### **Beer Tasting Journal,**

Explore beer styles and log your tastings in this compact journal. The Beer Journal is more than just a journal. This compact guide is a crash course in the many styles of beer and how to approach them in a tasting. Perfect for newcomers to the craft beer scene as well as longtime fans of the beverage, this book is an excellent way to learn about styles you've yet to try. These pages are filled with useful information on the beers themselves and tips to having the best tasting experience possible. Author Chris Wright even includes examples of beers on the market to help readers as they navigate the beer aisle. Packed with useful information, this informative guide will teach readers all about: The many styles of beer Their taste profiles What sets one style apart from another Origin stories Glassware Suggested food pairings The comprehensive tasting logs enable readers to keep track of the details of each particular beer they try—from brewer, beer name, and style to color, flavor, and body. Other worksheets give readers the opportunity to journal their brewery tours and food pairing experimentations. From lagers and wheat beers to sours and stouts, The Beer Journal is your guide to a complete tasting experience.

### **The Beer Review Logbook**

The Great American Ale Trail is your definitive, state-by-state guide to the best places to drink craft beer. First published in 2011, The Great American Ale Trail is the most discriminating and thorough guide to the best watering holes in the nation. This newly revised edition features fully updated listings and 150 new entries -- a total of more than 500 noteworthy breweries, beer bars, restaurants, festivals, and bottle shops -- making it the essential guide for beer pilgrims everywhere. Every entry features the "must-try" beer of the establishment as well as notes on its ambience, patrons, and history -- plus contact information to get you there easily. Whether you choose a mom-and-pop brewery or a gastropub with a quirky ambience, Whether you prefer a crisp lager,

### **The Little Book of Craft Beer**

“The only book you need to understand the world’s most popular beverage. I swear on a stack of these, it’s a thumping good read.”--John Holl, editor of All About Beer Magazine and author of The American Craft Beer Cookbook Imagine sitting in your favorite pub with a friend who happens to be a world-class expert on beer. That’s this book. It covers the history: how we got from gruel-beer to black IPA in 10,000

## Online Library The Beer Review Logbook Rate And Record Your Favorite Brews

years. The alchemy: malts, grains, and the miracle of hops. The variety: dozens of styles and hundreds of recommended brews (including suggestions based on your taste preferences), divided into four sections--Ales, Wheat Beers, Lagers, and Tart and Wild Ales--and all described in mouthwatering detail. The curiosity: how to read a Belgian label; the talk of two Budweisers; porter, the first superstyle; and what, exactly, a lager is. The pleasure. Because you don't merely taste beer, you experience it. Winner of a 2016 IACP Award "Covers a lot of ground, from beer styles and brewing methods to drinking culture past and present. There's something for beer novices and beer geeks alike."--Ken Grossman, founder, Sierra Nevada Brewing Co. "Erudite, encyclopedic, and enormously entertaining aren't words you normally associate with beer, but The Beer Bible is no ordinary beer book. As scintillating, diverse, and refreshing as man's oldest alcoholic beverage itself."--Steve Raichlen, author of Project Smoke and How to Grill
