Rebecca Reisert's mesmerizing first novel re-imagines Macbeth, Shakespeare's classic tragedy of power and madness, through the eyes of a mysterious young woman on a dangerous quest for vengeance. For the girl called Gilly, life in the wilds of Birnam Wood is little more than a desperate struggle for survival. Seven long years have passed since she was first taken in and sheltered by Nettle and Mad Helga, the hut-dwelling wise-women whose inscrutable powers of alchemy and prophecy are feared and reviled throughout good King Duncan's kingdom. Living under the threat of deadly persecution by witch-hunting villagers, the threesome ekes out a life by peddling potions and elixirs, scavenging for food, and robbing the bloodied corpses of Scotland's battle-scarred hills for precious metals and weapons. But Gilly is haunted by recollections of a much brighter life. She clings to fading memories of a time when she was contented and adored -- until tragedy swept all that happiness away and young Gilly's life was changed forever. I have made my life an arrow, and His heart is my home. I have made my heart a blade, and His heart is my sheath. Obsessed with avenging her loss and putting out the fire that still rages in her heart, Gilly has dedicated herself to destroying Macbeth, the boundlessly ambitious man who took away her childhood, and his goading wife. Disguising herself as a poor servant boy, she insinuates herself into their lives and, as she bears horrified witness to Macbeth's

violent path to power, Gilly subtly begins to take a hand in the forces governing his fate. But as the culmination of her revenge draws near, Gilly finds her own life at risk when she confronts the troubling legacy of a long-concealed heritage. The Third Witch is a brilliantly imagined, wonderfully satisfying novel. In a riveting story of ruthlessness and revenge, debut author Rebecca Reisert demonstrates a profound understanding of the Bard's timeless drama -- and of the real-life Macbeth upon whom Shakespeare's incarnation is modeled.

Among the most enduring poetry of all time, William Shakespeare's 154 sonnets address such eternal themes as love, beauty, honesty, and the passage of time. Written primarily in four-line stanzas and iambic pentameter, Shakespeare's sonnets are now recognized as marking the beginning of modern love poetry. The sonnets have been translated into all major written languages and are frequently used at romantic celebrations. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

## **The Tragedy of Macbeth According to Mr. Pope's Second Edition**

Maria Howell's, *Manhood and Masculine Identity in William Shakespeare's The Tragedy of Macbeth*, is an important and compelling scholarly work which seeks to examine the sixteenth century's greatest concern, echoed by Hamlet himself, "What is a man?" In an attempt to analyze the concept of manhood in *Macbeth*, Howell explores the contradictions and ambiguities that underlie heroic notions of masculinity dramatized throughout the play. From Lady Macbeth's capacity to control and destroy Macbeth's masculine identity, to Macbeth himself, who corrupts his military prowess to become a ruthless and murderous tyrant, Howell demonstrates that heroic notions of masculinity not only reinforce masculine power and authority, paradoxically, these ideals are also the source of man's disempowerment and destruction. Howell argues that in an attempt to attain a higher principle, the means (violence and destruction) and the ends (justice and peace) become fused and indistinguishable, so that those values that inform man's actions for good no longer provide moral clarity. Howell's poignant and timely analysis of manhood and masculine identity in Shakespeare's *Macbeth* will no doubt resonate with readers today.

### **Richard II ; MacBeth**

William Shakespeare (26 April 1564 - 23 April 1616) was an English poet, playwright, and actor, widely

regarded as the greatest writer in the English language and the world's pre-eminent dramatist. He is often called England's national poet, and the "Bard of Avon". His works, including collaborations, consist of approximately 38 plays, 154 sonnets, two long narrative poems, and a few other verses. His plays have been translated into every major living language and are performed more often than those of any other playwright.

### **Shakespear's Tragedy of Macbeth**

One of the great Shakespearean tragedies, Macbeth is a dark and bloody drama of ambition, murder, guilt, and revenge. Prompted by the prophecies of three mysterious witches and goaded by his ambitious wife, the Scottish thane Macbeth murders Duncan, King of Scotland, in order to succeed him on the throne. This foul deed soon entangles the conscience-stricken nobleman in a web of treachery, deceit, and more murders, which ultimately spells his doom. Set amid the gloomy castles and lonely heaths of medieval Scotland, Macbeth paints a striking dramatic portrait of a man of honor and integrity destroyed by a fatal
