A special feature is the inclusion of strategies to 'Improving Penile Sensitivity For An Extraordinary Experience' Buy this book now and you will get loads of ways to have that sexual experience that you've been dreaming about!

## **The Little Black Book of Sex Positions**

“An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar.” —Bart Ehrman, author of *Misquoting Jesus* Boston University’s cutting-edge religion scholar Jennifer Wright Knust reveals the Bible’s contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart Erhman’s *Jesus Interrupted* and John Shelby Spong’s *Sins of Scripture*, Knust’s *Unprotected Texts* liberates us from the pervasive moralizing—the fickle dos and don’ts—so often dictated by religious demagogues. Knust’s powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

Most books on sexuality teach women that satisfying their partner is the key to a great sexual experience. However, for most women, great sex is predicated on understanding their own bodies and desires first. Moreover, a woman's sexual desires and preferences aren't fixed—they are greatly impacted by physical changes such as pregnancy, menopause, and hormonal fluctuations. This sensual yet practical guide provides a comprehensive overview of all the sexual options available for women throughout their lifetime. Intrepid sex journalist and expert Susan Crain Bakos shows women how to sexually satisfy themselves and their partners, through masturbation, touching, oral sex, and intercourse. Racy, full-color photographs instruct women on positions, foreplay techniques, and how to use sex toys on themselves or others. Women gain a deeper understanding of their own unique physiology, how to achieve orgasm, and how to stay healthy as they explore different sexual options.

## **The Confessions of St. Augustine**

No issue is more divisive or more pressing for the church today than homosexuality. Two Views on Homosexuality, the Bible, and the Church brings a fresh perspective to a well-worn debate. While Christian debates about homosexuality are most often dominated by biblical exegesis, this book seeks to

## Read Online The Position Sex Bible More Positions Than You Could Possibly Imagine

### Trying

give much-needed attention to the rich history of received Christian tradition, bringing the Bible into conversation with historical and systematic theology. To that end, both theologians and biblical scholars—well accomplished in their fields and conversant in issues of sexuality and gender—articulate and defend each of the two views: Affirming view William Loader Megan K. DeFranza Traditional view Wesley Hill Stephen R. Holmes Unique among most debates on homosexuality, this book presents a constructive dialogue between people who disagree on significant ethical and theological matters, and yet maintain a respectful and humanizing posture toward one another. Even as these scholars articulate pointed arguments for their position with academic rigor and depth, they do so cordially, clearly, and compassionately, without demeaning the other. The main essays are followed by exceptionally insightful responses and rejoinders that interact with their fellow essayists with convicted civility. Holding to a high view of Scripture, a commitment to the gospel and the church, and a love for people—especially those most affected by this topic—the contributors wrestle deeply with the Bible and theology, especially the prohibition texts, the role of procreation, gender complementarity, and pastoral accommodation. The book concludes with general editor Preston Sprinkle's reflections on the future of discussions on faith and sexuality.

### **Sex Positions**

In Bible, Gender, Sexuality James Brownson argues that Christians should reconsider whether or not the biblical strictures against same-sex relations as defined in the ancient world should apply to contemporary, committed same-sex relationships. Presenting two sides in the debate -- "traditionalist" and "revisionist" -- Brownson carefully analyzes each of the seven main texts that appear to address intimate same-sex relations. In the process, he explores key concepts that inform our understanding of the biblical texts, including patriarchy,

## Read Online The Position Sex Bible More Positions Than You Could Possibly Imagine

Trying

complementarity, purity and impurity, honor and shame. Central to his argument is the need to uncover the moral logic behind the biblical text. Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality, Brownson's in-depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue.

### **365 Sex Moves**

Jacob and Solomon were polygamists. Tamar and Rahab were prostitutes. What are polygamists and prostitutes doing on the pages of Holy Scripture? And God told the prophet Hosea to marry a prostitute. What about Cain—did he really marry his sister? Abraham did, and he was also a polygamist. Lot offered his daughters up for rape, David committed adultery (or rape?) and the Bible calls both men righteous. Love, Old Testament style, was bizarre. As readers of the Old Testament encounter these weird, confusing, and horrific “love” stories they ask, “What’s up with sex in the Old Testament?” The church often ignores the R-rated bits of the Bible, so it’s hard for people to find answers to their disturbing questions about sex in Scripture, which can lead people to give up on God and God’s word. However, these stories were included in the Bible for a reason, to reveal an even more shocking “love” story. When humans behave badly, God behaves graciously. God not only forgives people with sexual baggage, but also redeems their lives and includes them in his mission. God’s word records their story to benefit us.

Trying

Just as sex was not often ideal in the Old Testament, it's often not ideal today. Instead of ignoring these stories, Prostitutes and Polygamists engages, discusses, and learns from them.

### **The Sex Bible**

For several decades, Michael Coogan's introductory course on the Old Testament has been a perennial favorite among students at Harvard University. In *God and Sex*, Coogan examines one of the most controversial aspects of the Hebrew Scripture: What the Old Testament really says about sex, and how contemporary understanding of those writings is frequently misunderstood or misrepresented. In the engaging and witty voice generations of students have appreciated, Coogan explores the language and social world of the Bible, showing how much innuendo and euphemism is at play, and illuminating the sexuality of biblical figures as well as God. By doing so, Coogan reveals the immense gap between popular use of Scripture and its original context. *God and Sex* is certain to provoke, entertain, and enlighten readers.

### **Sex Positions: Sex Tips and Techniques for 21 Steamy Sexual Positions**

\*Is there a place for celibate, gay Christians in the church? \*How do the gospel, holiness, and indwelling sin play out in the life of a Christian experiencing same-sex attraction? And how do brothers and sisters in Christ show love to them? Wesley Hill offers wise counsel that is biblically faithful, theologically serious, and oriented to the life and practice of the church. As a celibate gay Christian, Hill gives us a glimpse of what it looks like to wrestle firsthand with God's "No" to same-sex sexual intimacy. What does it mean for gay Christians to be faithful to God while struggling with the challenge of their homosexuality? What is God's will for believers who experience same-sex desires? Those who choose celibacy are often left to deal with loneliness and the hunger for relationships. How can gay Christians experience God's favor and blessing in the midst of a struggle that for many brings a crippling sense of shame and guilt? Weaving together reflections from his own life and the lives of other Christians, such as Henri Nouwen and Gerard Manley Hopkins, Hill offers a fresh perspective on

Trying

time, by an Oxford scholar and Anglican priest In our culture, the Bible is monolithic: It is a collection of books that has been unchanged and unchallenged since the earliest days of the Christian church. The idea of the Bible as "Holy Scripture," a non-negotiable authority straight from God, has prevailed in Western society for some time. And while it provides a firm foundation for centuries of Christian teaching, it denies the depth, variety, and richness of this fascinating text. In *A History of the Bible*, John Barton argues that the Bible is not a prescription to a complete, fixed religious system, but rather a product of a long and intriguing process, which has inspired Judaism and Christianity, but still does not describe the whole of either religion. Barton shows how the Bible is indeed an important source of religious insight for Jews and Christians alike, yet argues that it must be read in its historical context--from its beginnings in myth and folklore to its many interpretations throughout the centuries. It is a book full of narratives, laws, proverbs, prophecies, poems, and letters, each with their own character and origin stories. Barton explains how and by whom these disparate pieces were written, how they were canonized (and which ones weren't), and how they were assembled, disseminated, and interpreted around the world--and, importantly, to what effect. Ultimately, *A History of the Bible* argues that a thorough understanding of the history and context of its writing encourages religious communities to move away from the Bible's literal wording--which is impossible to determine--and focus instead on the broader meanings of scripture.

## **The Big Black Book of Sex Positions**

The King James Bible for ebook readers, desktops, tablets and phones. Including Old Testament and New Testament, this is a wonderful tool that keeps the scriptures at your fingertips. The translation that became the Authorized King James Bible was begun in 1604 and in 1611 was published by the Church of England, under the direction of King James. The translation was done by forty-seven Church of England scholars, the New Testament coming from the Greek Textus Receptus (Received Text), the Old Testament from the Masoretic Hebrew text, and the Apocrypha from the Greek Septuagint (LXX), except for two Esdras from the Latin Vulgate.

## **God and the Gay Christian**

In this timely book, award-winning author Kevin DeYoung challenges each of us—the skeptic and the seeker, the certain and the confused—to take a humble look at God’s Word regarding the issue of homosexuality. After examining key biblical passages in both the Old and New Testaments and the Bible’s overarching teaching regarding sexuality, DeYoung responds to popular objections raised by Christians and non-Christians alike, making this an indispensable resource for thinking through one of the most pressing issues of our day.

## **The Modern Kama Sutra**

This guide to Karezza - a form of slow and gentle

sexual intercourse where the objective is not orgasm - is accurate, clear and enlightening. John William Lloyd explores herein the spiritual, conjugal, mental and gender-specific facets of Karezza. The author frequently and diversely contrasts the phenomena of karezza to that of ordinary lovemaking, whereby the pleasure of orgasm is among the commonest objectives. Karezza seeks to promote genuine affection and heartfelt passion between the lovers, that their emotional and psychological connection deepens. The raw pleasure of conventional intercourse is compared unfavorably to other fleeting, shallow joys in life; fine dining, alcohol, drugs. Karezza by contrast is presented as building long-lasting emotional depth, on achieving meaning and lasting contentedness in a relationship and life in general. Since its popularization by gynecologist Alice Bunker Stockham during the 1890s, karezza has been suggested by therapists and counsellors. As well as improving emotional connection and intimacy, Stockham considered karezza as a means of equalizing the sexes in their marriage, promoting fidelity and harmony in unions that might otherwise be in jeopardy. Equivalent practices to karezza have also existed in belief systems of Hinduism and Taoism for millennia.
