My Little Pony: Starlight Glimmer and the Secret Suite

Whoopi Goldberg speaks'Here's where I'm supposed to say all kinds of hip, Whoopi-esque stuff to get you to buy the bookSo this is when we seal the deal, when I tell you in my own inimitable way, how uproarious and provocative this book is, how OUT THERE, and cutting edge, and whatever else I can think of to throw into the mix. Or, I could say things like, 'Not since War and Peace' or 'Move over Alice Walker' Well come on now, if a book were all those things it would be a novel, and I wouldn't resort to such low tactics. So I'll give it you straight.' As befits the sassy, original entertainer, this is no ordinary autobiography filled with the boring details. Instead, Whoopi delivers twenty-five monologues with titles such as Fate, Trust, Home, Self, Cost, Race, Choice, Dick, Death and Dream. Under the chapter 'Wind' she reveals: 'A lot of people don't know this about mebut that's how I got my name, from my frequent farting. When I was in my 20s and diagnosed with ulcers, I was encouraged to fart up a storm, and my friends started calling me Whoopi. I was like a walking whoopee cushion, they said. It was an easy tag and the name stuck.

Sugar Plum Ballerinas: Terrible Terrel

Have you noticed people aren't as polite as they once were or that rudeness is no longer an exception but a lifestyle? Sure you have. All you need to do is set foot outside your door to see that bad manners are taking over everywhere. Just look and you'll see: People yak on cell phones in restaurants, and even at church. Folks in carpools wear enough cologne to make your eyes bleed. Family outings to the

ballpark are ruined by rowdy drunks. People talk in movie theaters like they are in their living rooms. Well, Whoopi Goldberg has noticed all this and more and asked herself, "Is it just me?" Unleashing her trademark irreverence and humor, her book of observations takes a funny and excruciatingly honest look at how a loss of civility is messing with the quality of life for all of us.

Is It Just Me?

A ballet slipper-ey slope Brenda Black prides herself on her logical and orderly mind. She studies anatomy books to get a twelve-year head start on medical school, and she idolizes Leonardo da Vinci. But things go haywire when her spoiled cousin Tiffany comes to visit. At first Brenda tries to ignore Tiffany's constant bragging. But when Tiffany implies that Brenda is not cultured enough to know who Miss Camilla Freeman is--Miss Camilla Freeman, the very famous prima ballerina--Brenda snaps. She tells Tiffany that not only does she know who Camilla Freeman is, but she happens to own an autographed pair of her toeshoes. So of course, Tiffany wants to see the shoes. The only problem? The shoes actually belong to Ms. Debbé, the headmistress of the Nutcracker School! Brenda's anatomy books might get her into medical school, but they can't get her out of this mess--for that, she'll need the help of her Sugar Plum Sisters!
