Choreographing Shakespeare presents a hitherto unexplored history of the choreographers and performers who have

created dance adaptations of Shakespeare. This book investigates forty dance works in genres such as ballet, modern dance, and hip-hop, produced between 1940 and 2016 by choreographers in Britain, America, and Europe, all of which use Shakespeare's plays and Sonnets as their source material. By combining scholarly analysis of these productions with practice-based conversations from six contemporary choreographers, Klett offers both breadth of coverage and in-depth analysis of how Shakespeare's poetic language is translated into the usually wordless medium of dance, and shows exactly how these dance adaptations move beyond the Shakespearean texts to engage with musical and choreographic influences. Ideal for students of Shakespeare and Dance Studies, *Choreographing Shakespeare* explores how dance adaptations strive to design legible and intelligible stories, while ultimately celebrating the beauty of pure movement.

Set around 12 German-speaking people and the worlds they live in, WELTEN focuses on the development of communicative competence and literacy through texts in various modalities. WELTEN helps students to acquire and practice functional language abilities while at the same time developing interpretive and analytical competencies and an appreciation of the aesthetic qualities of language. Through current, relevant, and meaningful materials, students learn to use language while seeing the world through the eyes of others, ultimately learning about themselves and the world they live in. With its innovative and integral video program, its contextualized and learner-centered presentation of grammar, and its unique selection of engaging texts from a broad range of genres, WELTEN brings a new approach to introductory German.

Business Start-up is a two-level (CEF level A1/A2) Business English course for adults who need English for their work. This new Business English course takes beginners and false beginners from basic English up to the point where they can start preparing for the BEC Preliminary examination. Business Start-up brings reality to the most basic levels of language learning through the use of authentic material, real companies and credible communication scenarios, ensuring that adult learners remain interested and motivated. Communication skills are carefully prioritized, allowing learners to start working in English at the earliest opportunity. To complement the professional English syllabus, the final lesson in each unit deals with a 'Time Out' topic, focusing on essential language for travel and socializing, allowing learners to build important general vocabulary. The Business Start-up Workbooks provide self-study practice of the language from the Student's Books. In addition, the Workbooks come with a free CD-ROM/Audio CD containing extra grammar, listening and vocabulary

practice. This version is available in German-speaking markets only.

Klett's Modern German and English Dictionary

The New Cambridge English Course is a course teachers and students can rely on to cover the complete range and depth of language and skills needed from beginner to upper-intermediate level. Each level is designed to provide at least 72 hours of class work using the Student's Book, with additional self-study material provided in the Practice Book. The course has a proven multi-syllabus approach which integrates work on all the vital aspects of language study: grammar, vocabulary, pronunciation, skills, notions and functions.
