Great Mirrors Shattered

The highly anticipated sequel to best-selling Titan
Sinking After enduring a turbulent year in 1995, Vince
McMahon was looking to rebuild his sinking empire in

1996. He had high hopes for a new World Wrestling Federation flag bearer, Shawn Michaels - the man he was looking to as the leader of the WWF's 'New Generation'. With Michaels supported by a strong cast of established characters, some old faces, and an influx of new blood, McMahon fully expected the WWF to dominate rivals WCW in the burgeoning Monday Night War. It did not work out that way. Titan Shattered tells the behind-the-scenes story of the WWF's tribulations in 1996. It was a year where paranoia threatened to destroy the WWF, where decades-old industry traditions were broken, and where Vince McMahon fully abandoned his wrestling principles in pursuit of the almighty dollar.

The Shattered Men

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED AND THE INDEPENDENT • New York Times bestselling author Joe Abercrombie delivers the stunning conclusion to the epic fantasy trilogy that began with *Half a King*, praised by George R. R. Martin as “a fast-paced tale of betrayal and revenge that grabbed me from page 1 and refused to let go.” “The Shattered Seas trilogy has worked its way into a very exclusive group of my favorite fantasy novels of all time.”—James Dashner, #1 New York Times bestselling author of *The Maze Runner* Words are weapons. Princess Skara has seen all she loved made blood and ashes. She is left with only words. But the right words can be as deadly as any blade. If she is to reclaim her birthright, she must conquer her fears and sharpen her wits to a lethal edge. Only half a war is

fought with swords. The deeply cunning Father Yarvi has walked a long road from crippled slave to king's minister. He has made allies of old foes and stitched together an uneasy peace. But now the ruthless Grandmother Wexen has raised the greatest army since the elves made war on God, and put Bright Yilling at its head—a man who worships only Death. Sometimes one must fight evil with evil. Some—like Thorn Bathu and the sword-bearer Raith—are born to fight, perhaps to die. Others—like Brand the smith and Koll the wood-carver—would rather stand in the light. But when Mother War spreads her iron wings, she may cast the whole Shattered Sea into darkness. Praise for Half a War “Filled with swift battles, quick plot twists and witty dialogue.”—New York Daily News “A fantasy for all ages, and all times [that] rends the soul as compulsively as anything Abercrombie has written to date . . . Half a War is a success in every way, putting a stupendous capstone on the entire Shattered Sea Trilogy.”—Tor.com “There’s all the sword-swinging and Machiavellian machinations you could ask for in this tale of a final battle between countries and kings.”—Fredericksburg Free Lance-Star “Engaging, mesmerising and jaw-dropping.”—SciFi Now “Abercrombie piles on shocking betrayals and charges his characters a high price for vengeance in this powerful and fitting final volume.”—Publishers Weekly Praise for Joe Abercrombie’s Half a King “A fast-paced tale of betrayal and revenge that grabbed me from page 1 and refused to let go.”—George R. R. Martin “Once this plot has its teeth in you, it will not let go. . . . Abercrombie’s masterly storytelling means that everything, from the characters you come to love and

despite to the sprawling world that is explored, is enthralling.”—Fantasy Book Review Half the World
“Another entertaining burst of battle, magic and political machinations from the always reliable Joe Abercrombie . . . a thoroughgoing blast, a violent, beautiful rabbit hole of craft that is well worth disappearing into.”—Shelf Awareness “Compelling . . . [Thorn] makes Katniss Everdeen look like Dorothy Gale.”—Chicago Tribune From the Hardcover edition.

"You've been captive far too long," she whispered.
"So I'm releasing you."The universe was bathed in white light, and as I touched the azure and ruby stars dancing above my head, the crack within me split and fractured into madness.I felt the shatter. But I was powerless to stop it.---Shattered features a mixture of nonfiction and creative nonfiction stories about Hayes' real-life experiences with a traumatic brain injury that caused retrograde amnesia, as well as the events prior to and following the event. However, is the internal shatter she experienced really due to the amnesia, or due to something else? That is what

Shattered Memories: Prose, Poetry and Short Stories from A Transgender Man's Point of View

When your partner betrays, what are the first steps to picking up the pieces of your shattered heart? Many unsuspecting people wake up every day to discover their loved one, the one person whom they are supposed to trust completely, has been living a life of lies and deceit because they suffer from a disease-sex addiction. This is a disease shrouded in secrecy and shame. This is your go-to-guide for what to do when you discover your partner is a sex addict. Each chapter is based on frequently asked questions by partners such as: Should I Stay or Should I Go? Is This Going to Get Better? How Do I Set Boundaries and Keep Myself Safe? and What Should I Tell the Kids?

Time is running out for Michael Reznik as he searches for a way to deactivate his body's kill switch before his time literally expires. Reznik makes his way to the surface with the mysterious Rin as his guide and discovers a post-apocalyptic wasteland that is brutal and unforgiving, a land totally foreign to the country he knew. Gangs of vicious marauders and slavers, nefarious corporations, and mysterious creatures preying on people in the night will challenge Reznik every step of his journey. His potential allies are far outnumbered by the growing number of enemies

standing in his way. As Reznik struggles to survive in this new world, Rin searches for her own redemption, to make up for past failures. Will Reznik be able to find his solution with the clock ticking down? Extensis Vitae: The Shattered Land is the second volume in the gritty, action-packed Extensis Vitae series. Shattered (Alaskan Courage Book #2)

Discover the fantasy novels that have earned raves from George R. R. Martin and Maze Runner author James Dashner, won a Locus Award and an Alex Award, and claimed best-of-the-year honors in Time, The Washington Post, and BuzzFeed. From a crippled slave whose appearance belies his dangerous ambitions, to “a girl who makes Katniss Everdeen look like Dorothy” (Chicago Tribune), an unforgettable cast of characters populate this addictive series, now together in one epic ebook bundle: HALF A KING HALF THE WORLD HALF A WAR Prince Yarvi has vowed to

regain a throne he never wanted. But first he must survive cruelty, chains, and the bitter waters of the Shattered Sea. And he must do it all with only one good hand. Born a weakling in the eyes of his father, Yarvi is alone in a world where a strong arm and a cold heart rule. He cannot grip a shield or swing an axe, so he must sharpen his mind to a deadly edge. Gathering a strange fellowship of the outcast and the lost, he finds they can do more to help him become the man he needs to be than any court of nobles could. But even with loyal friends at his side, Yarvi learns that his path may end as it began—in twists, and traps, and tragedy. Praise for the Shattered Sea series “The Shattered Seas trilogy has worked its way into a very exclusive group of my favorite fantasy novels of all time. The pacing is perfect, the characters deep and true and real, the world rich and authentic, the plot full of twists and turns. Perhaps my favorite part is that no one is purely good or evil: Each and every character has layers upon layers that are a joy to discover. I tore through all three books and truly hope that someday Joe Abercrombie returns to this magnificent, captivating world.”—James Dashner, #1 New York Times bestselling author of *The Maze Runner* “A fast-paced tale of betrayal and revenge that grabbed me from page 1 and refused to let go.”—George R. R. Martin, on *Half a King* “Abercrombie’s Shattered Sea is a fantastic yet believable backdrop to Yarvi’s struggle, a vivid imaginary land.”—The Seattle Times, on *Half a King* “An excellent page-turner . . . full of drama and energy.”—New York Daily News, on *Half the World* “Compelling . . . Republican Gomorrah

Shattered Family Shattered Family is the true story of both a direct and extended family and others impacted by a number of real-life sociopath and/or sociopath type predators/abusers. This book describes such predators thought patterns (what is known of them), behaviors, scams, plots and various abuses in detailed form as well as the typical personality traits of both the predators and their victims. Some of this book is presented in journal or memoir form while other portions are in essay and list form. This book is a great asset for victims, support persons for victims, family members and others. This is particularly true since Shattered Family describes forms of abuse most would not be able to comprehend exist, such as the sociopaths predators ability to successfully use law enforcement and others in authority to abuse his victims and exercise complete control over his victim(s) life/lives. This book additionally offers a long real-life movie list as visual aid support. A must read for victims and those who wish to help victims of the sociopath and/or sociopath type abuser. Some Reviews: This is a rare book of raw scalding material regarding an unknown reality of abuse and the abuse cycle that occurs within what Savannah Rain refers to as the Inner-circle. This honestly IS a must read book. G.Y. An imperfect person, as we all are, writes the truth as it truly is. The unheard of yet very real behaviors of sociopaths and what they do behind the scenes. Victims check out this book and see that you are not alone. T.J. Finally! Someone has the guts to tell it like it is! I previewed this book and recommend

it for all adults in societies all over the world. The get a clue wake up call is finally here. J.M. A raw book with no sugar coating for the victims of sociopaths. An unusually intuitive directly honest author setting the record straight for many victims of predators who heartlessly commit similar abuses every day. K.R. Its really not the Twilight Zone. These predators do this stuff. Wake up America and smell the garbage so many ignorant and uncaring minions are supporting. Savannah Rain spells it out in graphic detail that is sometimes hard to read and Im sure impossible to believe unless youve lived it and some of us have. So we know it is horrifyingly real. I recommend this book to victims and professionals who come into contact with victims in the worst ongoing moments of those victims lives. What I may have been spared if Id read this book many years ago. Survivor, no name for the public. I have previewed Rains book and found it to be enlightening and scary. I will be keeping my eyes and ears open for the signs and evaluating my life a little more carefully now. Some things have happened to me, in my relationship that never happened before in my 35 years in this world. I thought may have him manipulating things because of what I was told by others. Now I am more sure. No rash moves, but I am thinking about what I have been through, seen and heard. By J.M. This book is a double fisted sucker punch-out that never stops hitting and hitting home with every page. The harsh reality of the life of a sociopaths victim profoundly described. C.H. yay! Kudos to you for reaching out with the truth! if EVERYONE knew about narcissism and sociopaths they would avoid them and maybe the world would be rid of them! By Kat

“Kathryn Casey is one of the best true crime writers today.” —Ann Rule With true crime classics like *Descent into Hell* and *Die My Love*, author Kathryn Casey has peered into the darkest corners of the Lone Star State, shedding a fascinating, chilling light on a series of notorious Texas murders. In *Shattered*, she explores in riveting detail an infamous Houston area crime: the brutal slaying of a young mother and her unborn child by the person closest to them.

Bestselling author Carlton Stowers numbers Kathryn Casey “among the elite of true crime writers,” and *Shattered*—a shocking true story of blood, rage, and betrayal—will only enhance her reputation as one of the best of the best.

Shattered Sky

I lived in a world of darkness, never to see the light again. It's been eleven years since my father cursed Crystal City, since he condemned me to a life of loneliness and misery. By taking away everything that my mother loved, he took everything that I knew and cared for. Everything, but the throne. Only what good was being a queen in a city of mindless killers? A city that would never see the sunlight until the day of my death. I truly had nothing to live for Or so I thought. The night that Wolfe was dragged into my palace, I knew that my life would never be the same. We were childhood friends once, but we went our separate ways. He became captain of the pirates, and I ascended to the diamond throne. My once sworn protector had become my enemy, but we were both alone, and the connection we felt was almost unbearable to ignore. My heart only cracked after my father abandoned me, but Wolfe would completely shatter it. For someone that hasn't felt anything for years, that wasn't such a bad thing.

Half a War

On January 24, 1975, six young businessmen were enjoying lunch in lower Manhattan's historic Fraunces Tavern when a bomb placed inside the restaurant exploded, tearing through the building. It had been planted by a group claiming support for Puerto Rican independence known as the "FALN," the most active domestic terrorist organization in American history. Among those businessmen were two sons of immigrants and only children—Frank Connor, with a wife and two young boys, and Alex Berger, whose wife was six months pregnant. Both were murdered, along with two other men, while dozens were injured, many horrifically. *Shattered Lives*, co-authored by Jeff Ingber and Joe Connor, Frank Connor's son, chronicles the origins of the Puerto Rican independence movement, its transformation into a Cuban-led Marxist cause, the FALN's decade-long reign of murder and destruction that was a precursor to future domestic terrorism, the hunt for the perpetrators by a group of dedicated FBI agents, the inexplicable escape from prison by the FALN's chief bombmaker who eventually received asylum in Cuba, and the political maneuvering that led to Presidents Clinton and Obama granting clemency to FALN members. Through extensive, exclusive interviews with survivors and family, *Shattered Lives* describes the devastating impact of the Fraunces Tavern bombing on the Connor and Berger families and its many other victims, including NYPD officers, uniting them in their struggle to move forward while seeking justice for their loved ones.

Spider-Man

In this “gripping and personal view of war” (Andy McNab, author of *Bravo Two Zero*), a celebrated photographer crafts a powerful memoir about his experiences in some of the world’s most dangerous, war-torn areas—and his terrifying capture by Syrian rebels in 2013. For a decade, Jonathan Alpeyrie—a French-American photojournalist—had ventured in and out of more than a dozen conflict zones. He photographed civilians being chased out of their homes, military trucks roving over bullet-torn battlefields, and too many bodies to count. But on April 29, 2013, during his third assignment to Syria, Alpeyrie became the story. For eighty-one days he was bound, blindfolded, and beaten by Syrian rebels. Over the course of his captivity, Alpeyrie kept his spirits up and strove to find the humanity in his captors. He took part in their activities, taught them how to swim, prayed with them, and tried learning their language and culture. He also discovered a dormant faith within himself, one that strengthened him throughout the ordeal. *The Shattered Lens* is a firsthand account that “reads like a thriller” (*The New York Journal of Books*) by a photojournalist who has always answered the next adrenaline-pumping assignment. Yet, during his headline-making kidnapping and “for all his suffering, Alpeyrie expresses, in words and color photographs, the compassion of a global citizen seeing beyond his personal terror and into the nuances of human interactions” (Booklist).

Shattered But Not Destroyed

Like its author, *Shattered* is “fun, fast, and real” and an intriguing mix of paradoxes. Frank Pastore was a physically awkward kid who became a professional athlete. An okay student who goes on to earn two masters degrees in philosophy. A former atheist who ends up hosting the biggest Christian radio talk show in America. *Shattered* is part sports book, because you’ll go on road trips, enter clubhouses, and walk on the fields of professional baseball. It’s part romantic novel, because you’ll journey with two young kids who fall in love and eventually elope, evading not only her family, but the law as well—for she was only 16. It’s also a story of brokenness, betrayal, and burn-out. If you were raised in a dysfunctional family, if you’ve ever had your dreams fall apart, been betrayed by close friends, or hit the psychological “wall” in your professional career, this is your book too. But, most of all, this is an uplifting story of how an unpredictable God can surprise any of us with His goodness and love when we allow Him to make beautiful the shattered fragments of our lives.

Shattered and Scarred

Republican Gomorrah - Blumenthal's remarkable, muckraking debut - is a bestiary of dysfunction, scandal, and crime from the heart of the movement that runs the Republican Party. Blumenthal describes with no-holds-barred detail the people and the beliefs that establishment Republicans - like John McCain - have to kowtow to if they have any hope of running for president, and how moderates have been systematically purged from party ranks. He shows why the unqualified Sarah Palin was the party's only logical choice and how her most fanatical supporters will be setting the strategy for the Republican assault on the Obama administration. Blumenthal warns that the Christian right will quietly exploit the widespread

financial misery caused by the economic meltdown while mainstream media pundits churn out faddish and unfounded tales of the movement's death. More than just an exposé, Republican Gomorrah reveals that many of the movement's leading figures are united by more than political campaigns; they are bound together by a shared sensibility rooted in private trauma. Their lives have been stained by crisis and scandal - depression, mental illness, extra-marital affairs, struggles with homosexual urges, addiction to drugs and pornography, serial domestic abuse, and even murder. For the most zealous foot soldiers of the right, the crusade to cleanse the land of sin was in fact a quest to purify their souls.

The Man

A once vibrant Oak tree in her yard began dying, voicing cries of help through its dead leaves and moss-covered branches. Inside the house Barbara too was in crisis, the recipient of her husband's anger and rage. As time passes and the Oak weakens, Barbara can no longer stay strong as she deals with her own demons. Based on a true story, this woman takes us inside her emotionally charged existence. Letting us feel the anguish of domestic abuse, divorce, attempted suicide, recovery, incarceration in a mental institution and eventual clarity of her dysfunctional mental state. This book is a must-read for anyone going through domestic abuse or depression or family members who are trying to make sense out of the situation.

Hardy Boys 52: The Shattered Helmet

NEW YORK TIMES BESTSELLER • For nearly two thousand years, only one Druid has walked the Earth—Atticus O’Sullivan, the Iron Druid, whose sharp wit and sharp sword have kept him alive as he’s been pursued by a pantheon of hostile deities. Now he’s got company. This ebook edition includes a special preview of Kevin Hearne’s upcoming novel *A Plague of Giants*. Atticus’s apprentice Granuaile is at last a full Druid herself. What’s more, Atticus has defrosted an archdruid long ago frozen in time, a father figure (of sorts) who now goes by the modern equivalent of his old Irish name: Owen Kennedy. And Owen has some catching up to do. Atticus takes pleasure in the role reversal, as the student is now the teacher. Between busting Atticus’s chops and trying to fathom a cell phone, Owen must also learn English. For Atticus, the jury’s still out on whether the wily old coot will be an asset in the epic battle with Norse god Loki—or merely a pain in the arse. But Atticus isn’t the only one with daddy issues. Granuaile faces a great challenge: to exorcise a sorcerer’s spirit that is possessing her father in India. Even with the help of the witch Laksha, Granuaile may be facing a crushing defeat. As the trio of Druids deals with pestilence-spreading demons, bacon-loving yeti, fierce flying foxes, and frenzied Fae, they’re hoping that this time, three’s a charm. Don’t miss any of Kevin Hearne’s phenomenal Iron Druid Chronicles novels: *HOUNDED* | *HEXED* | *HAMMERED* | *TRICKED* | *TRAPPED* | *HUNTED* | *SHATTERED* | *STAKED* Praise for *Shattered* “Funny, razor-sharp . . . Plenty of action, humor, and

mythology keep this book fun and interesting.”—Booklist (starred review) “Uproariously entertaining in a way that Hearne is uniquely able to achieve . . . [Shattered] has the feeling of a new beginning for its hero and for the series.”—RT Book Reviews “This series just gets bigger and better, and Shattered shows no signs of it slowing down.”—Vampire Book Club “Well and truly awesome.”—Fangs for the Fantasy “So much fun to read!”—Hidden in Pages “[With] clever writing and engrossing story-telling, it’s impossible not to get completely absorbed into the world Kevin [Hearne] has created.”—Yummy Men and Kick Ass Chicks Praise for Kevin Hearne and The Iron Druid Chronicles “Clever, fast paced and a good escape.”—Jason Weisberger, Boing Boing “[Kevin] Hearne is a terrific storyteller with a great snarky wit. . . . Neil Gaiman’s American Gods meets Jim Butcher’s Harry Dresden.”—SFFWorld “Celtic mythology and an ancient Druid with modern attitude mix it up in the Arizona desert in this witty new fantasy series.”—Kelly Meding, author of Tempest “[Atticus is] a strong modern hero with a long history and the wit to survive in the twenty-first century. . . . A snappy narrative voice.”—Library Journal, on Hounded “Outrageously fun.”—The Plain Dealer, on Hounded “Superb . . . plenty of quips and zap-pow-bang fighting.”—Publishers Weekly (starred review), on Hounded
