Poker Nation

In 2001, a stranger from Texas entered the high-stakes poker room in the Bellagio casino in Las Vegas. A self-made billionaire, he challenged some of poker's greatest players to a series of heads-up matches. By the end, there was more than \$20 million on the table. For the first time ever, here is the detailed, true account of the legendary Big Game that shocked the poker world. Putting you railside to observe the pulse-pounding action, it takes you inside the iron-nerved mind of the professional gambler. Filled with vivid characters, sensational tales, and riveting human drama, this is a unique, suspenseful journey into the world of people who live on the razor's edge of fortune—where incredible wealth or utter ruin turn on the flip of a card.

Godfather of Poker

table { }td { padding-top: 1px; padding-right: 1px; padding-left: 1px; color: black; font-size: 12pt; font-weight: 400; font-style: normal; text-decoration: none; font-family: Calibri,sans-serif; vertical-align: bottom; border: medium none; white-space: nowrap; }.xl72 { color: windowtext; font-family: "Times New Roman"; } For beginning and novice players who want to play and win at Texas hold'em 95% of the card-playing market this is the perfect antidote. The book is designed for those players who want to learn 'right now' and enjoy instant success at the tables. Fifty quick sections focus on key winning concepts, making learning both easy and fast.

For Richer, For Poorer

The world's greatest poker players give powerful advice on beating poker in the most popular styles including tournaments, cash games, no-limit, limit and pot-limit hold'em, Omaha (high-low and PLO), 7-card stud (razz, high-low), and triple draw Superstars of Poker features winning strategies and professional secrets from the world's greatest players. The book is headlined by Doyle Brunson, the greatest poker player of all time and the Godfather of Poker along with no-limit legend Phil Hellmuth, holder of 14 WSOP bracelets, the most championships ever. Other superstar contributors include Daniel Negreanu, 6-time bracelet winner, 2004 and 2013 Player of the Year, and author of three books including Power Hold'em; Lyle Berman, 3-time WSOP bracelet winner and founder of the World Poker Tour; Bobby Baldwin, 1978 World Champion; Johnny Chan, 2-time World Champion and 10-time WSOP bracelet winner; the great Mike Caro, "Mad Genius of Poker"; Jennifer Harman, 2-time WSOP bracelet winner and the world's top female player; Todd Brunson, winner of more than 20 tournaments including one WSOP bracelet; and Crandell Addington, no-limit legend.

Poker For Dummies

ONE OF THE BEST BOOKS OF THE YEAR The New York Times • The Washington Post • The Wall Street Journal • NPR • Vanity Fair • Vogue • Minneapolis Star Tribune • St. Louis Post-Dispatch • The Guardian • O, The Oprah Magazine • Slate • Newsday • BuzzFeed • The Economist • Newsweek • People • Kansas City Star • Shelf Awareness • Time Out New York • Huffington Post • Book Riot • Refinery29 • Bookpage • Publishers Weekly • Kirkus WINNER OF THE KIRKUS PRIZE A MAN BOOKER PRIZE FINALIST A NATIONAL BOOK AWARD FINALIST A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves.

A Little Life

Traces the rise and fall of poker champion Stuey Ungar, offering insight into his meteoric career as one of the game's most feared tournament players, the factors behind his tragic change of circumstances, and his early death at the age of forty-five. Reprint. 35,000 first printing.

One of a Kind

Hold'em Wisdom For All Players

Benny Binion was one of the revered figures in the history of gambling. Using once secret government documents this book shows how Binion helped shape modern Las Vegas.

Online Poker

A portrait of a Mafia family focuses on the life and times of patriarch Don Vito Corleone, a Sicilian-American godfather, and his sons.

Positively Fifth Street

The tumultuous rags to riches, fame to fortune, dream to nightmare autobiography of the most volatile and colorful poker player in the world, fan and media favorite Mike "The Mouth" Matusow. This book has it all: drugs, sex, partying like a rock star, jail, suicidal depression, bipolar bouts and world championship poker. Mike "The Mouth" Matusow, one of the top professional poker players in the world (with over \$6 million in tournament earnings) has become more than just a household name. He's a favorite among the millions of television viewers who have come to count on his outrageously candid comments, emotional outbursts, and constant taunts that affirm the aptness of his nickname and make for great television theatre. A rags-to-riches success story, Matusow's life has been as much nightmare as it has been dream. His struggle with undiagnosed bipolar and ADHD disorders led to self-medication with illegal drugs, such as crystal meth and ecstasy, and a tumultuous descent in the drug-fueled Las Vegas club scene. As drug use turned to drug abuse, Matusow's descent, taking his multi-million dollar bankroll along, went on the downward spiral that led to an arrest for a narcotics buy and the specter of a ten-year prison term (subsequently plea bargained down to a six month jail sentence). The Mouth's story is a high stakes rollercoaster ride featuring an insider's view of some of the world's largest poker tournaments, unbearable depression and suicidal tendencies, the Las Vegas party scene, rock star-like excess, outrageous antics, drug abuse, jail, and, in many ways, salvation. And through the worst of it, Matusow's phenomenal talent and tenacity prevailed; there was never a year that Mike failed to make a final table in a World Series of Poker event. This memoir is funny, outspoken and brash, while humbly and painfully honest about the highs and lows of poker, life, and the odyssey of overcoming psychological illness in a bastion of pressure and temptation. There is also a foreword by Phil Hellmuth, 11-time World Series of Poker bracelet holder.

Mastering Omaha/8 Poker

The fascinating account of 1978 World Champion Bobby Baldwins early career playing poker in roadhouses and against other poker legends is packed with valuable insights on how he approaches the game. Covers the common mistakes average players make at seven poker variations and the dynamic winning concepts they must employ to win. Endorsed by superstars Doyle Brunson and Amarillo Slim. 208 pages

Final Table

Includes free CD (\$25 value) featuring an online heads-up match between Doyle and Mike Caro with hand-by-hand strategy advice and winning tips. 192 pages

Blood Aces

Rough sex, black magic, murder, and the science-and eros-of gambling meet in the ultimate book about Las Vegas James McManus was sent to Las Vegas by Harper's to cover the World Series of Poker in 2000, especially the mushrooming progress of women in the \$23 million event, and the murder of Ted Binion, the tournament's prodigal host, purportedly done in by a stripper and her boyfriend with a technique so outré it took a Manhattan pathologist to identify it. Whether a jury would convict the attractive young couple was another story altogether. McManus risks his entire Harper's advance in a long-shot attempt to play in the tournament himself. Only with actual table experience, he tells his skeptical wife, can he capture the hair-raising brand of poker that determines the world champion. The heart of the book is his deliciously suspenseful account of the tournament itself-the players, the hand-to-hand combat, and his own unlikely progress in it. Written in the tradition of *The Gambler* and *The Biggest Game in Town*, *Positively Fifth Street* is a high-stakes adventure, a penetrating study of America's card game, and a terrifying but often hilarious account of one man's effort to understand what Edward O. Wilson has called "Pleistocene exigencies"-the eros and logistics of our primary competitive instincts.

How I Made Over \$1,000,000 Playing Poker

The Noble Hustle

This is the definitive biography of the most powerful man in Hollywood during the 1930s, '40s and '50s, the man who founded the *Hollywood Reporter* and the most storied nightspots of the Sunset Strip, introduced Clark Gable and Lana

Turner to the world, invented Las Vegas, brought the Mafia to Hollywood, engineered the shakedown of Hollywood studios by Willie Bioff and his mob-run unions, was possibly involved in the murder of Bugsy Siegel, started the Hollywood blacklist, and helped destroy the studio system. Perhaps nobody in Hollywood history has ever ruined so many careers and done so much damage to the industry as Billy Wilkerson. Yet there has never been a solid biography of the man. Billy's son, William R. Wilkerson III, has done tremendous research on his father, interviewing over decades everyone who knew him best, and portrays him beautifully (and damningly) in this book.

Poker Tilt

A deliciously wry, edge-of-the-seat memoir of making a fortune with card counters across a wide swath of blackjack in America. At twenty-four, Josh Axelrad held down a respectable and ominously dull job on Wall Street. Adventure was a tuna fish sandwich instead of the usual turkey for lunch. Then one night, a stranger at a cocktail party persuaded him to leave the nine-to-five behind and pursue an unlikely dream: the jackpot. The stranger was a blackjack card counter, and he sold Axelrad on the vision of Vegas with all its intrigue, adventure- and cash. Repeat Until Rich is Axelrad's taut, atmospheric, and darkly hilarious account of ditching the mundane and entering the alternative universe of professional blackjack. Axelrad has one thing in common with his team: Jon Roth, the leader and a former options trader; Neal Matcha, a recovering lawyer; Aldous Kaufman, a retired math Ph.D. candidate. They all thrived in the straight world, found success boring, and vowed to make life more exotic. Axelrad adopts Roth's philosophy-"repeat until rich"-and from his strategy and skill spring hasty retreats across casino floors, high-speed car chases, arrests on dubious grounds, and the massive cash paydays that make it all worthwhile. Along the way, he unveils the tactics and debunks the myths of professional card counters. In team play, he's either the "big player," who bets the big money, or the "controller," who subtly coordinates the team's betting while wagering only the minimum himself. Counting is not illegal, and it's less intellectually daunting than its MIT-level mystique suggests. With clarity and wit, Repeat Until Rich proves the old gambler's maxim that "if you can tip a waiter, you can count cards." But it also proves how zealous, even forceful, casino bosses can be in "backing off" counters-seeing past their undercover methods and banning them from the tables. Josh soon grows to love all this trouble, and discovers, more than the money, what he needs most of all is the rush. Filled with actual bad guys, chase scenes, and high stakes, Repeat Until Rich offers an intoxicating, unprecedented view of the dangerous allure of living off the cards and one's wits.

Exploitative Play in Live Poker

Doyle "Texas Dolly" Brunson

Journalist and poker fanatic Andy Bellin takes readers on a raucous journey into the shut-up-and-deal world of professional poker. From basement games to the World Series of Poker in Las Vegas, you'll look over his shoulder as he learns to count cards, read a legendary player's body language, hang in there when the chips are down, and take his beatings like a man. Even if you don't know the difference between a flop and a river card, Bellin keeps you in the game with his portraits of the colorful players, dreamers, hustlers, and eccentrics who populate this strange subculture. Along with learning what goes on behind the scenes in illegal poker clubs, you'll get great advice on how to play Texas Hold'em, today's game of choice for big-money players.

Bobby Baldwin's Winning Poker Secrets

'You only win big when you risk big' Tough, revealing and hilarious - this is long-awaited life story of poker legend Dave 'Devilfish' Ulliott. The most successful British player in poker history, and one of only a few to crack America. He takes us on the rollercoaster ride of a pro-gambler's life, never dodging the dangers, failures and fights. From a council estate in Hull to a penthouse suite in Las Vegas; from cracking safes to parties at the Playboy mansion; from losing \$700,000 in a day to TV's Late Night Poker triumph. Devilfish has seen it all, done it all, survived defeat, tasted victory, walked through fire, and still come out cracking jokes. And over five million quid ahead. Welcome to the high life and high times of the Devilfish.

World Poker Tour(TM): Shuffle Up and Deal

Delving into what it takes to win \$8.9 million in one tournament, this guide provides tips and tricks on becoming a World Series of Poker main event champion. Penned by the 2010 winner himself, the handbook reveals useful insight without being too technical, making it ideal for casual players and aficionados alike. Clever plays at crucial spots are revealed, and the 2010 champion's strategic thinking is retraced in detail, outlining the vital moments when he had to either go all in or fold. Key playing advice is combined with a personal memoir, chronicling the author's development as a poker player--from his earliest days through online playing and into tournaments. Illustrating the delicate balance between risk and caution, this unique companion is a must-have for Friday night enthusiasts as well as professionals.

The Biggest Game in Town

A poker primer from the hosts and stars of the World Poker Tour, offering basic strategy, trivia, and an inside look at this runaway hit. The World Poker Tour has revolutionized the game of poker by putting cameras under the table and raising awareness and enthusiasm to an international level. The World Poker Tour: Shuffle Up and Deal is aimed at the millions of passionate fans of the WPT, whether they're ambitious up-and-comers on the poker circuit, or casual players hoping to take

the pot at their next Wednesday night game. Shuffle Up and Deal will be a solid poker primer, covering set-up, play, and basic poker strategy, along with many of the interactive elements of the WPT TV show: poker trivia, definitions of poker terms using examples from the show, profiles of WPT star players, insights into the world of professional poker, and an inside look at the show.

Doyle Brunson's Super System II

According to Doyle

Chris Moorman, who plays as Moorman1, is the most successful online poker tournament player in history. · no. 1 online player in the world · Leads the industry with more than \$10 million in online cashes · Almost \$4 million live cashes on tournament circuit · Placed in the top three in online tournaments 566 times to date Chris analyses over 100 tournament hand histories played by co-author Byron Jacobs – a typical mid-stakes player. The adoption of a coaching format in these pages allows Chris to explain in clear detail exactly what is needed to advance to the next level of expertise. The key to great play, and where really strong players excel, is hand reading. This concept is emphasized continuously throughout the book, with examples and explanations. Chris, known as Moorman1 online, is the most accomplished online poker player of all-time, becoming the first player ever to achieve the \$10 Million milestone in lifetime online tournament winnings on PocketFives. Moorman has transcended from online poker easily to live poker with huge success as well. To date, he has been ranked in the Global Poker Index Top 10, achieved almost \$4 million in live tournament winnings, while amassing plenty of cashes and final tables along the way. Chris Moorman has been featured on televised final tables many times.

Mike Matusow: Check-Raising the Devil

A riveting inside look at the lucrative world of professional high-stakes sports betting by a journalist who lived a secret life as a key operative in the world's most successful sports gambling ring. When journalist Michael Konik landed an interview with Rick "Big Daddy" Matthews, the largest bet he'd placed on a sporting event was \$200. Konik, an expert blackjack and poker player, was no stranger to Vegas. But Matthews was in a different league: the man was rumored to be the world's smartest sports bettor, the mastermind behind "the Brain Trust," a shadowy group of gamblers known for their expertise in beating the Vegas line. Konik had heard the word on the street -- that Matthews was a snake, a conniver who would do anything to gain an edge. But he was also brilliant, cunning, and charming. And when he asked Konik if he'd like to "make a little money" during the football season, the writer found himself seduced . . . So began Michael Konik's wild ride as an operative of the elite Brain Trust. In *The Smart Money*, Konik takes readers behind the veil of secrecy shrouding the most

successful sports betting operation in America, bypassing the myths and the rumors, going all the way to its innermost sanctum. He reveals how they -- and he -- got rich by beating the Vegas lines and, ultimately, the multimillion-dollar offshore betting circuit. He details the excesses and the betrayals, the horse-trading and the paranoia, that are the perks and perils of a lifestyle in which staking inordinate sums of money on the outcome of a single event -- sometimes as much as \$1 million on a football game -- is a normal part of doing business.

The Smart Money

The story of Doyle Brunson, an American treasure and the greatest poker player of all time, is one for the ages. Its a story of guts and glory, of good luck and bad, of triumph and unspeakable tragedy, of courage and grace. He has survived whippings, gun fights, stabbings, mobsters (the real-life ones portrayed in the movie Casino), murderers, and a death sentence when, riddled with incurable cancer, he was given months to live by doctors who told him his hand was played out. A master of the bluff, his most outrageous bluff came after being pistol-whipped and told hes going to die with a gunman pointing a pistol at his forehead. Again, he lived. Brunson has seen it all: from the athletic dreams and a leg shattered by a freak injury which waylaid his path to the NBA (he was drafted by the Lakers), to the devastating death of his first-born daughter, to outrageous exploits like trying to discover Noah Ark and raise the Titanic. Doyles rollercoaster of a life defines the saying: Truth is stranger than fiction. Twice a winner of the prestigious World Series of Poker in Las Vegas, he's won millions and lost millions sometimes in seconds but decidedly more of the former than the latter. Brunson can still be found playing in the highest stakes poker games in the world, often with as much as one million dollars in front of him. To every one of the 250 million people worldwide who play poker each year, Doyle Brunson, is the legendary Babe Ruth of Poker the greatest gambler and poker player who has ever lived.

Pulling the Trigger

BIG DEAL is the mesmerising story of a year spent by bestselling biographer Anthony Holden in the tough world of the professional poker player. He spent days and nights in the poker paradise of Las Vegas, in Malta and Morocco, even shipboard, mingling with the legendary greats, sharpening his game, perfecting his repartee, and learning a great deal about himself in the process. Poker, Holden would insist, is not gambling. Like chess it is a paradigm of life at its most intense, a gladiatorial contest that brings out the best as well as the worst in people. Its heroes, its eccentrics and is comedians stalk the pages of this remarkable book, along with all the hair-raising, nail-biting excitement of the games themselves. A classic of the genre, BIG DEAL is here reissued with a new introduction by the author.

The Professor, the Banker, and the Suicide King

Poker is America's national card game, and its popularity continues to grow. Nationwide, you can find a game in progress everywhere. If you want to play, you can find poker games on replicas of 19th century riverboats or on Native American tribal lands. You can play poker at home with the family or online with opponents from around the world. Like bowling and billiards before it, poker has moved out from under the seedier side of its roots and is flowering in the sunshine. Maybe you've never played poker before and you don't even know what a full house is. *Poker For Dummies* covers the basics. Or perhaps you've played for years, but you just don't know how to win. This handy guide will help you walk away from the poker table with winnings, not lint, in your pockets. If you're a poker expert, you still can benefit – some of the suggestions may surprise you, and you can certainly learn from the anecdotes from professional players like T.J. Cloutier and Stu Unger. Know what it takes to start winning hand after hand by exploring strategy; getting to know antes and betting structure; knowing your opponents, and understanding the odds. *Poker For Dummies* also covers the following topics and more: Poker games such as Seven-Card Stud, Omaha, and Texas Hold'em Setting up a game at home Playing in a casino: Do's and don'ts Improving your play with Internet and video poker Deciphering poker sayings and slang Ten ways to read your opponent's body language Playing in poker tournaments Money management and recordkeeping Knowing when and how to bluff Poker looks like such a simple game. Anyone, it seems, can play it well – but that's far from the truth. Learning the rules can be quick work, but becoming a winning player takes considerably longer. Still, anyone willing to make the effort can become a good player. You can succeed in poker the way you succeed in life: by facing it squarely, getting up earlier than the next person, and working harder and smarter than the competition. Foreword by Chris MoneyMaker, 2003 World Series of Poker Champion.

Life's a Gamble

The time was the 1980s. The place was Wall Street. The game was called Liar's Poker. Michael Lewis was fresh out of Princeton and the London School of Economics when he landed a job at Salomon Brothers, one of Wall Street's premier investment firms. During the next three years, Lewis rose from callow trainee to bond salesman, raking in millions for the firm and cashing in on a modern-day gold rush. *Liar's Poker* is the culmination of those heady, frenzied years—a behind-the-scenes look at a unique and turbulent time in American business. From the frat-boy camaraderie of the forty-first-floor trading room to the killer instinct that made ambitious young men gamble everything on a high-stakes game of bluffing and deception, here is Michael Lewis's knowing and hilarious insider's account of an unprecedented era of greed, gluttony, and outrageous fortune.

Poker Brat

"In *The Noble Hustle*, Colson Whitehead does for participatory journalism what he did for zombie novels in *Zone One*: Take

one literary genius, add \$10,000 and a seat at the World Series of Poker, and stir. On one level, Colson Whitehead's *The Noble Hustle* is a familiar species of participatory journalism - a longtime neighborhood poker player, Colson was given a \$10,000 stake and an assignment from the online ESPN offshoot *Grantland* to see how far he could get in the World Series of Poker. But since it stems from the astonishing mind of Colson Whitehead (MacArthur Award-endorsed!), the book is a brilliant, hilarious, weirdly profound and ultimately moving portrayal of - yes, it sounds overblown and ridiculous, but really! - the human condition"--

Super System 2

Doyle Texas Dolly Brunson is sometimes called The Godfather of Poker. Born in 1933 in a small Texas town, he's been in the game since the road gambling days. He has helped change poker from a backroom game surrounded by danger to a popular pastime that is enjoyed by millions.

Takedown Twenty

Stephanie chases after powerful mobster Salvatore "Uncle Sunny" Sunucchi, who is on the lam, and helps security specialist Ranger catch the killer of his top client's mother as a giraffe named Kevin runs wild in Trenton.

Moorman's Book of Poker

Many poker players can make good decisions at the table with a reasonable frequency. Nevertheless, there are numerous situations where even very experienced players behave in predictable ways. These deeply-ingrained habits lead them to make mistakes. The problem is that these situations won't often arise at the table by chance - you have to make them happen. *Exploitative Play in Live Poker* is a ground-breaking work that teaches you how to create the circumstances where your opponents will be likely to blunder and how to exploit them when they do. To achieve this you will need to put to one side starting hand charts, balance and GTO (Game Theory Optimal) play. Instead you will incorporate new concepts that may well place you outside your comfort zone. However, your style will now be forcing the other players at the table outside of their comfort zone and, unlike you, they won't know how to adapt. Learn how to: Counter the auto-continuation-bettor Develop a powerful donk-betting strategy Use the overbet, the check-raise and the three-barrel effectively As well as being a highly successful player, Alex Fitzgerald runs a poker consultancy that serves more than 1,000 professional poker players in 60 countries. As part of this work, he has very likely trawled through more hand history databases than anyone else. This gives him a unique insight into how players really play, especially when placed under pressure and forced into unfamiliar situations.

Devilfish

In September 2006, Victoria Coren won the European Poker Championship, and with it a cool one million dollars. Overnight, she became one of the world's most famous players. But how did she do it? In *For Richer, For Poorer*, Victoria Coren's long-awaited poker memoir, she answers this question. It is an intensely honest story of twenty years of obsession, of highs and lows, wins and losses, friendships, power plays, loneliness and addiction. Coren takes us from the grimy underworld of illegal cash games to the high glamour of Monte Carlo and Las Vegas, vividly capturing the incredible excitement of a poker match and getting to the heart of why poker has become the world's most popular card game. It is a razor-sharp, accessible, entertaining, and intensely gripping story. From the Hardcover edition.

Repeat Until Rich

This classic book is considered by the pros to be the best book ever written on poker! Jam-packed with advanced strategies, theories, tactics and money-making techniques no serious poker player can afford to be without this hard-hitting information. Includes fifty pages of the most precise poker statistics ever published. Features chapters written by poker's biggest superstars, such as Dave Sklansky, Mike Caro, Chip Reese, Bobby Baldwin, and Doyle two world champions and three master theorists. Essential strategies, advanced play, and no-nonsense winning advice on making money at 7-card stud (razz, high-low split, cards speak, and declare), draw poker, lowball, and hold'em (limit and no-limit). This is a must-read. 605 pages

Doyle Brunson's Super System

Al Alvarez touched down in Las Vegas one hot day in 1981, a dedicated amateur poker player but a stranger to the town and its crazy ways. For three mesmerizing weeks he witnessed some of the monster high-stakes games that could only have happened in Vegas and talked to the extraordinary characters who dominated them--road gamblers and local professionals who won and lost fortunes on a regular basis. Set over the course of one tournament, *The Biggest Game in Town* is both a chronicle of the World Series of Poker--the first ever written--and a portrait of the hustlers, madmen, and geniuses who ruled the high-stakes game in America. It is a brilliant insight into poker's appeal as a hobby, an addiction, and a way of life, and into the skewed psychology of master players and fearless gamblers. With a new introduction by the author, Alvarez's classic account is "the greatest dissection of high-stakes Vegas poker and the madness that surrounds it ever written" (TimeOut [UK]).

Superstar Poker Strategy

This instant classic relives the most incredible hands by the greatest poker player of all time. Great players, legends, and momentous events in the history of poker march in and out of fifty years of unforgettable hands. Sit side-by-side with Doyle as he replays the excitement and life-changing moments of the most thrilling and crucial hands in the history of poker: from his early games as a rounder in the rough-and-tumble Wild West years where a man was more likely to get shot as he was to get a straight flush to the nail-biting excitement of his two world championship titles. Doyle brings to life the high stakes tension of sidestepping police, hijackers and murderers, competes for hands worth more than a million dollars, and sweats out situations where his last dollar relies on the outcome of a card. Engrossing, captivating, riveting, and ultimately educational, this is a momentous and thrilling collection of great stories and sage poker advice from the living legend himself. 168 pages
