When you live in a place where "turbo speed" internet is a slight step above dial-up, men carry on nine-year beard-growing challenges out of stubborn pride, and your brothers do things like nail all your panties to the outside of your cabin just for funsies, you tend to be a little crazy. You can call it a "locational" hazard, if you will. That's Tomahawk for you. We rank people based on just how crazy they are. And the four craziest families in town are called the Wild Ones. I'm on the bottom tier of those, so technically I'm not as crazy as the other Wild Ones. In fact, if it wasn't for my brothers and their endless antics, I wouldn't be considered a Wild One at all. Ahem. Sure. We'll go with that. Anyway, I have a best friend who endures it all with me. Benson Nolans is my one, constant favorite person. Without him, I'd probably go really crazy, and not the fun kind. It'd be ridiculous, after three years of a flawless friendship, to mess that all up by falling for him. I mean, even if

we did get a little too close one night, it'd be reckless endangerment. Even if we did suddenly feel the chemistry that's always been there and stop toeing the line, it'd be a foolish risk to take. It'd be stupid to start hoping a really fun, but completely irrational, night with zero inhibitions might accidentally happen. Really stupid, right? *NO cliffhanger* Stand-alone book *Sexual Content* Adult language *Completely, 100% crazy

Blood Dragon

A fast-paced, action packed adventure, by USA Today Bestselling author Charlene Hartnady. We can't help who we are. Some things are preordained. I was born half god and half dragon shifter. We call ourselves the dragon demigods. Mortal, powerful, arrogant as sh!t. Being a dragon demigod has definite perks. Perks we have to be very careful about using, since the humans don't know about our existence. We're able to shift into dragon form. We have unique powers. Lastly, we're attractive to the human race. Handy, since we live among them. Unlike others of my kind, I inherited one of those traits. Only one. Thing is, I'm okay with that. More than okay. I'm talented at what I do. I own my own custom workshop. I like to get my hands dirty. There is only one rule at my place of business. I never

deal directly with the clients. I'm a moody bastard. A loner. Happiest when under the hood of a car. I never once broke my rule, until the day she walked into my shop. How could he have done this? I should be sad. I should be grieving but I'm not. All I can feel is angry. My brother killed himself because he owed a lot of money to the worst kind of people and now, they're after me. They want payment one way or another. For the last couple of weeks, all I've done is exist. Running from one place to the next. These murderous gangsters are right on my tail. They're slowly catching up to me. It won't be long and they'll have me. Just when I think it can't get any worse, my car breaks down. That's when I meet him. A beast of a man. He's rude. He's conceited. He might be exactly what I need to get out of this mess. No cheating! Contains hot alpha males and therefore strong sexual themes/language.

An exciting new series from USA Today Bestselling author Charlene Hartnady The Feral. Self-appointed rulers of all. Strong. Majestic. The most badass of all the species, and yet, the most vulnerable. Their own females died many moons ago from the dreaded clutch sickness. Desperate and desolate, they watch as the other shifters take human females as mates. They are breeding successfully with them too. Surely if the others can do it, they can too? They must if they are to survive. Human females are afraid of them, not interested in the least. It is clear that The Feral must first learn the ways of the humans. The problem is that they have kept to themselves for too long. They don't have the slightest clue where to start. Several keythong are appointed to infiltrate human society. To learn what they can. These particular males are some of those who lost their mates. They are therefore destined to spend the rest of their days alone. Females no longer tempt them, which makes them perfect for this mission. As long as they stick to the plan and the job at hand, what can go wrong? Talon arrives in the big city. It's bright, loud and packed with humans. By scale and by feather, he has no idea where to start. The future of his species rests firmly on his shoulders. Clueless, he enlists the services of a Love Doctor who promises to teach him everything he needs to know about the opposite sex. Vicky is desperate. Ever since her husband ran off with another woman, her business has been in the toilet. Who wants to take advice on love from someone who couldn't keep her own husband happy? No one, that's who. At least, no one in their right mind. On the verge of bankruptcy, a very gorgeous, nut-job of a guy walks through her door. He claims not to be human. Yeah right! Her first instinct is to kick him out. Then he hands her a suitcase full of money. Cash - and lots of it. How can she refuse to teach him everything she knows about women, about love? She can't, that's how. The female laughs at him when he tells her who he is and why he is there. It takes some convincing to get her to agree to help him. She proves to be highly knowledgeable and skilled in the ways of human females. His mate has long since died and yet he is tied to her as if she were flesh and blood. His heart, his body, and his soul belong only to her. Why then does this tiny human doctor tempt him so? How is it that his hunger has

Dragon shifter series set in the same world as The Bride Hunt series Bay knew what she was. Definitely not human. Not even close. He knew she was startlingly beautiful. He even knew what she looked like naked. Unfortunately, he didn't know who she was. Not really. Even her name was a mystery. Where was she now? What was she doing? What was she thinking? Thoughts like those continued to spin around and around in his head. Making him crazy. Making it so that he couldn't think of anything else. It was affecting his work, his sleep, his life. His sanity! Why had she up and left in the middle of the night? Gone before he could ask her that one burning question. The answer to which could alter his life. In just a couple of days, he and Torrent were meeting with all of the leaders of the non-humans. They were going to discuss the Slayers. Right now the Hunters were targeting the dragons but who of the species would be next? Something needed to be done. A collective effort needed to be made. He should be strategizing. Learning all there was to know of his new role. Yet, here he was, agonizing over what he would say when he saw her next. Stupid, stupid, stupid! What had she been thinking? If anyone ever found out she'd spent the night with a dragon shifter, she'd be in a ton of trouble. Good thing she was never going to see him again. She could move on with her life and put that one lapse of judgment firmly behind her. Sure, there were a couple of dragon delegates set to attend the big meeting between the species, but what were the chances of one of them being him? Knight's End

Book 2 in this exciting new world. If you like dragons and egotistical, super-sexy demigods, then this is the series for you. I hate my father. At least, I want to. He is an evil bastard. I should hate him. You see, he's Hades. God of the Underworld. I am his son. I find I desperately want his approval and, at the same time, don't want to be anything like him. It's a screwed-up place to be in. And people wonder why I am the way I am. Hades is despicable. Immoral. Cunning. He's my dad. I'm not sure why I keep returning to hell. Why I keep going back to see him. Why I torture myself with his indifference. Am I ever going to learn? It seems not. It's always the same, just when I think I am dead to him, he gives me another one of his duties. Something easy, he says. Something even I - his disappointment of a son - can get right. I should know better. I should turn him down flat. I can't! I do a stupid thing and accept. Now I have to bring a soul to hell. Her time is up. This woman killed an innocent. Fetch her. End her. She's a murderer. Deserves to spend eternity down here. Only it isn't as simple as my father said it would be. Not even close. No cheating! Contains hot alpha males and therefore strong sexual themes/language.
