Slightly Mad and Full of Dangers

Travel to the land of Oz with Dorothy and find out what inspired the forthcoming film blockbuster Oz: The Great and Powerful

Adventure Time Mad Libs

An anecdotal biography of Paddy Chayefsky follows the life, film career, and personal relationships of the legendary screenwriter, from his humble beginnings in the Bronx through his three Academy Awards for Marty, Network, and Hospital.

Toto's Reflections

Big word coming! Big word coming! This collection of five stories follows the misadventures of a boy named Cris, who -likes things all in a row," and his cat, Crat, who -likes to mix things up." The two are visited along the way by the Sprinkle Fairy, who owns a word factory in Sicily, -where the best words in the world come from," and her helpers, the Sprinklers, who have slipped one big word into each of the small stories. But don't worry, kids may wonder who purloined the missing donut, but they won't be bamboozled by the big words! The Sprinklers give readers a warning before each big word appears, and the pronunciation and definition after.

Spencer & Locke

The Land of Oz is given a whole new dimension with these original die-cut note cards inspired by the stories of L. Frank Baum. 16 die-cut note cards, 4 of each design, with 17 envelopes. 5 x 6-5/8 inches

Heritage Comics Auctions, Dallas MAD Auction Catalog #819

Collecting the hit mini-series, Spencer & Locke follows hard-boiled Detective Locke as he investigates a brutal murder with the strangest of partners -- his childhood imaginary panther, Spencer. But when they face brutal gunfights, deadly car chases and memories of Locke's traumatic youth, can this unlikely pair survive long enough to find the truth?

The Emerald City of Oz

Becky and her brother use some ingenious clues to identify the person who stole five children's books from the town's library.

Wonderful Wizard of Oz

All Things Oz

Dragon lovers will jump at the chance to see what raising a friendly dragon just might look like in this hilarious read aloud about a boy and his pet. While dragons may not be the most traditional of pets, the boy explains how his dragon, Sparky, would be the perfect pet and pal. He details tips for how to pick a dragon, what to do when your dragon misbehaves, and what NOT to feed them (broccoli). Clever and wry text paired with bright and comedic illustrations will make Me and My Dragon a storytime favorite for kids and adults alike.

Mad Waltzing - A Biography of Jana

Heller

Mad Game

The Patchwork Girl of Oz by L. Frank Baum is a children's novel, the seventh in the Oz series. Characters include the Woozy, Ojo "the Unlucky", Unc Nunkie, Dr. Pipt, Scraps (the patchwork girl), and others. The book was first published on July 1, 1913, with illustrations by John R. Neill. In 1914, Baum adapted the book to film through his "Oz Film Manufacturing Company."

launching this spring, Mad Libs® and the Justice League are a perfect match!

Mad Hatter

This is the story of the Mad Men fan phenomenon: how the show and its fans distinguished themselves in a market where it's hard to make an impression, not unlike the driven ad execs at the center of the show. In this book, four media psychologists who also just happen to be dedicated Mad Men fans explore how the show's viewers make meaning from fictional drama. The authors also interviewed several contemporary advertising industry professionals, getting their inside view of the business in its modern guise and what they make of the show's vision of their past. The result is cutting-edge psychological research that crunches and codes online fan commentary to understand the ways that people use the show to debate complex social issues, from sex and alcohol to gender roles, parenting, and advertising itself. What do the 1960s mean to us today, and how well does the twenty-first century measure up against that famously turbulent decade? Which characters do fans identify with—and which ones do they love to hate? How would fans unfurl the Mad Men storylines if they were in charge? What makes a good man, and has it changed over time? How should husbands and wives treat each other, and how should parents treat their children? In answering these questions, the authors explore not just the online commentary but also Mad Men fans' fan fiction, cosplay, cocktail making, and vintage furniture

collecting. Whether tweeting as one of the main characters (or just a lowly mail clerk), setting Peggy up with the man who'll treat her right, or figuring out just which "Mad Man" they are at heart, fans integrate the show into their lives and use it to make sense of their own choices in work, leisure, and love.

Lost in Time: A Medieval Adventure (SpongeBob SquarePants)

Jana Heller is a singer, multi-instrumentalist and composer who has written over 300 songs including music for film and TV commercials. "Mad Waltzing" charts her life from a childhood of both affluence and adversity in Brentwood, California to her touring with rock bands and as a solo performer throughout the United States and Europe, including 15 years living in London, England. Includes full-colour photographs.

The Wonderful Wizard of Oz

Mad to live, mad to talk, mad to be saved 18-year-old Samantha Brown sits in a hand-me-down car with the keys clutched in her hand. Caught between a yearning for the unknown and feeling bound by expectation, she telescopes back to a time before her world had fallen apart. As she relives her senior year, we meet Sam's well-intentioned helicopter mother Bev and her high school sweetheart of a boyfriend Adam, but it's her painfully alive best friend Kelly that haunts her. Kelly was everything Sam is not - impetuous and daring. She pushed Sam to break rules and do the unexpected. When Kelly's killed in a car

wreck, Sam loses not only her best friend but also the part of herself that was learning to be brave. Now, Sam has to make a decision. Will she follow her mother's dreams for her, or will she summon the courage to drive away from her friends and family into a future she can't imagine?

Mad Magic, Wise Guides

Enjoy hours of calming creativity as you re-experience this classic story like you've never seen it before.

Dying Is Easy

The Wizard of Oz FAQ is a fact-filled celebration of the beloved 1939 fantasy masterpiece starring Judy Garland. It's all here - from L. Frank Baum and his *Oz* novels to the complete background story of the movie's conception, development, and shoot, with special attention given to the little-known parade of uncredited directors, casting difficulties, and on-set accidents and gaffes, as well as more than 75 sidebars devoted to key cast members, directors, and

other behind-the-scenes personnel. You'll find a wealth of fun facts: How MGM overworked Judy Garland before, during, and after Oz; why director Victor Fleming had his hands full with the Cowardly Lion and Dorothy's other friends; what it was about Toto that really bothered Judy; the physical horrors of filming in Technicolor; the racial Oz gag that was scripted but never shot; when the Wicked Witch was going to be beautiful; why The Wizard of Oz owes a lot to silent-screen star Mary Pickford; the story of deleted scenes, and a full two weeks of shooting that had to be scrapped; why MGM star Mickey Rooney was part of the movie's traveling publicity blitz; how the Wicked Witch was literally blown off her broomstick one day; the place where lions, tigers, and bears really do live together; singers you hear but never see; the day MGM fired Judy Garland; and much more. Just follow the yellow brick road!

Mad Empress of Callisto

"Two of literature's most unforgettable young ladies get mixed up together in a magical meeting that produces hilarious results as the audience becomes reacquainted with a cast of familiar characters and sees them in a new light: the Cowardly Lion, the White Rabbit, the Tin Man, the Mad Hatter, the Scarecrow, the Dormouse, the Queen and the Witch from those enduring classics The Wizard of Oz and Alice in Wonderland. This fun-filled romp follows Alice and Dorothy and their coteries as they try to unscramble their stories with the help of a contemporary young lad who started the whole thing

to begin with when he put off a book report until the very last minute." --

Wizard of Oz Paper Dolls

From Victor Frankenstein to Dr. Moreau to Doc Brown in *Back to the Future*, the scientist has been a puzzling, fascinating, and threatening presence in popular culture. From films we have learned that scientists are either evil maniacal geniuses or bumbling saviors of society. *Mad, Bad and Dangerous?* puts this dichotomy to the test, offering a wholly engaging yet not uncritical history of the cinematic portrayal of scientists. Christopher Frayling traces the genealogy of the scientist in film, showing how the scientist has often embodied the predominant anxieties of a particular historical moment. The fear of nuclear holocaust in the 1950s gave rise to a rash of radioactive-mutant horror movies, while the possible dangers of cloning and biotechnology in the 1990s manifested themselves in *Jurassic Park*. During these eras, the scientist's actions have been viewed through a lens of fascination and fear. In the past few decades, with increased public awareness of environmental issues and of the impact of technology on nature, the scientist has been transformed once again—into a villainous agent of money-hungry corporate powers. *Mad, Bad and Dangerous?* also examines biographical depictions of actual scientists, illuminating how they are often portrayed as social misfits willing to sacrifice everything to the interests of science. Drawing on such classic and familiar films as *Frankenstein*,

Metropolis, and The Wizard of Oz, Frayling brings social and film history together to paint a much larger picture of the evolving value of science and technology to society. A fascinating study of American culture and film, Mad, Bad and Dangerous? resurrects the scientists of late night movies and drive-in theaters and gives them new life as cultural talismans.

Who Stole the Wizard of Oz?

Mad, Bad and Dangerous?

A collection of experiments includes those that can be performed using ordinary household objects, such as making a battery from money or a beach ball-powered elevator, plus explanations of why each works. Original.

The Wizard of Oz FAQ

When moviegoers accompany Dorothy through the gates of the Emerald City, they may think they have discovered all there is to see of Oz—but as real friends of the Wizard know, more lies behind the

curtain. The Wonderful Wizard of Oz, on which the 1939 film was based, was only the first of 14 Oz books. Together these works constitute a series rich in allusions to a broad range of literary traditions, including fairy tale, myth, epic, the picaresque novel, and visions of utopia. Reflecting on L. Frank Baum's entire series of full-length Oz books, this study introduces readers to the great folklorist who created not only Dorothy and friends, but countless wonderful characters who still await discovery. Close analysis of each book invites readers to search Baum's fascinating stories for meaning and mythical quality. Progressing chronologically through the canon, the author discusses literary devices and important thematic implications in each book, arguing that Baum wrote for the pleasure of both children and adults, both to provide entertainment and to teach moral lessons. Of particular significance is the argument, sustained over several chapters, that Baum modeled his Oz books on classic mythical patterns, rewriting Oz history in nearly every book to produce a different set of backgrounds and a different conception of utopia for his imaginary kingdom. This variety of backgrounds and archetypes gives Baum's books a truly universal appeal. Examinations of his non-Oz books and his other Oz works, such as Little Wizard Stories of Oz and The Woggle-Bug Book, illuminate the discussion of the Oz novels.

The Marvelous Land of Oz

The premier American fantasy adventure gets the Merry Marvel treatment! Eisner Award-winning

writer/artist Eric Shanower teams up with fan-favorite artist Skottie Young to bring L. Frank Baum's beloved classic to life! When Kansas farm girl Dorothy flies away to the magical Land of Oz, she fatally flattens a Wicket Witch, liberates a Scarecrow and is hailed by the Munchkin people as a great sorceress but all she really wants to know is: how does she get home? Hello Kitty Loves Mad Libs

Sara Dugan returns to the Arizona town she left as a young girl only to find the man she once loved more desirable than ever, but must concentrate only on the business deal she is about to propose to him.

The Patchwork Girl of Oz Illustrated

“Seeing Mad” is an illustrated volume of scholarly essays about the popular and influential humor magazine Mad, with topics ranging across its 65-year history—up to last summer’s downsizing announcement that Mad will publish less new material and will be sold only in comic book shops. Mad magazine stands near the heart of post-WWII American humor, but at the periphery in scholarly recognition from American cultural historians, including humor specialists. This book fills that gap, with perceptive, informed, engaging, but also funny essays by a variety of scholars. The chapters, written by experts on humor, comics, and popular culture, cover the genesis of Mad; its editors and prominent

contributors; its regular features and departments and standout examples of their contents; perspectives on its cultural and political significance; and its enduring legacy in American culture.

Dorothy Meets Alice, Or, The Wizard of Wonderland

Fantasy and adventure in the fairy land of Ev with Dorothy, Princess Ozma, a wicked Nome King, an enchanted royal family, and more. 111 black-and-white illustrations.

Oz in Perspective

Running with the Big Dogs! In *The Wizard of Oz*, Dorothy's Toto was clearly a dog of character. He knew when to sit still, when to bark, and when to make a fuss. He was simply a real dog with real observations about real situations. And the Oz experience reinforced what his parents taught him as a small pup: Care deeply. Bark only when necessary but then, forcefully. Be curious. Express yourself. Embrace the world and have no fears. The story of Dorothy's journey to Oz has captivated generations of children and adults alike since it was first published by L. Frank Baum in 1900. Dorothy's adventures have been analyzed from virtually every perspective—psychological, historical, economic, and the like—except from the perspective of the only other character that was with her every step of the way: Toto! Dorothy's little dog wrote this book and buried his manuscript in a can with an old bone on the

original Gale farmstead. Dr. Fickenscher came upon it quite accidentally and was given the opportunity to edit Toto's original thoughts on the Leadership Lessons from The Wizard of Oz, which he now shares with you. Of course, there are the usual thoughts on brainpower, heart, and courage, but in this book, there is much, much more. The many lessons of Oz will captivate your imagination and, no doubt, serve as a guide in your quest to become a better leader! Toto's Reflections will help you contribute to making a difference in the world, and challenge you to consider what you can do, starting right now, to make the world a better place!

Me and My Dragon

Comedy is hard but dying is easy! From New York Times bestselling author Joe Hill (Locke & Key) comes this new graphic novel mystery. Meet Syd "Sh*t-Talk" Homes, a disgraced ex-cop turned bitter stand-up comic turned possible felon? Carl Dixon is on the verge of comedy superstardom and he got there the dirty way: by stealing jokes. He's got a killer act, an ugly past, and more enemies than punch-lines. So when someone asks Syd Homes how much it would cost to have Dixon killed, Syd isn't surprised in the slightest. But, once he's accused, he's on the run and it's going to take all of his investigative chops to suss out the real killer before he gets caught. This crime thriller by writer Joe Hill and artist Martin Simmonds follows in the tradition of fair-play mysteries inviting readers to solve the murder before Syd does!

Ozma of Oz

Follow the yellow brick road to happiness and wonder with this charming adult coloring book from! Get inspired by Oz's land and meet the characters not only from The Wizard of Oz but some other books from Mr. Frank Baum.
