Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q

soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

The Engineer

Adobe Photoshop Lightroom was designed from the ground up with digital photographers in mind, offering powerful editing features in a streamlined interface that lets photographers import, sort, and organize images. In this completely updated bestseller, author Martin Evening describes features in Lightroom 5 in detail from a photographer's perspective. As an established commercial and fashion photographer, Martin knows firsthand what photographers need for an efficient workflow. He has been working with Lightroom from the beginning, monitoring the product's development and providing valued feedback to Adobe. As a result, Martin knows the software inside and out, from image selection to image editing and image management. In this book he'll teach you how to:

- Work efficiently with images shot in raw or JPEG formats
- Import photographs with ease and sort them according to your workflow
- Create and manage a personal image and video library
- Quickly apply tonal adjustments to multiple images
- Integrate Lightroom with Adobe Photoshop
- Export images for print or Web as digital contact sheets or personal portfolios
- Make the most of new features in Lightroom 5, such as extended spot removal, Upright™ corrections, and Smart Previews

Photographers will find Lightroom 5—and *The Adobe Photoshop Lightroom 5 Book*—indispensable tools in their digital darkrooms. "With Martin's expert guidance, you'll soon find that you have precisely the tools you need to turn your concentration back where it belongs—on making better pictures!" —George

Jardine, digital photography consultant “As a photographer himself, Martin Evening knows what tools photographers need to realize their creative vision. In this book, he shows not only how Adobe Photoshop Lightroom works but also why it will become an essential part of any photographer’s workflow.” —Greg Gorman, photographer

The Best of Sears Collectibles, 1905-1910

Surveys the latest developments in safety systems, marine electronics, radar, and communications, and includes information on tides, and currents, weather, and navigation

****You ask. You receive!***** Have you read Bully and the rest of the Fall Away series? Would you enjoy having all the bonus content in one place? Adrenaline is approximately 36, 000 words of bonus scenes, deleted scenes, character conversations, and Q&As shared over the past few years and is mostly material not found in the actual books. Here, you'll find Jared and Tate's Chemistry Lab Scene, Valentine's Day Scene, and Anniversary Scene Madoc and Fallon's Morning After Deleted Scenes from Bully and Falling Away The epic Next Generation Bonus Scene! And much, much more! (Remember the boys shopping for tampons? Yep, that's here, too.) Again, this is not a novel. It's simply bonus content for the entire Fall Away series. Please note: This book is also available at www.wattpad.com for FREE. You do not have to pay for it! I've made it available here to accommodate readers who wished to have Adrenaline with the rest of the Fall Away series in their Kindle libraries for easier access. If you feel you've purchased it in error, please feel free to return it. Fall Away Series in order: Bully Until You Rival Falling Away Aflame
