of the Great Purge. Sofia is a Soviet Everywoman, a doctor's widow who works as a typist in a Leningrad publishing house. When her beloved son is caught up in the maelstrom of the purge, she joins the long lines of women outside the prosecutor's office, hoping against hope for good news. Confronted with a world that makes no moral sense, Sofia goes mad, a madness which manifests itself in delusions little different from the lies those around her tell every day to protect themselves. Sofia Petrovna offers a rare and vital record of Stalin's Great Purges.

Drop of the Sea, A

From National Book Award Finalist Eliot Schrefer comes the compelling tale of a girl who must save a group of bonobos -- and herself -- from a violent coup. Congo is a dangerous place, even for people who are trying to do good. When Sophie has to visit her mother at her sanctuary for bonobos, she's not thrilled to be there. Then Otto, an infant bonobo, comes into her life, and for the first time she feels responsible for another creature. But peace does not last long for Sophie and Otto. When an armed revolution breaks out in the country, the sanctuary is attacked, and the two of them must escape unprepared into the jungle. Caught in the crosshairs of a lethal conflict, they must struggle to keep safe, to eat, and to live. In *ENDANGERED*, Eliot Schrefer plunges us into a heart-stopping exploration of the things we do to survive, the sacrifices we make to help others, and the tangled geography that ties us all, human and animal, together.

Sofia's Dream

"Roth uses a variety of papers and fabrics to make the clever, intricate collages that accompany her text. The repetitive rhyme asks readers, "What can you see ?" on the rooftops, in the window, and around the house tonight. The reply is "I can see one monster in the pale moonlight," " two dragons in the pale moonlight," etc. The last spread includes an angel "to keep me safe and sound." Some of the collage creatures could be frightening to little ones, although the constant presence of the mother with the child in every picture is reassuring. Older children will admire the artwork and enjoy identifying the different materials used to make the pictures. They will delight in counting the monsters from 1 to 10 and echoing the rhythmic chant as it is read to them. An unusual book that will fascinate youngsters." - School Library Journal. Narrated by Anthony Call (Star Trek, The Twilight Zone).

Disney Sofia the First Magical Story with Lenticular

Sofia comes from a family of storytellers. Here are her tales of growing up in the barrio in McAllen, Texas, full of the magic and mystery of family traditions: making Easter cascarones, celebrating el Dia de los Muertos, preparing for quinceañera, rejoicing in the Christmas nacimiento, and curing homesickness by eating the tequila worm. When Sofia is singled out to receive a scholarship to boarding school, she longs to explore life beyond the barrio, even though it means leaving her family to navigate a strange world of rich, privileged kids. It's a different mundo, but one where Sofia's traditions take on new meaning and illuminate her path. From the Hardcover edition.

Home starts to sound not-quite-so-bad, especially when Mom reports that someone from the moon has moved in to Sophia's old room, they're having spaghetti for dinner, and they're reading Sophia's favorite story at bedtime. A through line of unconditional love underscored with lots of humor and imagination makes this picturebook a stellar pick for storytime.

Sofia Petrovna

The New York Times bestseller Sophia Amoruso spent her teens hitchhiking, committing petty theft, and dumpster diving. By twenty-two, she had resigned herself to employment, but was still broke, directionless, and working a mediocre day job she'd taken for the health insurance. Eight years later, she is the founder, CEO, and creative director of Nasty Gal, a \$100 million plus online fashion retailer with more than 350 employees. Sophia's never been a typical CEO, or a typical anything, and she's written #GIRLBOSS for outsiders (and insiders) seeking a unique path to success, even when that path is winding as all hell and lined with naysayers. #GIRLBOSS proves that being successful isn't about how popular you were in high school or where you went to college (if you went to college).
