### Demon Theory

The Penultimate Peril

### A Series of Unfortunate Events #6: the Ersatz Elevator [Netflix Tie-In Edition]

In a fading town, far from anyone he knew or trusted, a young Lemony Snicket began his apprenticeship in an organization nobody knows about. He started by asking questions that shouldn't have been on his mind. Now he has written an account that should not be published, in four volumes that shouldn't be read. This is the first volume.

### "When Did You See Her Last?"

If middle school were a race, Joseph Friedman wouldn't even be in last place—he'd be on the sidelines. With an overactive mind and phobias of everything from hard-boiled eggs to gargoyles, he struggles to understand his classes, let alone his fellow classmates. So he spends most of his time avoiding school bully Charlie Kastner and hiding out in the Resource Room, a safe place for misfit kids like him. But then, on the first day of seventh grade, two important things happen. First, his Resource Room teacher encourages (i.e., practically forces) him to join the school track team, and second, he meets

Heather, a crazy-fast runner who isn't going to be pushed around by Charlie Kastner or anybody else. With a new friend and a new team, Joseph finds himself off the sidelines and in the race (quite literally) for the first time. Is he a good runner? Well, no, he's terrible. But the funny thing about running is, once you're in the race, anything can happen.

## **Poison for Breakfast**

The stunning conclusion to the #1 New York Times bestselling Divergent series is now available in a collector's edition featuring 48 pages of bonus content, including: Excerpts from Natalie Prior's journal Two deleted scenes with commentary from Veronica Roth Favorite quotes from Allegiant, illustrated by fellow Initiates Allegiant discussion questions The Allegiant Collector's Edition is perfect for established fans who want to expand their Divergent library as well as fans of the feature films starring Shailene Woodley, Theo James, and Kate Winslet. The third book in Veronica Roth's worldwide bestselling Divergent trilogy, Allegiant reveals the secrets of the dystopian world that captivated millions of readers in Divergent and Insurgent. And don't miss The Fates Divide, Veronica Roth's powerful sequel to the bestselling Carve the Mark!

## **A Series of Unfortunate Events Collection: Books 7-9**

In a thoroughly modernized, constantly updating society, where can true connection be found? The bodies of citizens and the infrastructure surrounding them is constantly updating. People can't recognize themselves in old pictures, and they wake up in apartments of completely different sizes and shapes. Commuter routes radically differ day to day. The citizens struggle with adaptability as updates happen too quickly, and the changes are far too radical to be intuitive. There is no way to resist—the updates are enacted by a nameless, faceless force. The narrator of Familiar Face works in the government's department of complaints, reading through citizens' reports of the issues they've had with the system updates. The job isn't to fix anything but rather to be the sole human sounding board, a comfort in a system so decidedly impersonal. These complaints aren't mere bug reports—they can be anything: existential, petty, just plain heartbreaking. Michael DeForge's ability to find the humanity and emotional truth within the outlandish bureaucracy of everyday life is unparalleled. The signatures of his work—a vibrant color palette, surreal designs, and a self-aware sense of humor—enliven an often bleak technocratic future. Familiar Face is a masterful and deeply funny exploration of how we define our sense of self, and how we cope when so much of life is out of our control.

## **The Carnivorous Carnival**

The Baudelaire orphans disguise themselves as employees of the Hotel Denouement and find themselves pursued by the evil Count Olaf and others.

## **A Series of Unfortunate Events #12: The Penultimate Peril**

Who is Beatrice, the woman to whom Mr Snicket dedicates every book? There is no question more often asked by fans of Lemony Snicket. Now this captivating collection of letters between Lemony Snicket and Beatrice provides the answers.

## **A Series of Unfortunate Events #11: The Grim Grotto**

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . Like handshakes, house pets or raw carrots, many things are preferable when not slippery. Unfortunately the Baudelaires run into more than their fair share of slipperiness during their harrowing journey up and down a range of strange and distressing mountains in The Slippery Slope. In order to spare you repulsion it is best not to mention any more regarding a secret message, a toboggan, a deceitful trap, a swarm of snow gnats and a scheming villain. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

## **The Penultimate Peril**

NOW A NETFLIX ORIGINAL SERIES If you have not read anything about the Baudelaire orphans, then before you read even one more sentence, you should know this: Violet, Klaus, and Sunny are kindhearted and quick-witted, but their lives are filled with bad luck and misery. All of the stories about these three children are unhappy and wretched and will most likely fill you with deep despair. From The Bad Beginning to The End, this comprehensive collection with unfortunate bonus material that may or may not include trivia questions, character profiles, and several very sad sentences is the only choice for people who simply cannot get enough of a bad thing!

## **The End**

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . The Carnivorous Carnival contains such a distressing story that consuming any of its contents would be far more stomach-turning than even the most imbalanced meal. To avoid causing discomfort, it would be

best if I didn't mention any of the ingredients of this story, particularly a confusing map, an ambidextrous person, an unruly crowd, a wooden plank and Chabo the Wolf Baby. Your time might be better filled with something more palatable such as eating your vegetables or feeding them to someone else. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

## **A Series of Unfortunate Events Complete Collection: Books 1-13**

Is Lemony Snicket a detective or a smoke detector? Do you smell smoke? Young apprentice Lemony Snicket is investigating a case of arson but soon finds himself enveloped in the ever-increasing mystery that haunts the town of Stain'd-by-the-Sea. Who is setting the fires? What secrets are hidden in the Department of Education? Why are so many schoolchildren in danger? Is it all the work of the notorious villain Hangfire? How could you even ask that? What kind of education have you had? Maybe you should be in school?

## **The Baby Merchant**

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . There are many pleasant things to read about, but The Hostile Hospital contains none of them. Within its pages are such burdensome details as a suspicious shopkeeper, unnecessary surgery, heartshaped balloons, and some very startling news about a fire. Clearly you do not want to read about such things. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

## **Anyone but Ivy Pocket**

Still pursued by the evil Count Olaf, the Baudelaire orphans attempt to reach a very important VFD meeting, but first they must travel in a rattletrap submarine to the Gorgonian Grotto, a dangerous underwater cave, in search of the sugar bowl.

## **The Penultimate Peril, Book 12**

A thrilling debut novel where fantasy and science fiction meet, dragons aren't as innocent as they look, and nothing is quite what it seems. Anne has spent most of her thirteen years dreaming of the day she and her best friend Penelope will finally leave Saint Lupin's Institute for Perpetually Wicked and Hideously Unattractive Children. When the big day arrives, a series of very curious happenings lead to Anne being charged with an epic quest. Anne, Penelope, and new questing partner Hiro have only days to travel to strange new locales, solve myriad riddles, and triumph over monstrous foes--or face the horrible consequences. Packed with action, humor, and endless heart, this debut novel marks the first volume in an irresistible and original fantasy series.

## **The Hostile Hospital**

“Exquisitely written, ferocious, and haunting. Don’t miss this one!” —Sarah J. Maas, New York Times bestselling author of the Throne of Glass series “Julie Eshbaugh is a unique new voice with talent enough for a whole team of writers. I’m still under the spell of her storytelling.”—Amie Kaufman, New York Times bestselling co-author of Illuminae and These Broken Stars Loosely inspired by Pride and Prejudice, Ivory and Bone is an enthralling tale of high-stakes survival, blinding betrayal, and star-crossed love. Hunting, gathering, and keeping his family safe—that’s the life seventeen-year-old Kol knows. Then bold, enigmatic Mya arrives from the south with her family, and Kol is captivated. He wants her to trust him, but any hopes of impressing her are ruined when he makes a careless—and nearly grave—mistake. What Kol doesn’t know is that underneath Mya’s cool disdain is a history wrought with loss that comes to light when another clan arrives. With them is Lo, an enemy from Mya’s past who Mya swears has ulterior motives. As Kol grows closer to Lo, tensions between Mya and Lo escalate until violence erupts. Faced with shattering losses, Kol is forced to question every person he’s trusted. One thing is for sure: this was a war that Mya or Lo—Kol doesn’t know which—had been planning all along. With riveting action and illustrative prose that leaps from the page, Julie Eshbaugh will have readers mesmerized and thirsty for more...So don’t miss the sequel, Obsidian and Stars.

## **File Under: 13 Suspicious Incidents (Reports 7-13)**

I should have asked the question "How could someone who was missing be in two places at once?" Instead, I asked the wrong question -- four wrong questions, more or less. This is the account of the second. In the fading town of Stain'd-by-the-Sea, young apprentice Lemony Snicket has a new case to solve when he and his chaperone are hired to find a missing girl. Is the girl a runaway? Or was she kidnapped? Was she seen last at the grocery store? Or could she have stopped at the diner? Is it really any of your business? These are All The Wrong Questions.

## **Ivory and Bone**

Pregnant and relegated to a home for unwed mothers on a world where healthy babies are rare commodities, Sasha Egan finds herself on a collision course with a famous broadcast journalist whose mentally unstable, barren attorney wife has demanded that he obtain a baby for her. By the author of *Thinner Than Thou*. Reprint. 12,500 first printing.

## **Horseradish**

"5 Voices helps leaders know themselves to lead their team. By discovering your voice and the voices of those around you, you will learn how to connect, communicate, and lead every kind of team member. The 5 Voices of Leadership are: 1. the Pioneer: focused of future vision and how to win 2. the Connector: focused on relational networks, communication, collaboration 3. the Creative: focused on future, organizational integrity, social conscience 4. the Guardian: focused on tradition, money, and resources 5. the Nurturer: focused on people, values, relationships"--

## **The Adventurer's Guide to Successful Escapes**

NOW A NETFLIX ORIGINAL SERIES A Warning from the Publisher: If you have come this far, it is likely too late. Readers who have experienced the first nine volumes in *A Series of Unfortunate Events* by Lemony Snicket are usually so weakened by their dreadful knowledge of the Baudelaire orphans' story that they spend most of their time moaning and weeping, and have no strength to read *The Slippery Slope*, *The Grim Grotto*, *The Penultimate Peril*, or *The End*. If, by chance, your moaning and weeping is more or less under control, there is no need to further risk your physical, emotional, and literary health by reading the four remaining volumes in the series. It would be better to regain your strength by spending your time indulging in less alarming activities, such as whistling or making cupcakes for the elderly. After all, this collection contains all of the calamities in the last four volumes of *A Series of Unfortunate Events*, including abandoned condiments, cigarette smoking, a shocking revelation, a ridiculous laugh, a fearsome storm, a herd of wild sheep, a truly haunting secret about the Baudelaire parents, another shocking revelation, and Phil. There is no need to expose yourself to such atrocities, not after all you've been through already.

## **The Penultimate Peril**

When med student Hale is called home by his ailing mother on Halloween night, he and a group of friends are trapped in an inescapable cycle of violence.

## **A Series of Unfortunate Events: Lemony Snicket**

Tolstoy wrote that happy families are alike and that each unhappy family is unhappy in a different way. In Watch Your Mouth, Daniel Handler takes "different" to a whole new level.

## **Familiar Face**

This is the 12th book in Lemony Snicket's 'Series of Unfortunate Events'.

## **The Slippery Slope**

Wintertime is here, and that means it is bedtime for Bear. But Bear's friends don't think so. They want Bear to come and play outside in the snow. Bear can hear his friends calling. He hears them laughing and playing. Bear can't sleep. But it's bedtime! What is a bear to do?

## **"Shouldn't You Be in School?"**

## **"Who Could That Be at This Hour?"**

NOW A NETFLIX ORIGINAL SERIES In their most daring misadventure, the Baudelaire orphans are adopted by very, very rich people, whose penthouse apartment is located mysteriously close to the place where all their misfortune began. Even though their new home in the city is fancy, and the children are clever and charming, I'm sorry to say that still, the unlucky orphans will encounter more disaster and woe. In fact, in this sixth book in A Series of Unfortunate Events, the children will experience a darkened staircase, a red herring, an auction, parsley soda, some friends in a dire situation, a secret passageway, and pinstripe suits. Both literary and irreverent, hilarious and deftly crafted, A Series of Unfortunate Events offers an exquisitely dark comedy in the tradition of Edward Gorey and Roald Dahl. Lemony Snicket's uproariously unhappy books continue to win readers, despite all his warnings.

## **The Bad Mood and the Stick**

The first Series of Unfortunate Events gift/box-set of this New York Times best-selling series. The set includes The Bad Beginning, The Reptile Room, and The Wide Window.

## **A Series of Unfortunate Events: The Beatrice Letters**

NOW A NETFLIX ORIGINAL SERIES A Warning from the Publisher: Would you rather sprain your ankle, bruise your hip, and lose a toe to frostbite on the same day? Or would you rather have these accidents happen on three different days? This electronic collection of volumes seven through nine in A Series of Unfortunate Events by Lemony Snicket is the e-equivalent of having three ghastly accidents right in a row. Contained here are such unpleasantries as kidnapping, disguise, murder, paperwork, another disguise, heart-shaped balloons, false allegations, stiletto heels, a shattered crystal ball, a cryptic map, an irritating song, and quite a few more disguises, all bundled together into a continuous barrage of horror and dismay. The more sensible approach would be to read *The Vile Village*, *The Hostile Hospital*, and *The Carnivorous Carnival* months or even years apart from one another, so you have time to recuperate from the misery each volume offers—or better yet, to turn your eyes away from Mr. Snicket's work and find an electronic experience that would cause you no distress whatsoever.

## **Bedtime for Bear**

Before the Baudelaires became orphans, before he encountered A Series of Unfortunate Events, even before the invention of Netflix, Lemony Snicket was a boy discovering the mysteries of the world. Match wits with Lemony Snicket to solve thirteen mini-mysteries. Paintings have been falling off of walls, a loud and loyal dog has gone missing, a specter has been seen walking the pier at midnight -- strange things are happening all over the town of Stain'd-By-The-Sea. Called upon to investigate thirteen suspicious incidents, young Lemony Snicket collects clues, questions witnesses, and cracks every case. Join the investigation and tackle the mysteries alongside Snicket, then turn to the back of the book to see the solution revealed. A delicious read that welcomes readers into Lemony Snicket's world of deep mystery, mysterious depth, deductive reasoning, and reasonable deductions.

## **A Series of Unfortunate Events #10: The Slippery Slope**

A Warning from the Publisher: Many readers have questions about Lemony Snicket, author of the distressing serial concerning the trials of the charming but unlucky Baudelaire orphans, published under the collective title A Series of Unfortunate Events. Before purchasing, borrowing, or stealing this book, you should be aware that it contains the answers to some of those questions, such as the following: 1. Who is Lemony? 2. Is there a secret organization I should know about? 3. Why does Lemony Snicket spend his time researching and writing distressing books concerning the Baudelaire orphans? 4. Why do all of Lemony Snicket's books contain a sad dedication to a woman named Beatrice? 5. If there's nothing out there, what was that noise? Our advice to you is that you find a book that answers less upsetting questions than this one. Perhaps your librarian, bookseller, or parole officer can recommend a book that answers the question, "Aren't ponies adorable?"

## **A Series of Unfortunate Events #3: The Wide Window**

Lost at sea, the Baudelaire orphans, along with the evil Count Olaf, wash up on the shore of an island populated by an oddly placid group of inhabitants, and they try to decide whether or not they are truly safe.

## **5 Voices**

NOW A NETFLIX ORIGINAL SERIES Like bad smells, uninvited weekend guests or very old eggs, there are some things that ought to be avoided. Snicket's saga about the charming, intelligent, and grossly unlucky Baudelaire orphans continues to alarm its distressed and suspicious fans the world over. The tenth book in this outrageous publishing effort features more than the usual dose of distressing details, such as snow gnats, an organised troupe of youngsters, an evil villain with a dastardly plan, a secret headquarters and some dangerous antics you should not try at home. With the weather turning colder, this is one chilling book you would be better off without.

## **A Series of Unfortunate Events 01. The Bad Beginning**

Are you ready for Ivy Pocket? A darkly whimsical and wickedly funny tale of a twelve-year-old maid of no importance who finds herself at the very heart of a conspiracy involving mischief, ghosts, and murder. School Library Journal says, "Fans of . . . Lemony Snicket's A Series of Unfortunate Events will love Ivy Pocket's zany adventures." Featuring extensive black-and-white interior art by Barbara Cantini. Ivy Pocket is a walking disaster, at every turn enraging and appalling the aristocrats she works for. But our protagonist doesn't see herself that way at all. In fact, she's convinced that she's rather wonderful, perfectly charming, and extremely talented. When Ivy finds herself abandoned and penniless in Paris, she has no idea how she will get back to England. Fate intervenes when Ivy is called to the sickbed of a dying duchess and is charged with delivering a spectacular (and possibly cursed) diamond necklace to Matilda Butterfield on her twelfth birthday. From that moment on, Ivy Pocket is propelled towards her remarkable destiny in a surprising adventure full of intrigue, villains, mayhem, and misunderstandings. ALA Booklist calls Anyone but Ivy Pocket "A droll chapter book with a Victorian setting and a one-of-a-kind protagonist."

## **The Penultimate Peril**

NOW A NETFLIX ORIGINAL SERIES Lemony Snicket returns with the last book before the last book of his bestselling A Series of Unfortunate Events. Scream and run away before the secrets of the series are revealed! Very little is known about Lemony Snicket and A Series of Unfortunate Events. What we do know is contained in the following brief list: The books

have inexplicably sold millions and millions of copies worldwide People in more than 40 countries are consumed by consuming Snicket The movie was as sad as the books, if not more so Like unrefrigerated butter and fungus, the popularity of these books keeps spreading Even less is known about book the twelfth in this alarming phenomenon. What we do know is contained in the following brief list: In this book, things only get worse Count Olaf is still evil The Baudelaire orphans do not win a contest The title begins with the word 'The' Sometimes, ignorance is bliss.

## **Watch Your Mouth**

New York Times bestselling author Lemony Snicket sheds light on the way bad moods come and go. Once there was a bad mood and a stick. The stick appeared when a tree dropped it. Where did the bad mood come from? Who picked up the stick? And where is the bad mood off to now? You never know what is going to happen.

## **A Series of Unfortunate Events Collection: Books 10-13**

Top secret—only for readers deeply interested in the Baudelaire case. How I pity these readers. With all due respect,  
Lemony Snicket

## **The Beatrice Letters**

The first four books in Lemony Snicket's bestselling 'A Series of Unfortunate Events' are collected together in this attractive rigid slipcase.

## **Sidetracked**

Collects an array of disheartening truths and unhappy observations drawn from the author's work, including "siblings who claim to get along all the time are most definitely hiding something."

## **A Box of Unfortunate Events**

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasanties befall the charming and clever Baudelaire children read on . . . In The Bad Beginning the three youngsters encounter a greedy and repulsive villain, itchy clothing, a disastrous fire, a plot to steal their fortune and cold porridge for breakfast. Then again, why trouble yourself with

the unfortunate resolutions? With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

### **A Series of Unfortunate Events Box: The Trouble Begins**

Dear Reader, If you have not read anything about the Baudelaire orphans, then before you read even one more sentence, you should know this: Violet, Klaus, and Sunny are kindhearted and quick-witted, but their lives, I am sorry to say, are filled with bad luck and misery. All of the stories about these three children are unhappy and wretched, and this one may be the worst of them all. If you haven't got the stomach for a story that includes a hurricane, a signalling device, hungry leeches, cold cucumber soup, a horrible villain, and a doll named Pretty Penny, then this book will probably fill you with despair. I will continue to record these tragic tales, for that is what I do. You, however, should decide for yourself whether you can possibly endure this miserable story. With all due respect, Lemony Snicket

### **Allegiant Collector's Edition**

"Lemony Snicket must investigate his own possible murder by poison after receiving a suspicious note following breakfast"--
